Read Please Permit Me To Love You Forever Chapter 121

121 chapter 121 sugar daddy 121, you're so handsome!

with just one word from Liancheng Yazhi, Chu Wenluo would be able to live in the capital like a fish in water in the future.

However, they did not expect Liancheng Yazhi to not give them any face.

President Mu couldn't get out of the situation. On one hand, it was the most powerful young master in the imperial capital that he couldn't offend. On the other hand, it was his future son-in-law. He didn't want to lose face in front of Chu Wenluo, so he forced himself to hold on and said with a smile, "Young master ya, look at Qianqian's business. It's inevitable that we'll have conflicts and contact with each other. Don't you see that Qianqian's Mu family has been doing business with your company recently? So, this Kasaya ..."

Liancheng Yazhi raised his chin, a cruel smile on his lips. So, the Chu family is not going to do it? Since that's the case, don't force it. Our Liancheng family never does things that make things difficult for others. Secretary Zhou, please excuse us."

While young master ya and Miss Rong were being intimate, Secretary Zhou, who had automatically entered a hidden state, appeared in a second. young master ya, what can I do for you? "

President Mu's face immediately turned ashen with fear. He kept wiping his sweat with his sleeves. young master ya, young master ya, Qianqian, we can discuss things. We can discuss things. We have already signed the contract. If you do this, Qianqian will be violating it, Qianqian.

President Mu spoke without thinking, thinking that he could suppress Liancheng Yazhi's thoughts by saying that he would breach the contract.

But he didn't think that Liancheng Yazhi would care about how little the penalty was.

Liancheng Yazhi sneered. "The business with the Mu family is terminated today. Since they don't want to do it, let's not make things difficult for them. It's just a few liquidated damages." Although our L&C isn't well-off, it's more than enough to pay a few liquidated damages."

Rong Yan gave Liancheng Yazhi 32 likes in her heart. Boss, sugar daddy, you're so great, so handsome, so handsome!

Secretary Zhou was silently ridiculing them. Young master ya, when you said that, didn't you feel like beating you up? What do you mean even though our L&C is not very well-off? You're clearly showing off, aren't you?

As Secretary Zhou complained, he nodded solemnly. "Yes, young master ya."

After he finished speaking, he immediately took out his phone, dialed a number, and quickly said a series of words. What he meant was that from today onwards, all business with the MU family would stop.

The MU family was in the pharmaceutical processing industry. They had just obtained a batch of business from Liancheng Yazhi's company that was valuable enough to provide the military with a large number of long-term drugs. For the MU family, whose business had been on a decline in recent years, this was simply a pie that fell from the sky. It instantly made them dizzy.

He had almost forgotten that there was a saying that was circulating in the imperial capital-even if you offend the King of Hell, don't offend young master ya.

President mu was so anxious that he was about to have a heart attack. young master ya, young master ya, you can't do this to us. Didn't we already agree on this? "

Although it was Liancheng Yazhi who breached the contract this time and there would be hundreds of millions of liquidated damages, that little penalty paled in comparison to the long-term reputation.

Moreover, if others knew that young master ya would rather breach the contract than show sincerity to the MU family, no one would dare to do business with the MU family in the future. It wouldn't take long for the MU family to decline completely.

Liancheng Yazhi looked at him coldly."I like to drink with smart people. Your Mu family clearly doesn't satisfy me."

President mu really regretted it. He shouldn't have brought Chu wenluo here at all. However, he didn't want the MU family's leverage to rise again to fame to be gone just like that.

122 You can get lost now

President mu regretted it. He shouldn't have brought Chu wenluo here. However, he didn't want the MU family's chance to rise again to disappear just like that.

He wanted to continue begging Liancheng Yazhi, but Chu wenluo secretly pulled his sleeve and pulled him away.

as soon as they left, rong yan wrapped her arms around liancheng yazhi's neck and kissed her hard on the face. "Mr. Liancheng, Mr. Sugar Daddy, you were so handsome just now."

