Read Please Permit Me To Love You Forever Chapter 141

141 This is ridiculous

Rong Yan glanced at her from the side and then curled her lips.

She thought that the mother and son were planning to do something shady, but it was just so. In the future, there would be no more Liancheng Yazhi acting pitiful to win the sympathy of others, and then she would not dare to act rashly. Hmph, what a joke.

In her Second Life, she did not live her life for others to see.

rong jia saw that rong yan was unmoved by yang yan's crying and screaming. she stood there like a queen, as if this matter had no effect on her.

Rong Jia gritted her teeth and said, why are girls like this these days? they don't even care about their own mother. Is she still human? ”

however, after rong jia finished speaking, the people around her only looked at her indifferently and continued to watch. only a few people echoed her words.

The people who came to the Golden Tripod international were all rich people, and these rich people were actually more indifferent than ordinary people because in their world, profit was the dominant factor.

Therefore, under the stimulation of Rong Yan's dazzling branded clothes and her cold, elegant, and Noble Queen-like aura, they didn't dare to provoke her rashly without knowing her real identity. If they offended her, the family would be the one who would be in trouble.

Therefore, it was a waste for Rong Jia to put on such an act here.

Rong Yan looked at Yang Yan with contempt and said, ” “Auntie, you just ran out of the hospital, right? Do your daughter and the doctors know about this?”

Yang Yan's crying stopped abruptly. what do you mean? ”

Rong Yan glanced around. the Golden Tripod international is really getting trashier and trashier. They even let this kind of mental patient in. It seems that most of the goods here are mixed with water. In the future, it's better to buy things directly by air from abroad. Otherwise, I'll spend money and get angry.

“Rong Yan, you b * tch, how dare you call me crazy? are you looking for death, Zhenzhen?” after shouting, she remembered Rong Jia’s advice and quickly covered her face, crying to the people around her. everyone, please be reasonable. This girl crawled out of my stomach. I’ve been pregnant for ten months and worked hard to nurse her back to health.

However, she had only shouted halfway when she heard Rong Yan say, “ Hello, 110, I want to call the police. There’s a lunatic who attacked me in the Golden Tripod international. That’s right, she’s crying and shouting for her daughter everywhere. She even insulted me. I’m now being held by her and can’t leave. I hope you can come over quickly. Okay, thank you.

After hanging up the phone, Rong Yan looked at Yang Yan with a smile. She was not afraid of anything. This time, she had plenty of tricks to let Yang Yan live in peace for a while.

yang yan was stunned for a moment when rong yan called the police. she suddenly jumped up from the ground and cursed, “ you shameless b * tch! If you dare to call the police, I’ll beat you to death!

However, just as she jumped up, she heard someone shouting behind her, “What are you doing? stop!”

Then, a few men in police uniforms rushed over. The two men in front pounced on Yang Yan and handcuffed her.

ow, ow, ow! Yang Yan didn’t see who it was, and her arm was twisted in pain. She screamed, closed her eyes, and hit the head of the policeman on the left.

Yang Yan was wearing a cheap metal hairpin on her head. The collision broke a piece of skin on the other party’s forehead and blood immediately flowed down.

Now, the situation immediately became serious. He actually attacked a police officer in public.

142 Biological mother

Now, the situation immediately became serious. He actually attacked a police officer in public.

This was terrible, so two more experienced police officers quickly came up and took Yang Yan down roughly, regardless of her age.

Yang Yan shouted, “ what right do you have to arrest me? I’m here for my daughter! I didn’t do anything wrong!!!! I didn’t do anything wrong!!

however, no one paid attention to him now. a police officer walked up to rong yan. ”
“Miss, did you make the report?”

Rong Yan returned to her senses,”it’s Yingluo, my Yingluo.”

She was puzzled. How did the police arrive so quickly?

she had just called the police.

“Miss, please come with us to the police station to record your statement. It won’t take too much of your time.”

sure, Zhenzhen. of course, Rong Yan didn’t want to go back with him to record her statement. Once she entered the police station, wouldn’t her relationship with Yang Yan be exposed?

