

## **Overwhelmed 28**

### [Chapter 28 The Password](#)

Candice still didn't answer the call.

Right away, she rejected it.

Greyson had never loved her back, making their relationship unfair by all standards.

From the beginning, her love for him had eclipsed any sense of pride she could have felt.

She did not forget the anguish. She had become used to it over the years.

She had been trying to make a romantic connection with him for three years. She made it her mission to make him happy and prioritized him above everything else.

In the end, she did nothing except waste her time.

The leaves rustled as the breeze swept through.