"I'm really so handsome that you think I'm handsome? But I thought that I was still more handsome in bed." Liancheng Yazhi raised his eyebrows. In the ancient times, King You of Zhou teased the Marquis with his Flames of War and laughed. Now, he casually threw a few hundred million in exchange for a smile. There didn't seem to be any difference between this period, right?

three black lines appeared on rong yan's forehead. "i hate you. you're always so frivolous. i'm ignoring you."

When Secretary Zhou saw this scene, he silently lowered his head. He quietly retreated and entered the hidden state.

The two of them fooled around for a while and were about to leave, but Secretary Zhou suddenly came over with Liancheng Yazhi's phone. young master ya, you have a phone call.

Liancheng Yazhi glanced at Secretary Zhou. He knew that Secretary Zhou was a very meticulous and cautious person. If it wasn't an important call, he would definitely not come and disturb her. It seemed that Wanwan had a very important call, so he didn't even tell Rong Yan who had called her.

Liancheng Yazhi stood up. baby, wait for me for a moment. I'm going to take a call.

Rong Yan was very smart and knew that she couldn't let her know about this phone call. She nodded."okay, hurry up then."

Just as Liancheng Yazhi went to answer the phone, Chu wenluo appeared in front of Rong Yan.

"Hello, miss Rong."

When Chu wenluo saw Rong Yan at the hotel today, he was attracted by her face and temperament. If she wasn't Liancheng Yazhi's woman, he would have seduced her long ago.

Rong Yan clenched her wine glass tightly and looked up at Chu wenluo with a cold gaze. I hate beating around the bush. If you don't get to the point, you can just get lost.

Chu wenluo shivered. Rong Yan's gaze made him feel cold all over, as if he had fallen into an ice hole. It was so cold that his whole body hurt, making him feel creepy. It was like he had met a ghost. It was eerie and very scary.

However, Chu wenluo was quite experienced, so he quickly reacted and said, "miss rong, you're indeed a straightforward person. i won't waste time with you. uncle mu is very worried about what happened just now. he almost had a heart attack. i hope that you can help put in a good word for him in front of young master ya on account of his old age. uncle mu and i will be very grateful to miss rong and will definitely give you a generous gift. young master ya dotes on you so much. i believe that this will not be difficult for miss rong."

The disgust and hatred in Rong Yan's heart were intertwined. Chu wenluo's words made her really want to cut him into pieces. This man was a little clever and calculative.

Especially the last sentence. The hidden meaning was that if she couldn't tell him the truth, it meant that she had no place in Liancheng Yazhi's heart.

If this were any other woman, they would definitely not admit it and would try their best to prove that they were really important to Liancheng Yazhi.

it was a pity that chu wenluo had schemed against rong yan, so the result of this matter would develop in another direction.

.....??

123 I'll dig a hole and bury you!

It was a pity that Chu wenluo had schemed against Rong Yan, so the result of this matter would develop in another direction.

Rong Yan swayed and there was a contemptuous smile on her lips. Perhaps she didn't know that her smile now was exactly the same as Liancheng Yazhi's, and it made people panic.

"Do you want me to help you say a few words in front of Liancheng Yazhi? You're too naive. You're as stupid as pigs, but do you really think that everyone is a pig like you?"

miss Rong, you should be more polite with your words, " Chu wenluo said in a heavy tone.

Although he was subservient to Liancheng Yazhi, he looked down on Rong Yan in his heart. He thought that Rong Yan was just a woman that Liancheng Yazhi kept.

Liancheng Yazhi whistled. leave my young master ya to me. There's no need to be polite to poor, slave-like dogs like you. Save that little money of yours to buy your own grave.

you ... You ... Chu wenluo had never been scolded so badly in his life, and it was a woman he looked down on.

suddenly, rong yan stood up, and half of her face was covered. she said to chu wenluo, " what's my interest in the money? however, I'm quite interested in young master Chu. Are you interested in giving it a try? "

Chu wenluo hesitated for a moment and then calmed down.

So that's how it was. He was wondering how any woman in this world could escape his charm.

Chu wenluo gave Rong Yan a coquettish look that made her want to puke. it turns out that miss Rong is also interested in me. Why didn't you say so earlier, Yingluo? "

As he spoke, he reached out to grab Rong Yan.