Rong Yan thought about it as she walked out with the police. When she reached the first floor, a group of people was walking towards her, and the momentum was quite spectacular.

Rong Yan slowly lowered her head. Please don’t see it. Please don’t see it.

In the end, one of the police officers ran up to him and greeted him. Deputy Mayor Xia, you’re here for work? ”

Rong Yan cried. How could she be so lucky to meet her ex-idol, who was also Liancheng Yazhi’s brother?

Xia Xuanmo’s Secretary answered for him. it’s almost New Year’s Day. I’m here for an inspection.

After that, Rong Yan wasn’t in the mood to listen to what they were saying. Not long after, she heard a police officer say, ” “miss, you don’t need to record your statement.”

rong yan was stunned and subconsciously looked at xia xuanmo. he nodded slightly at her with a politician’s unique smile and left with his men.

Rong Yan heaved a sigh of relief. At least, Huahua didn’t have to go to the police station.

however,

It was fine if he didn’t go to the police station, but he couldn’t let Yang Yan go so easily.

She reached for her bag and exclaimed. Under the police's watchful eyes, she walked up to Yang Yan and pulled out a pair of pink diamond earrings from her pocket. It was the pair song Rouran had given her.

Rong Yan sneered. Auntie, so this is your real purpose. It's not a good thing to steal things in this way.

Yang Yan's face turned pale. She had indeed taken it. She originally thought that since Rong Yan was so rich, it was no big deal to lose a pair of earrings.

However, now that it was taken out in front of the police, the Kasaya was a stolen item.

Yang Yan screamed. rongyan, rongyan, Zhenzhen, I'm your biological mother. I'm your mother Zhenzhen. I've raised you for so many years. This is what you should do to repay me.

" miss, this is dirty, " the police asked. " can we take it back first? "

"Sure." Rong Yan nodded.

Since song Rouran gave it to him, he didn't mind not accepting it.

The police finally took Yang Yan away. Rong Yan turned around and saw Rong Jia's figure running away in a hurry. She sneered.

This mother-daughter pair had a really good relationship.

.....

Rong Yan was suspicious about why the police had arrived so quickly, but she didn't think too much about it. Perhaps the police were on duty nearby at that time.

Hence, she hailed a taxi and returned to block A of the Empire.

inside the golden tripod international, xia xuanmo reached out his hand, and the secretary immediately put the mobile phone in his hand. he dialed a number, and his lips curved into a determined smile. " I promised you three things. I've already done the first one, so shouldn't you give me some benefits? "

.....

143 My heart is tired

When they arrived at block A of the Empire, Rong Yan felt exceptionally tired today, not physically, but mentally.

Before her rebirth, no matter how much Yang Yan and Rong Jia had done, even if they wanted to suck the last drop of blood from her body, even if she knew it, she still couldn't bear to do anything to them.

because at that time, she still had a trace of kindness and naively thought that they were the closest family in the world. blood was thicker than water, and as long as she treated them sincerely, there would be a day when they would change and treat her well again.

Now that she thought about it, she was really very silly and naive. From a young age, they had been together for more than 20 years, but they had never treated her as family. Could she expect them to suddenly wake up in the future?

Don't joke around. In this world, blood relations and family ties can not become the fetters of human feelings.

After being reborn, Rong Yan finally understood this matter. Human nature was selfish, and she was the same. For herself, she could do anything and use any means. Even if Wanwan sent her biological mother to prison, she would still do it without blinking.

Rong Yan leaned against the door and stood there for half an hour before she seemed to have recovered. After changing her clothes, she went into the bathroom to take a bath.

Half an hour later, Rong Yan came out of the bathroom. Most of the fatigue on her body had disappeared. She only had a white bath towel wrapped around her body. She used one hand to dry her hair with the towel and the other hand to look at the messages Rong nuo had sent her.

