

Overwhelmed 170

[Chapter 170 Morally Obligated To Stay](#)

After that, Milton stopped paying attention to Candice and turned his back on her.

Despite her desire to leave, she felt morally obliged to stay.

Because Milton had developed a fever, she could not leave him at home alone.

What if he passed out from shock or fainted?

She got up, went to the door, and stuffed two slippers into the gap. She was worried that no one would answer the door for her when she came back with the medicine. She had no idea what the lock's combination was.
