

Overwhelmed 39

[Chapter 39 Financial Gain](#)

"Interesting." Healy straightened his back and tapped on the table with his fingers. "Mr. Harman, now we are talking."

As one would expect, Healy sought financial gain. The financial situation at Universe Financial Group had been dire as of late. He could use this opportunity to get a huge sum of money from Greyson.

Greyson remained silent, expecting Healy to make a high demand.

"Not much. Five times will do just fine." Healy slouched on the chair, shaking his legs casually.
