

Overwhelmed 88

[Chapter 88 It Was Her](#)

Candice's mask was taken off.

With a quick motion, she also removed her hat, allowing her long hair to spill out.

Her face was now fully visible to Milton.

He felt his breath hitch in his throat as he gazed upon her, his handsome features registering a look of shock.

"Are you her lawyer?" he asked. His voice trembled as he spoke. His initial instinct was to conceal the embarrassing incident from Candy.

Judge Fletcher intervened, saying, "No, sir. This young lady is not the lawyer. She is the plaintiff, Candice Blake."

It took Milton a moment to process this information.
