

## **Overwhelmed 221**

### [Chapter 221 Don't Let It Go To Waste](#)

After her shower, Candice took her time drying her hair.

After her shower, Candice took her time drying her hair.

She didn't stop until it was bone dry. Usually, she'd blow dry it for only a short while or just let it air dry.

But after recalling how Milton accidentally helped her dry her hair last night, she decided to do it herself properly tonight.

It was those little acts of kindness that got to her. Ever since losing her parents, she'd been lonely for so long. Warmth and tenderness were things she had no resistance to.

Greyson never offered her any solace.

And Milton? Well, he wasn't exactly on her team.
