

Overwhelmed 30

[Chapter 30 She Is My Sister](#)

The high-end cocktail party of the General Chamber of Commerce in Ploville was held in Gold Well Hotel.

The hotel resembled a spectacular palace, adorned with luxurious crystal lamps in every corner.

The guest list for the night was composed mainly of business elites.

This was Candice's first time attending such an event.

She was Greyson's plus-one today.

Dressed in a pinkish gown, Candice shone like a goddess under the dazzling lights. Her slender figure and flawless appearance were simply enchanting.

The receptionist in charge of check-ins couldn't help but sneak a peek at her.

He couldn't help but think she was incredibly stunning.
