

Overwhelmed 171

[Chapter 171 First Woman](#)

Seeing Erica again left Candice feeling awkward, especially because she didn't know whether Erica was aware that she had sued Milton. Then, she showed up at his place once again, staying the night.

Erica beamed at Candice and questioned, "Are you leaving already? Why not hang around a little bit longer?"

"I must report to work immediately," replied Candice.

"Well, will you return later?" Erica continued without waiting for her response, "Just move all your belongings here and live here."

The hell! Candice didn't know how to respond to that.