[big sister, have you gone back?] Did second sister and Auntie do anything to you?

Rong Yan smiled and replied with two words-I'm fine!

Rong Yan threw her phone on the glass coffee table. She sat on the sofa and dried her hair that was still dripping with water. Suddenly, Rong Yan stopped.

She rolled her eyes twice and finally fixed her eyes on a small stone sculpture Decoration next to the TV.

Rong Yan dropped the towel in her hand, crossed the coffee table, went around the two single sofas, and came to the side of the stone sculpture. She looked at the stone sculpture with a special shape for a while and suddenly smiled strangely like a lunatic. Then, with a swish, she pulled off the bath towel on her body. In an instant, her plump and enchanting body was completely exposed.

Under the light, her delicate body was like the best white porcelain. Under the light, it presented a clear texture and was so smooth that it seemed impossible to grasp.

Rong Yan's figure was very good, and every part of Yingluo seemed to be carefully sculpted.

Rong Yan flicked her half-wet hair and threw a flirtatious look at the stone sculpture. "If you want to see this, why don't you install it in the bathroom?" "I can broadcast the whole process of the beauty coming out of the bath for you."

Rong Yan simply lay on her side on the soft floor, her slender hands slowly touching her calf. Her posture was seductive, but her eyes were unusually cold as she muttered, "Besides, if young master ya wanted to see her, he could have just told me. Why did he have to resort to such a dirty method? you're making me look like i'm particularly petty."

damn it, you dare to install a pinhole camera? if you dare to install it, i dare to kick you.

=====

wakaka, after yesterday's calm, today we're going to welcome the climax of the show ~ big sister will guarantee that you'll have a super good time watching!

Although it was tiring to write more articles during the new year, when she saw their messages and felt their support, she instantly felt like she had been injected with chicken blood and was full of energy to revive the bird ~ muah muah, my dear group!

144 If you're disappointed, you can + enter V announcement + top-up method

Damn it, you dare to install a pinhole camera? if you dare to install it, I dare to kick you.

what was there to be afraid of? who didn't know the other?

He had already rolled around a few hundred times, and he was still afraid of being seen?

She wasn't a woman from two different families who would scream and jump off a building when a man saw her chest.

If you want to see it, then see it. I will let you see it graciously. If I don't make you wish you were dead, I am not Rong Yan.

Rong Yan was very sensitive to such things as pinhole cameras. In the past, in order to help Chu wenluo obtain detailed information about his competitors, she had even personally installed such super-precise pinhole cameras.

Therefore, other people might not have noticed it, but Rong Yan's senses were surprisingly sensitive. She could quickly sense the feeling of being watched by a pair of eyes.

Rong Yan knew that it could not be anyone else who could install such a pinhole camera in Liancheng Yazhi's room in block a of the Empire. It must be Liancheng Yazhi.

Rong Yan guessed that he was probably doing this to see if his cold treatment and ignoring her had made her feel disappointed, sad, desperate, and uneasy.

However, she would have to disappoint him. She would never show her weakness in front of others.

Rong Yan's hand slowly lifted from her fingers and gently pushed her long hair away, looking like the young girl in a fresh photo. She smiled innocently and said, "Mr. Liancheng, I'm really sorry to disappoint you. Are you satisfied with what you've seen? If you're not satisfied, you can tell me and I'll change it. I'll definitely change it until you're satisfied. What do you think?"

Rong Yan moved her body and knelt sideways. She leaned back, put her hands on the blanket, and straightened her upper body, showing her neck and upper body to the pinhole camera more clearly.

Rong Yan wasn't afraid that the person she was looking at wasn't Liancheng Yazhi. She still knew this man a little.

Installing such a peeping device in a private space could possibly capture all sorts of images.

She was still Liancheng Yazhi's woman, so he would not allow his woman's body to be seen by other men.

Rong Yan could guarantee that the person sitting in front of the monitor and watching her at this moment must be Liancheng Yazhi.