However, before her hand could touch Rong Yan's arm, the wine in Rong Yan's glass poured all over Chu wenluo's face. She even shouted at the top of her voice, " Damn pervert, get lost! Get lost!"

rong yan's panicked voice was filled with unspeakable anger and genuine hatred. her voice was high-pitched and sharp, like a sharp knife that slid across everyone's scalp.

lian Cheng yazhi, who was walking toward his face, frowned and a murderous aura instantly overflowed from his body.

He quickly walked over to Rong Yan and hugged her, who was so angry that her face had turned pale and her body was trembling. "Rong Yan, what's wrong?"

when rong yan saw lian Cheng yazhi coming, she hugged his neck and burst into tears.

Rong Yan 'cried' aggrievedly, and her shoulders twitched, making Lian Cheng Yazhi suddenly feel as if his heart was being squeezed.

don't cry, don't cry, " he quickly coaxed in a gentle voice. what happened? tell me quickly.

rong yan sobbed as she said, " He came to me and said that he would give me a sum of money and asked me to put in a good word for the MU family in front of you. If I didn't agree, he would get physical with me."

Rong Yan thought to herself, 'f * ck, my acting skills are getting better and better. I can even compete for an Oscar. My tears come as I wish. I hope I can fool my sugar daddy!'

Chu wenluo, who was suddenly splashed by a glass of wine by Rong Yan, came back to his senses and quickly denied, " you're slandering me. You were the one who said you were interested in me first.

Rong Yan's face was white from anger as she pointed at him. "You, you, you, you, you, you, you ..."

The surrounding onlookers had already come up. After hearing Chu wenluo's words, the people who wanted to please Liancheng Yazhi began to fight to speak.

.....

124 long live secretary zhou!

the surrounding onlookers had already come up. after hearing chu wenluo's words, the people who wanted to please liancheng yazhi began to fight to speak.

"Are you an idiot? Who Do You Think You Are? can you compare yourself to young master ya? only blind women would still look at you after being with young master ya."

that's right. Miss Rong and young master ya are a good match. Why would she be interested in you? are you crazy? "

"I don't think he's crazy. He's just a pervert who wants to push the blame to miss Rong. The truth is, why don't you take a look at how poor you are? you can't even compare to a strand of young master ya's hair. My dog, ou, doesn't even like you, Yingluo."

"Yes, yes, Yingluo."

This was what Rong Yan had expected. She didn't need to say anything at all. Those people who tried to please Liancheng Yazhi would say everything they needed to say.

Moreover, no one would believe it.

There would be a woman in this world who would give up the most powerful man in the imperial capital for the Small Business of a medium-sized enterprise from the South.

As expected, with the sound of those people's bombing, Liancheng Yazhi and Chu wenluo's faces became uglier and uglier.

Of course, Liancheng Yazhi was furious. He dared to touch his woman. Was he tired of living?

Chu wenluo was scared to death.

At this moment, he knew that the matter of him being framed had been confirmed, and no one would doubt the authenticity.

as for him, he was definitely going to take the blame!

He did not dare to think about what it meant to offend Liancheng Yazhi.

Just now, President mu did not appreciate Liancheng Yazhi's intentions because of one sentence. He could just casually cut off the business that had already signed the contract.

then, the chu family's xuanji

Liancheng Yazhi hugged Rong Yan and looked at Chu wenluo coldly as if he was looking at a dead person. "You are very courageous. I hope you have the courage to bear the consequences."

Chu wenluo panicked and didn't know what to do. I'm innocent. I'm really innocent. You b * tch, you framed me!

He had just finished shouting when Liancheng Yazhi glanced at Secretary Zhou.

Secretary Zhou clicked on the picture. He pushed up his glasses, picked up a fork, and walked to Chu wenluo. He kicked the back of his knee, making her kneel on the ground with a plop. The next second, he grabbed his hair behind him and pulled it back violently, as if he was going to tear off his scalp.

In this way, Chu wenluo's neck was completely exposed in front of Secretary Zhou.

the fork in secretary zhou's hand turned in a circle and stabbed downward with all his might. the tip of the fork completely pierced chu wenluo's neck.

