

Overwhelmed 23

[Chapter 23 It Felt So Good](#)

Candice frowned.

Madilyn must be taking photos of her dining with two men to show Greyson later.

What an annoying woman.

Candice thought about a way of dealing with Madilyn.

Suddenly, her eyes fell on the handsome Milton, and she came up with a great idea.

Gently tapping her fingers on the table, she said to him, "Mr. Lopez, someone is secretly taking photos of you right now."

Then, she pointed to Madilyn.

She knew very well that Milton hated it when women showed interest in him, much more when they took photos of him without his permission.