Who asked him to install this in her room? since he wanted to see it so badly, she would graciously let him see it clearly and understand Bai Qingqing.

Although he is sneaky, I am not such a petty person.

Rong Yan bit her finger, her face looking like a child's confusion and ignorance, which made him want to have her even more. Mr. Liancheng, how do you want me to cooperate? It's okay, you don't have to feel embarrassed. As long as you want to see it, I'll definitely cooperate and be the greatest lover of the 21st century. How about it?"

Rong Yan acted coquettishly in front of the pinhole camera without any sense of shame, once again pushing the thickness of her skin to a new low.

It also proved to Liancheng Yazhi once again that he could never guess Rong Yan's shamelessness. No matter how much he guessed, he would never be able to measure her limit.

It was 5:45 P. M. At the moment, 15 minutes before the employees of L & C group got off work.

Secretary Zhou was hesitating whether he should go in now and tell Liancheng Yazhi about what happened when Rong Yan went to Jin Ding international.

It was almost time to get off work. If he pretended not to see the news and told his boss at work tomorrow morning, he could at least have a good sleep tonight.

If he said it, then it was possible that tonight, he would open up the boss's bombing time and then he might be blown to pieces.

===== announcement dividing line =====

Today, I'll tell you a piece of news that might not be good for you. AA trading system for rich families " is going to enter v. The time is set for this Tuesday, which is tomorrow, April 1st.

Perhaps some of the readers will have to leave after entering V. I'm really sorry, I can't accompany you to the end of this book.

Girls who really like this book and are willing to accompany October to carry out young master ya's love to the end, what I can do for you is to make it worth it. I will do my best to bring you the most beautiful story and the most touching love.

October is a professional writer, and that's how I make a living. This is my source of income.

It's just like how you earn your salary with your own labor. If there's a job that makes you work until late every day without getting a single cent at the end of the month, I don't think anyone will do it. So, please forgive me and understand.

I know that some readers will definitely be unhappy. I can already imagine the situation in the comment section on the day I enter v. It's okay. There are people scolding me even when it's free, let alone now.

However, I hope that everyone will be in a good mood after the scolding and that you can find the books you like to read.

[additional Note: This time, it's different from the previous 'V' mode. This time, it's a single order and purchased by chapter. So, you can't read the 10 yuan monthly kiss. You can only buy by chapter.]

The price of a single order was 3 cents [ingots/reading coins] for 1000 words, and 1 yuan was 100 reading coins/ingots. If he updated 300000 words a month, that would only be 9 Yuan, which was 1 yuan less than a monthly subscription.

some people would definitely say that, but bao yue could read all the books.

That's right, if it was a monthly payment, he could read all the books in the bookstore within this month. However, after this month, he would have to rush again if he wanted to read the next month.

However, if it was a single order, the first purchase would benefit him for life. He could look at it whenever he wanted to, and he didn't need to spend money to buy a second time.

Three cents for a thousand words, you'll be at a loss if you buy it. If you can't buy it, you'll be duped. You can't even afford a sweet bean!

In fact, this method was not expensive compared to a monthly payment.

[for example, if a book is updated with one million words a year, the monthly fee is 120 yuan.]

[however, it only costs 30 yuan to purchase a million words per chapter.]

[between the two, it's clear which is more cost-effective!]

[for those of you who aren't sure about the top-up method, please enter [QQ: [2799276329], big sister has posted a log, explaining various top-up strategies with pictures and texts, I hope it can help you!]

Top-up method:

[1. For example, use the mobile phone user's phone charge to top up.]

'Girls from Hebei, Fujian, Gansu, Guangxi, Hainan, Heilongjiang, Ji Lin, Liaoning, Inner Mongolia, Sichuan, Shanxi, Xinjiang, and Shanghai, send a text message' 0+ purchase quantity #QQ number 'to 1065800885656. Purchase quantity: It was a whole number between 01 and 50.