However, Secretary Zhou's movements were fast and precise. The place where the fork landed only destroyed his vocal cords and avoided his major arteries and respiratory tract. It made him extremely afraid, but it did not kill him. It just looked scary and he bled a little.

Chu wenluo let out a miserable but short scream, but soon there was no sound.

Secretary Zhou let go of Chu wenluo and took out a handkerchief to wipe his hands. He tidied up his clothes and slightly messy hair, then walked to Liancheng Yazhi's back with steady steps. In a second, he had turned back into a weak Secretary.

liancheng yazhi wanted to cover rong yan's eyes so that she wouldn't see such a bloody scene, but he didn't expect that rong yan would push his hand away and watch with relish.

—

Secretary Zhou was so cool!

[PS: girls, Happy New Year! Many red packets!] Wakaka, what a meaningful night! Let's watch Sister Rong Yan take revenge together!

125 This is a small lesson

Liancheng Yazhi wanted to cover Rong Yan's eyes so that she wouldn't see such a bloody scene, but he didn't expect that Rong Yan would push his hand away and watch with relish.

The moment Chu wenluo's neck spurting out blood, Rong Yan's eyes lit up like light bulbs.

Rong Yan really wanted to applaud and cheer for Secretary Zhou. He was so handsome, so handsome, wasn't he? he was completely handsome, right? Secretary Zhou was the invincible Iron King Kong, wasn't he? Young master kaya flipped the table, 'didn't you just say that I'm so handsome? Can you not change your mind so quickly? where is your integrity? "

Liancheng Yazhi lowered his head and looked at Chu wenluo, who was rolling around on the ground while holding his neck in pain. this is a small lesson. Go home in peace. You'll receive big gifts one after another. Just wait to be cheered on by your family.

liancheng yazhi threw down a sentence that was like a death warrant and left with rong yan and secretary zhou, who had shocked everyone.

After Liancheng Yazhi left with Rong Yan, the people at the banquet dispersed. The MU family and the future son-in-law of the MU family had angered Mr. Liancheng, so only death was waiting for them. At this time, if anyone was still involved with them, they would be courting death.

The people present were all people who mingled in the upper class. They were all smart people, and no one would foolishly lean on them.

In less than five minutes, the originally lively meeting was suddenly empty, leaving only the MU family and the waiters who were shuttling back and forth at the banquet.

President MU's heart was not in a good condition just now and he went to take medicine during his rest. At that time, Chu wenluo told him to leave the matter to him. He told President mu that as long as he talked to Rong Yan, she would whisper a few Pillow Talk to Liancheng Yazhi and this matter would be over.

at that time, president mu's heart was in a mess. he didn't have the energy to think about anything else. he didn't even have a place to cry, so he made a last resort and simply handed this matter over to chu wenluo.

Who would've thought

Not long after, the sound of a chaotic quarrel came from outside.

President mu wanted to go out and take a look, but he was stopped by the MU family.

His daughter, mu xueni, said, " dad, you can't go out now. Chu wenluo, that scumbag, even dared to flirt with young master ya's woman. Young master ya is really angry. Chu wenluo doesn't want to live anymore. If you go out now, young master ya will definitely think that you're helping Chu wenluo. By then, it won't be a matter of losing a voice.

President MU's heart, which had just recovered a little after taking the fast-acting heart-rescuing pill, started to hurt again."What? How dare he?"

Mu xueni sneered. Hmph, I knew he wasn't a good person, so I wanted to see more. That's why I didn't get engaged to him. Now, it seems that my decision was a wise one.

What do you mean wise? you have to be wise. You shouldn't have had any contact with Chu wenluo in the first place. President mu was so regretful that his intestines were twisted. What had happened today? this time, regardless of whether the MU family would be implicated or not, it seemed that their decline was already destined.

Although President mu was old and used to sucking up to the powerful, he was a smart person. He said, " " we'll start selling the company's shares tomorrow. sell all the shares in our hands while they're still worth some money. get rid of them quickly. don't wait any longer, or they'll become useless. "

—

girls, it's the first day of the new year. let's all be happy.

