

Overwhelmed 165

[Chapter 165 Spend The Night Here](#)

Candice gave Milton a strong shove, but in a flash, her hands were in his.

"Don't leave. You should spend the night here."

Milton puffed heavily and held her down.

He grabbed her wrists and then, with one hand, unbuckled his belt!

That belt of his was made of the finest material, as smooth as silk, and it could be coiled at whim.

Candice was shaken by this.
