

## Overwhelmed 70

### [Chapter 70 Pregnancy](#)

Rachel cocked an eyebrow and gave a stern warning. "Don't kid yourself into thinking that a little assistance on your part will sway Greyson's mind. Take my word for it and act your best. I have pictures of you, so don't forget that part."

A little assistance?

With an amused grin, Candice said, "Well, I'll tell you what: The Harman name will suffer if those pictures get out there. Just what is it that I should be so scared of, if you don't mind?"

"How could you!" With her hand up, Rachel clearly intended to smeck Candice across the face.

"How could you!" With her hand up, Rachel clearly intended to smack Candice across the face.