However, I'm going to say something that's not very happy. Those who are complaining, please stop complaining. I've already reminded you to be careful when you enter the pit. Don't criticize if you don't like it. nainai was vomiting in pain, and sister was also in pain when she saw it. let's not torture each other!

126 Are you having a good time crying?

Mu xueni didn't dare to believe it, but when she saw President MU's expression, she understood. "Hello, Daddy, I know."

After the people outside had left, the MU family came out. Chu wenluo had fallen to the ground, holding his neck and gasping for breath. Blood was flowing out from the corner of his lips, and the blood on his neck looked very terrifying.

President mu glared at him hatefully, 'Chu wenluo, you've been eyeing the woman next to young master ya from the beginning, haven't you? You're digging your own grave, yet

you're dragging others into this. From now on, you have nothing to do with our Chu family."

Mu xueni had already called the ambulance. the ambulance will be here soon. This is the breakup fee I'm giving you for all the time we've been together. From now on, we have nothing to do with each other.

As Chu wenluo listened to the father and daughter of the MU family, the hatred in his eyes became more and more intense.

Mu xueni grabbed her bag and looked down at him. you're useless. You've offended young master ya. You won't have the chance to take revenge.

.....

it was very quiet in the car on the way back to block A of the empire.

It seemed that Rong Yan's crying, Liancheng Yazhi's anger and heartache, and Secretary Zhou's display of his transformation skill were all fake.

Rong Yan didn't know what Liancheng Yazhi was thinking, but she was very sensitive to the fact that the aura on his body was not good at the moment.

So, she was very honest. She leaned her head against the window and closed her eyes to rest. Sigh, she had cried so hard today that her eyes hurt.

Suddenly, Liancheng Yazhi asked Rong Yan,"did you have a good time crying just now?"

At that time, perhaps Lian Chen Yazhi was a little anxious. Seeing Rong Yan cry so miserably, her heart ached even more, so she didn't have time to think about the truth of the matter and Rong Yan's motive.

However, after he calmed down, he immediately understood that Rong Yan was such a fierce woman who had no face and moral integrity to speak of. A woman who took the initiative to climb into bed to seduce her would cry like her parents had died after being taken advantage of by others.

This was a joke. It didn't make sense at all!

Therefore, he must have done it deliberately.

Why did he do it on purpose?

Did that Chu wenluo really do something to her, or was there another reason?

Liancheng Yazhi was very concerned about this matter.

Rong Yan's mind quickly turned. She didn't think much at that time. She just thought that she couldn't let him off so easily, so she quickly set up that trap.

Liancheng Yazhi's sudden question made Rong Yan a little flustered. However, she thought that since she couldn't hide it, she might as well admit it. Anyway, Liancheng Yazhi also knew that she was not a good woman.

Rong Yan opened her eyes and turned her body back. She pouted and glanced at him, saying willfully, "Of course it's great. Who asked that bastard dog to molest me? if I don't teach him a lesson, how can I be like this? But crying is really bad for the body, even my eyes hurt a little."

As she spoke, she took out a small mirror and looked at her eyes. Aiya, thank God you didn't smudge your makeup. Otherwise, you'd be embarrassing yourself. But Hanhan is so swollen. Will it go down tomorrow morning? seriously, you didn't even comfort her after you got into the car. I thought you were angry and didn't dare to get close to you.

The more indifferent Rong Yan's tone was, the more it made people believe the truth of her words.

.....

127 I'm still smart, right?

The more indifferent Rong Yan's tone was, the more it made people believe the truth of her words.

It was because Liancheng Yazhi felt that the Rong Yan He knew was such a woman. She would definitely take revenge and would never pretend to be a Saint. She could even be ruthless to her biological sister, Rong Jia, who had the same father and mother. Naturally, she would not let a man who tried to molest her off.

Liancheng Yazhi looked at her for a while, his expression inexplicable. There was a coldness on his body that Rong Yan did not dare to approach. where did he touch you?
”

Rong Yan shrugged. I just touched my waist. I didn't want to make it public and planned to drive him away. In the end, that bastard still wanted to touch my chest. Of course, I couldn't do it. Then, I poured wine on him and screamed loudly, attracting the people around him. In the end, he didn't dare to do it anymore.

