

Overwhelmed 86

[Chapter 86 It Was Him](#)

No one was in the room. There were two long tables and three seats for each table.

Apart from that, there were the seats for the judge and jury. However, the judge would be alone without any jury since it was just a mediation.

After taking in the room, Candice walked in and sat down at the plaintiff's seat.

Candice was always in court, but this was her first time being a plaintiff.

Of course, the man hadn't arrived yet.
