

Overwhelmed 71

[Chapter 71 An Evil Plan](#)

"How is that even possible? Not much time has passed since the wedding night." Madilyn strongly refuted Rachel's thought. "I've gone online to do a little search just now. Since the number is higher than 100, she could be around a month along in her pregnancy at this point."

Distressed, she clutched onto Rachel's arm. "What should we do, Aunt Rachel? Rey has been ignoring me and spending the night in the hospital. It's clear that Candice is now pregnant. If Rey knows, will he..."

She dare not even entertain any possibilities.

The thought of losing Greyson terrified her!