After Rong Yan finished speaking, she even winked at Liancheng Yazhi rather proudly. "Darling, I'm smart, right? Yingluo, it's a good thing that I shouted out

immediately. Otherwise, I'm a weak woman. If I really had to swallow my anger, I would definitely be the one in trouble."

Even Chu wenluo himself would believe her if he came to hear her nonsense.

Rong Yan's tone and gaze were too natural, and there was nothing fake about them. There was no stutter in her speech, and she did not look like she was making things up.

Sure enough, after Rong Yan said that, Liancheng Yazhi's face immediately became very ugly, very ugly.

Because he believed it, completely believed it.

He felt that perhaps to Rong Yan, just being touched on the waist was a small matter. Anyway, she had already taken revenge.

However, to Liancheng Yazhi, it was an anger that could not be ignored.

He really felt that the lesson he had given Chu wenluo at that time was too easy. He should have castrated him.

Rong Yan didn't seem to feel Liancheng Yazhi's anger and continued, "That man is so annoying. With just one look from him, I feel like there's something dirty on my body. He actually said that he has a big tool and good skills, and he's guaranteed to make me feel like I'm going to die and never have any interest in other men again. Damn it, I feel that I didn't teach him a lesson just now."

Liancheng Yazhi's eyes suddenly shot out two sharp and cold rays."It's too light."

Secretary Zhou, who was driving, nodded silently. He was too light. He was simply a scumbag.

Rong Yan's hand that was holding the small mirror slowly played with it as she thought about something.

after this incident, chu wenluo would probably be dealt a heavy blow. perhaps he would be stepped into the mud by liancheng yazhi and never be able to get up again. moreover, the words she said just now had deliberately angered liancheng yazhi.

Rong Yan sighed with emotion. Perhaps the revenge she had thought would be very difficult had been solved by Liancheng Yazhi in such a clear and detailed way.

It was true that ran ran didn't give him a sense of accomplishment.

When they arrived at the entrance of block A, Liancheng Yazhi said to Rong Yan, " I still have something to deal with. You can go up. You don't have to wait for me. Sleep by yourself.

Rong Yan was stunned for a moment. Liancheng Yazhi had been accompanying her a lot recently, and she suddenly felt a little unaccustomed to not being around at night. She quickly pouted her lips and pretended to be very disappointed."Ah? what a pity, yingluo. i'll go up then."

Liancheng Yazhi nodded. go ahead, ran ran.

Rong Yan still didn't go down. She tilted her head and looked at Liancheng Yazhi."Aren't you going to let me kiss you before you leave?"

.....??

128 I'll call you my queen!

Rong Yan still didn't go down. She tilted her head and looked at Liancheng Yazhi."Aren't you going to let me kiss you before you leave?"

After getting in the car, Liancheng Yazhi, who had been cold, finally smiled. Look, this was Rong Yan. There was no restraint or integrity to speak of.

However,

He liked it.

Rong Yan saw that Liancheng Yazhi was smiling and knew that he was in a better mood. She quickly struck while the iron was hot. you're not letting me kiss you? I hate ran ran, but I don't care so much. Let me kiss you first.

after she finished speaking, she pounced on him, hugged his neck, and kissed him on the lips.

Looking at the two kissing behind her, Secretary Zhou got out of the car silently. He was ready to wait for them to finish kissing and then drive miss Rong.

The cold wind outside blew, and Secretary Zhou rubbed his hands.

he sighed with emotion. miss rong was the real king kong barbie.

In front of young master ya, there was no one else besides her who dared to be so presumptuous and not be angered by young master ya.

Although Secretary Zhou did not like it from the bottom of his heart, the relationship between Liancheng Yazhi and Rong Yan had surpassed the level of being a mistress.

But-

he had to admit that young master ya's anger and joy had obviously increased after he had gained a beautiful face.

In the past, young master ya was a perfect person who couldn't be picky. No matter what aspect, he was perfect to the point of being unreal. You could never tell if he was angry or happy.

But now, it was obvious that Yingying had evolved!

Finally, the two people in the car kissed to the point where they couldn't hold it in any longer, and they reluctantly separated.