Example: if you need to use the QQ number: [123456 purchased 20 QQ coins. You can use your mobile phone to send a text message " 020 #123456 " to the corresponding number.]

[hint: don't send messages to girls who are not from the above areas!]

[2. Channel for using reading coins and Yuanbao to top up: there are Q-coins and Q-points (you can purchase them through mobile phones, recharge cards, online banking, financial services, etc.), And then exchange them with Q-coins.]

1. How to exchange? please log in to your QQ account, enter the personal center, and choose 'top up'. Remember, don't choose '10 yuan per month for membership,' choose 'book coins/ingots 'to top up. A 10-Yuan monthly VIP member would not be able to see the subsequent chapters. This way, they would spend money for nothing and wouldn't be able to see it. You must choose to buy it by chapter.

(3) you can also buy Q-coins on Taobao, which is cheaper. Then, you can exchange Q-coins for Yuanbao to read books. This seems to be more convenient. 1 yuan =100 reading coins/Yuanbao (I'm not advertising for Taobao, am I?)

(4) if you don't understand any of the above, you can click on any pay-to-read chapter, and a 'purchase prompt' will automatically pop up behind it. You can use your little hand to press the chapter to purchase 0.03 Yuan per 1000 words, and then follow the instructions step by step.

In addition, the bookstore was holding an event now. He could top up 10 yuan in reading coins at a time, and he could draw a lottery. It was said that the prizes were very rich.

After becoming a V, there would definitely be a guarantee that he would update at least 8 chapters a day, which would be twice as much as when he was free.

I'll update no less than 10 chapters on the first day of V. I'll let you guys watch it to your heart's content.

He looked at the comments. Many of them were asking why he didn't charge at the beginning but charged for the journey. All reading websites were the same. If you didn't have a certain number of words, you wouldn't be able to get it on the shelves. There was no deception in this at all. It was just like when you went to the mall to buy clothes, you had to try them on to see if they were suitable for you. And then decide to buy it?

My previous books all had more than 200000 words on the shelves. Now that I have more than 400000 words for free, I'm already at my limit!

reading is a matter of mutual consent. if you like it, you can stay and we can stay together until the end.

If you think that my book is not worth spending 9 Yuan a month on you, then let's go our separate ways after we're done scolding each other. In this era where prices are soaring, I don't know what else can I buy with nine Yuan a month?

Writing a book was a very emotional profession. The support of the readers was all the motivation for an author.

whether it's the girls who stayed or the girls who left, i'm sincerely grateful for your support.

=====

Liancheng Yazhi: " I used money to buy your body, but you used your body to buy my heart. You made me lose everything.

[baby Rong]: " so I'm actually a compensation for my mother, "

Rong Yan: " the greatest miracle in this world is the person you love, and it just so happens that he also loves you. Liancheng Yazhi, are you willing to give me this miracle? "

Liancheng Yazhi: " you have broken my heart. Why can you stay out of it and watch me suffer here alone? Rong Yan, if you can't sleep with me for the rest of your life, then you can lie in the same coffin with me.

≪ Seven >: " if you live, I'll live with you. If you die, I'll die with you. If my life ends one day, please forget me forever. I won't allow anyone to hurt you, and how can I allow you to be sad for me? "

[su 'er]: little thing, I want to be your second-hand daddy. Are you willing to be my first-hand daughter?

[Liancheng Yazhi: you are not Queen Rong Yan. You are the princess in my palm!]

145 Blasting open the door

If he said it, then it was possible that tonight, he would open up the boss's bombing time and then he might be blown to pieces.

However, just as Secretary Zhou was hesitating, there was a loud bang from the president's office. It sounded like something had been thrown on the ground.

Then, before Secretary Zhou could react, the door of the big boss's office opened with a whoosh. The big boss rushed out with a red face and flew past Secretary Zhou like a gust of wind.

Then, Secretary Zhou heard the big boss's cold voice from behind. "No one is allowed to enter my office."

