

Overwhelmed 211

[Chapter 211 Do You Dare Compete](#)

It was Cathy from Warren Building Materials and Alta from Brenton Wood again!

What the hell? Candice and Bettina were caught off guard. They didn't expect to meet them again. It was as if they were following them everywhere.

Bettina cursed in a hushed tone, "What the heck! My mood is ruined by these bitches."

Candice narrowed her eyes and recognized the man who accompanied Cathy and Alta.

It was Braylen. He was the boss of the Dury Group.