Secretary Zhou quickly opened the car door for Rong Yan.

Rong Yan waved at Liancheng Yazhi and got out of the car.

When Secretary Zhou got into the car and was about to start the engine, Rong Yan suddenly turned around and walked straight to the door of the driver's seat. She knocked on the window.

Secretary Zhou was puzzled. He shivered and looked at his boss in the rear mirror. Then, he silently rolled down the window.

"miss rong, is there anything else?"

Rong Yan looked at Secretary Zhou with sparkling eyes. Oh right, Secretary Zhou, I forgot to tell you. You were really handsome today. You're amazing. I gave you 32 likes in my heart.

"wanwan!" secretary zhou was petrified.

"Drive carefully, I'm leaving." Rong Yan waved her hand considerably, then ran into the luxurious gate of block A of the Empire with her arms crossed.

What she didn't know was that at this moment, Secretary Zhou was actually kneeling and begging for mercy. My queen, please give me a way out. I'm going to be killed by young master ya's eyes.

.....

When she returned to her room, Rong Yan seemed to have lost all her strength. All the solid pretense in front of Liancheng Yazhi was instantly shattered.

She had always thought that those disguises were her true self, and that they had become one with her body and mind, and that she could control them as she pleased.

But it was only at this moment that she realized that she didn't have any so-called pretense at all. All she had was fatigue, very, very tired!

Before she was reborn, she gave up everything, thinking that she could be with her lover, but in the end, she was betrayed, and her life ended at the same time.

After her rebirth, Rong Yan lived for revenge. In order to escape her tragic fate, she did not hesitate to sell her body and self-esteem to climb into Liancheng Yazhi's bed and become his lover.

Now that she had met Chu wenluo, she had used Liancheng Yazhi to teach Chu wenluo a lesson.

129 You don't want me back?

Now that she had met Chu wenluo, she had used Liancheng Yazhi to teach Chu wenluo a lesson.

liancheng yazhi had said that the chu family would receive endless gifts from now on.

This meant that his punishment for the Chu clan had only just begun.

She didn't need Rong Yan to make any exquisite calculations or do any homework in advance.

with liancheng yazhi, the weapon of the world, chu wenluo couldn't withstand a single blow!

Rong Yan kicked off her high heels and threw away her bag that was worth hundreds of thousands of Yuan. Her heart was empty. The motivation for her to live was revenge. If she had gotten her revenge and lost the motivation to take it, then how could she accept it? What do you want to do?

Continue to be Liancheng Yazhi's mistress?

Rong Yan sneered-never.

Although she was able to deal with these kinds of days like a fish in water, no one knew about Yingluo's life of being inferior to others, selling her body and dignity.

She wanted to live a few days of freedom! She wanted to see the world that she had never seen before.

Rong Yan rarely smoked, but when she was in a very troubled mood, couldn't figure out things, or was particularly happy, she would want to light a cigarette.

She leaned against the glass wall and looked at the lights outside. She was surrounded by smoke, and her eyes were blurred. She was out of place with the city's fireworks. She was so lost in her thoughts that she didn't even realize that Liancheng Yazhi had opened the door and walked in.

Liancheng Yazhi could smell the smoke the moment he entered the room. Ladies' cigarettes were not as pungent and had a faint minty smell, but Liancheng Yazhi's face still turned ugly in an instant.

This was the second time he had seen Rong Yan smoke. The last time was at the coffee shop. He had asked Secretary Zhou to tell Rong Yan that the contract had been terminated.

At that time, when he saw Rong Yan wrapped in smoke, he instantly felt that she was so far away from him. It was hazy, like the smoke she exhaled. No matter how he grabbed at it, it was empty, and there was an unfathomable mystery about her.

Now, this feeling came again. At this moment, Rong Yan's eyes were empty, as if she had long drifted away from this world.

Rong Yan returned to her senses and smiled seductively. She leaned forward and pressed her body against Liancheng Yazhi, boldly blowing out a mouthful of smoke at his face. "You don't like it?"

Liancheng Yazhi's face darkened even more. "You didn't drink much, why are you so drunk?"

Rong Yan skillfully held the cigarette with one hand and put the other on Liancheng Yazhi's shoulder. "Didn't you say that you won't be coming back tonight?"

