

Overwhelmed 51

[Chapter 51 Familiar](#)

They eventually left the clothing shop.

They eventually left the clothing shop.

In the car, Milton handed Candice a black card.

"What is this for?" she questioned in bewilderment.

"It is for this store. You can visit the store whenever you want and make a purchase on my account if you need any new clothing." Milton, glancing at Candice's pink outfit, remarked, "That's not bad. Next time when your injury heals, you should try more outfits."

Candice was again rendered speechless.

So it was because her arm was hurt that she got away from trying on a million suits that day!
