

Overwhelmed 188

[Chapter 188 Cultural Delicacies](#)

The group of girls stared at each other, panic all over their faces. "What are you talking about? Are you trying to scare us?"

Candice sneered and responded, "Didn't you hear me the first time? Or do you want me to call the police?"

Frightened, they shot threatening glares at Candice as they reluctantly deleted their photos.

"Now please clear the trash can of the photos you deleted just now." With her arms crossed, Candice looked cold and fierce. Her gaze was serious and intimidating. The girls had no choice but to clean up the trash can.