Secretary Zhou swallowed his saliva. It seemed that he didn't have to worry about the problem just now, because the boss had left work early.

However, Yingluo, why did he feel a hot gust of wind when young master ya brushed past him? shouldn't it be a chilly wind?

And why didn't young master ya allow him to enter his office?

Secretary Zhou was very curious, but a good Secretary should follow the boss's instructions unconditionally.

Therefore, he couldn't go in even if he was curious.

at six o'clock in the afternoon, the staff in the secretary's office left one after another, leaving secretary zhou alone.

He was about to turn off the lights and leave when he accidentally saw the door to the president's office. He gulped. That Yueyue was just looking from the door and didn't want to go in. It should be fine, right?

Curiosity killed the cat. Secretary Zhou carefully walked to the door of the office and gently pushed the door open a crack. Then, he saw the corpse of a laptop lying on the ground.

Secretary Zhou secretly nodded. He understood-miss Rong!

=====

half an hour later, the sound of young master ya angrily smashing the door could be heard. " open the door. "

The anger that he was trying his best to suppress spread through the heavy door, and it seemed as if the entire room was instantly filled with his anger.

Rong Yan yawned.'Hmph, who asked you to give me the cold shoulder? who asked you to use such underhanded means? let's see if I can take care of you.'

Rong Yan slowly put on her pajamas and said lazily, " Mr. Liancheng, I'm already asleep. If there's anything else, let's talk about it tomorrow. I'm ready to take your second breakup fee. I hope it won't be less than the last time.

Rong Yan stood up and was about to enter the bedroom when she remembered something and turned to the door. "Oh, right. This time, tell Secretary Zhou to tell me the password when he gives me the card. Otherwise, I'll have to look for him again. It'll be so troublesome."

the sound of knocking on the door did not stop. rong yan had a cunning smile on her lips. she had even changed the password to the door. let's see how he could come in.

Five minutes later, there was a loud bang. Rong Yan was shocked and quickly smelled the smell of gunpowder.

Ever since the gunfight last time, she had become very sensitive to this kind of sound and smell.

When the smoke dispersed, Rong Yan saw Liancheng Yazhi standing outside the door in a daze with red eyes.

The small tent below the Kasaya was very eye-catching.

A dangerous aura suddenly attacked her, and Rong Yan subconsciously turned around to run. She would be a fool not to run.

Liancheng Yazhi strode up to her and carried Rong Yan on his shoulder. He slapped her butt hard. This time, he did not save any strength and Rong Yan screamed in pain.

—

[notice: please read carefully] from the next chapter onwards, please do not rush to scold anyone if you see any repeated chapters. [please] please waste a few minutes to refresh the chapters, log out of the login and clear the memory on your phone. It is not a problem with the author, but with your own phone.]

146 Chapter 146-overturning the heavens

Liancheng Yazhi strode up to her and carried Rong Yan on his shoulder. He slapped her butt hard. This time, he did not save any strength and Rong Yan screamed in pain.

Liancheng Yazhi's face was clouded with lust and anger. He said fiercely, "Hmph, you'd better save it. You'll have the time to scream later."

Rong Yan covered her eyes and wailed. This time, she was finished.

Damn it, Liancheng Yazhi is a pervert. Who would have thought that he would actually use explosives to blow up the door? moreover, the time was so fast, and the explosives were so precise.

There was no need to guess. One of the men whistling outside the door must be a demolition expert.

Liancheng Yazhi, how many f * cking secrets do you have? you dare to use explosives in the capital in broad daylight.

When Liancheng Yazhi carried Rong Yan into the bedroom, he shouted to the door, “get out of here after you install the door.

There was a young man dressed like a hip-hop teenager outside the door. He shouted at Liancheng Yazhi, ” “Young master ya, you have to control yourself. Be careful not to hurt your waist.”

Liancheng Yazhi ignored him. He didn't have the time to care about anything else.

This woman, if I don't teach her a lesson, she's going to turn the world upside down.

