

Overwhelmed 166

[Chapter 166 Trust Me](#)

Milton tore the wound that had just been bandaged. Did he know what he was doing?

His arm was dripping with blood.

Candice became worried and started to look around. He had her hands bound to the bed. She was helpless and unsure of what to do since she couldn't move.

All she could do was yell, "Can you possibly be serious? Too much blood loss is fatal!"

As Milton took a few slow, deep breaths, he immediately felt more composed.
