

## **Overwhelmed 33**

### [Chapter 33 Love Song Duet](#)

As the prelude of the music ended, Candice started singing gently.

Her breath was a bit shaky and her voice was low and raspy. When she sang, her voice was quite different from when she talked.

People started to talk and make observations. "I like what I hear. Her voice is very unusual. I like it."

"It's nothing less than unique and extraordinary