With a bang, the bedroom door closed tightly. Liancheng Yazhi reached out to lock the door from the inside and then threw Rong Yan onto the bed.

After Rong Yan landed on the bed, she flicked a few times, and her head was a little dizzy from the shock.

Before she could see clearly, Liancheng Yazhi had already pressed down on her. With a crack, she felt a chill on her wrist. Rong Yan quickly looked over and saw that her hands had been handcuffed by silver handcuffs.

The handcuffs were made of pure silver and looked exquisite. They were like a pair of bracelets on the wrist, making the wrist look slender and beautiful.

rong yan was disgusted. damn it, she had just come into contact with the police this afternoon, and she was already a 'prisoner' at night. what the hell was going on?

liancheng yazhi, can you not be so perverted? How long had these handcuffs been prepared?

Liancheng Yazhi had one leg on Rong Yan's waist, making her unable to move. He pinched her chin, his eyes red as if he was on the verge of exploding. He gritted his teeth and said, “You're quite capable now. You even dare to hang up on me. Weren't you very happy just now? Why aren't you saying anything now?”

Liancheng Yazhi was still glad that he could finally be calm when facing a woman like Rong Yan.

however, it had only been two days, and she had used her actions and shamelessness to successfully shatter all of his calmness and make his self-control collapse once again.

Rong Yan was scared. She swallowed quietly and said, ” “unlock the handcuffs. as long as you do, i promise to say something better than a song. you'll be able to come and go back with satisfaction.”

The moment Rong Yan opened her mouth, the words she said were like a wild horse that couldn't be controlled. All the things that should and shouldn't be said jumped out in one go.

She didn't know what was good for her, so she emphasized the last two words.

Liancheng Yazhi was so angry that he couldn't say anything for a while. He stared at her as if he was going to tear her apart.

The two of them were in a stalemate. They looked at each other, not giving in to each other.

=====

In short, the fierce sister Rong Yan didn't need to explain! (I suddenly realize that Secretary Zhou is getting cuter and cuter, don't you think so?)

147 Your call

The two of them were in a stalemate. They looked at each other, not giving in to each other.

Rong Yan knew that looking at Liancheng Yazhi's posture, he would not be able to escape tonight's torment. Now, she only hoped that it would not be like that night. Damn it, when he woke up the next day, he would be in so much pain that he would want to die.

The bedroom was filled with smoke, and none of the men outside had fixed the door.

"Brother Zhu, should we install this door or not?" someone asked the hip-hop young man.

yes, of course. But don't worry, it's definitely going to be a big one. Take your time. It's rare to hear young master ya's Affairs. This is the biggest benefit of the year.

"But why is there no sound coming from inside? is the sound insulation so good that I can't hear anything?"

that's impossible, " the hippie youngster replied without hesitation. I can hear you anyway. Just listen to me.

While they were discussing when the two of them would start, they suddenly heard the two of them quarreling inside.

Liancheng Yazhi, who asked you to install a pinhole camera in my room? didn't you install this to see me naked? I did as you wished, but you're still angry. You can't blame me for that.

"If I don't teach you a lesson today, you won't know who you are."

"I know who I am. Mr. Liancheng, am I your mistress? I'll sleep with you at any time you call. I feel that I've been doing very well."

good, you've done well. Aren't you afraid that I'm not the only one who will see it? "

"what's the big deal? if you don't care, why should i?" he said.

"Don't you dare!"

"What's wrong? looking at you, are you planning to pull up your pants and leave after you're done with it, like last time, and not care about me? Alright, if you really want to do that, then do as you please!"

Five minutes later, discordant voices began to come from the room.

rong yan's voice was soft and weak, and there was no painful scream. she seemed to be trying her best to endure something.

The hippie youngster and the other two men swallowed their saliva as they listened. f * ck f * ck f * ck f * ck, I really regret staying here to eavesdrop. You guys hurry up. F * ck, I don't want to f * ck the wall f * ck f * ck f * ck.

