

Overwhelmed 161

[Chapter 161 Helpless Behind The Wheel](#)

Milton watched Candice from time to time while they were fighting.

Milton knocked a guy away just as he was going to strike her with a long stick. It was really tense at that moment!

The two progressively got closer before standing back to back to engage their foes in combat.

They worked effectively together, and 10 hooligans were quickly brought to the ground.

Candice then gave Milton a glance as a sign of wanting them to end the fight quickly. It wasn't worth it fighting with those fools.
