

Overwhelmed 46

[Chapter 46 Little Common Ground](#)

Greyson had started the car at this point. As soon as he realized who Candice was speaking with, he smashed on the gas pedal, and the car shot off at full speed.

As a result of the force, Candice was having trouble sitting still.

She was in no mood to talk on the phone. "I am already in the car. In thirty minutes, I'll arrive at Royal Garden
