

Overwhelmed 73

[Chapter 73 A Fever](#)

Greyson found an ear thermometer in the study.

But, the battery inside had rotted due to lack of usage. Seeing that, he promptly discarded it.

After that, he headed into the kitchen.

He was startled when he found nothing in the refrigerator or the storage cabinet. No bread, cereal, milk, eggs, vegetables, meat, rice, or noodles could be found in the house. In the end, he only found a few boxes of instant noodles.

Evidently, Candice had never thought of this as her home.

Greyson furrowed his brow in obvious displeasure.

After that, he opened the door and left the apartment.
