

Overwhelmed 68

[Chapter 68 Being Drugged](#)

Raul enquired, "I need to know, Milton. What's going on? Is it..."

It was as though he suddenly recalled something.

The expression in Raul's eyes changed. "So, this is about the time you entered the wrong room?"

It made Milton grimace, but he eventually agreed.

"Do you still not know who tampered with my wine that night?"

"Do you still not know who tampered with my wine that night?"