Liancheng Yazhi's eyes were fixed on her hand. His fingers with black nail polish were holding a long and thin cigarette. The cigarette butt was extinguished and wisps of smoke rose. His hand looked as charming as a fallen hand that could pull an Angel into hell.

"She doesn't want me to come back," Liancheng Yazhi asked.

Fortunately, Rong Yan's rationality had not completely disappeared. She shrugged her shoulders. "Of course not. If you didn't come back, such a big room would be so empty."

I'm so lonely, thank God Yingluo you're back."

She didn't know that Liancheng Yazhi didn't plan to come back, but for some reason, after he finished his business, he asked Secretary Zhou to drive him back here.

Recently, block a, which he used to visit once every few months, had become the place he visited the most. Liancheng Yazhi finally couldn't stand it anymore. He snatched the cigarette from Rong Yan's hand and threw it on the ground, not caring if the cigarette butt would burn a hole in the expensive carpet.

.....

130 chapter 130 greatest weakness?

Liancheng Yazhi finally couldn't stand it anymore. He snatched the cigarette from Rong Yan's hand and threw it on the ground, not caring if the cigarette butt would burn a hole in the expensive carpet.

He lifted Rong Yan up with one hand and threw her onto the bed. Then, he pressed her on his lap and slapped her chubby bottom a few times. He scolded angrily, "from now on, you're not allowed to smoke. if you smoke again, i'll whip you with my belt."

Liancheng Yazhi's voice was very angry, and he had used a lot of strength when he hit her.

He really felt that there was something wrong with Rong Yan today.

The feeling of not being able to hold onto her filled his heart strongly, making him desperately want to use something to prove that she really existed in his world.

Rong Yan was dazed by Liancheng Yazhi's slap. She only reacted after he shouted at her. you're smoking yourself. Why can't I touch me? "

"Are you the same as me? I'm a man!"

"My Yingluo also has human rights."

Liancheng Yazhi looked at her with disdain. are you kidding me?"

rong yan's heart tightened. he meant that she was a mistress and had no human rights. rong yan covered up the disappointment in her heart and shouted,"hey, yingluo, why don't i have it?"

A fake smile appeared on Liancheng Yazhi's face. since we have time to discuss this, why don't we discuss how to make your sugar daddy happier and more satisfied? don't you think that's more meaningful? "

Rong Yan shook her head. This was completely meaningless, okay?

However, Liancheng Yazhi would not care if she objected or not. She was a mistress raised by a prostitute and had no right to refuse the sugar daddy's advances.

This was the helplessness of the weak. People who were unable to resist could only be manipulated.

That night, no matter how much Rong Yan begged, Liancheng Yazhi was not moved at all.

He was using Rong Yan's body to tell himself that this woman, Yingluo, was all he had now.

When Rong Yan fell asleep, Liancheng Yazhi was still not done.

she had already woken up from her coma, but he was still in a daze.

and so, she fell asleep again, yingluo.

the sky outside was about to turn bright.

liancheng yazhi finally stopped.

After calming down for a while, he went to the bathroom to take a quick shower. Then, he took out a clean wet towel and helped Rong Yan clean up. He then pulled out the bed sheet under them and threw it on the ground. He was too lazy to even lay the bed sheet and directly hugged Rong Yan, ready to sleep.

liancheng yazhi thought that since he was so tired tonight, he would definitely fall asleep early. however, half an hour passed and he was not sleepy at all. The simple conversation he had had today flashed through his mind.

[I heard that you have a pet in block A of the Empire. Bring it to meet you.]

She's just a woman, what's there to see?"

... Just? You've raised her up to District A of the Empire, and you're still saying that's all? master Sheng told me that the look in that woman's eyes was so gentle that it could kill.

"you actually believed kang yu's nonsense."

"I might not believe it if someone else said it, but what Kang Yu said is true. Liancheng, it's okay to play with women, but don't take it seriously. If you really take it seriously, it's

best to get rid of Qianqian as soon as possible. Don't send her far away, or kill her directly. Otherwise, it will become your biggest weakness sooner or later."