The three of them quickly installed the new door at an unprecedented speed. They only heaved a sigh of relief after the sound was completely isolated.

The hip-hop teenager sighed as he walked. "Young master ya is so lucky to have caught a peerless beauty. Sigh, why can't my luck be good? all you see are dinosaur girls."

=====

On the other side, at six O 'clock in the afternoon, at the entrance of the cafeteria of Qiming high school, Rong Jia stopped Rong nuo, who had come to eat with her classmates after school.

She grabbed Rong nuo and pulled her to a place with fewer people, looking at her with a ferocious face: "Rong nuo, tell me Rong Yan's address and phone number,"

Rong Jia said to Rong nuo in a commanding tone, as if she would be in trouble if she did not say anything.

Rong nuo's smile was very innocent. "second sister, what are you talking about? i don't understand. i only have an hour to eat. i have to go to class at seven. second sister, if you don't have anything else to do, don't delay my meal. "

"Stop right there!" Rong Jia grabbed Rong nuo's wrist and held it tightly. She said with hatred, "mom was taken away by the police. it's all rong yan's fault. aren't you worried at all? "

148 B * tch, you're looking for death

tell me Rong Yan's phone number and address. I'll go look for her. She's with a rich man now, and only she can save mom.

rong jia's strength was very strong, and even with the thick coat, rong nuo's wrist was still in pain.

However, Rong nuo still smiled and said,"second sister really knows how to joke. That is your mother, not my mother. Why should I be anxious?"

Rong Jia didn't expect that Rong nuo, who had always had a weak presence at home, would actually say such words. She immediately raised her hand to hit her. b * tch, you're looking for death.

Rong nuo looked at her sweetly. second sister, you have to be careful. This is a school, not outside. Don't tell me that when your hand was broken, your head was also hit? "

This sentence stabbed Rong Jia's most painful place.

The wound on her hand had not healed and was in pain all the time, reminding her that she was already disabled.

Rong Jia's eyes became crazier and crazier. The moment before she could make a move, Rong nuo pushed her away.

Suddenly, a man's voice came from behind, "Rong nuo, what are you doing here? why aren't you eating?"

Rong nuo turned around and smiled at the young man who called him. "oh, i'm here, yingluo."

I'm sorry, second sister. Our class monitor asked me to go eat. I'll be leaving first.

After she finished speaking, she took two steps back and smiled kindly at Rong Jia. In a low voice, she said, "I forgot to tell you, second sister. I'm really, really happy that Auntie was arrested. All these years, other than big sister, I really hate you and Auntie."

After she finished speaking, Rong nuo raised her voice and said in her signature sweet voice, "second sister, i'm going to eat first. you should go back soon."

However, she had only taken two steps when Rong Jia threatened, "rong nuo, if you don't tell me rong yan's address and phone number, i'll let your father go to prison to accompany my mother."

Rong nuo stopped and turned to look at Rong Jia. Her ponytail swung in an arc in the air, making the hearts of the young people passing by accelerate.

Rong nuo looked at Rong Jia for a while, and her clear and beautiful eyes looked like she was looking at an idiot.

shrugging her shoulders, she said, "i don't mind, but second sister, have you ever thought about it? without my father, you don't even have a single cent to spend. as long as you don't mind that you don't even have money to eat and do your hair, of course, i can do it."

After he finished speaking, he waved his hand and ran off.

Of course, Rong nuo had feelings for Rong shenghai, but these feelings were not very deep.

Ever since Yang Yan brought Rong Yan and Rong Jia into the Rong family, Rong shenghai had put all his attention on Yang Yan and her beloved second daughter. As for his biological daughter, as long as she had clothes and didn't starve to death, he couldn't care less.

Rong shenghai was a cowardly person. He always compromised with others.

Rong nuo knew what kind of person he was, so she had never placed her hopes on him.

however, she was not completely indifferent to the fact that rong jia had put him in prison.

That was why she had said those words.

For Rong Jia and Yang Yan, the only source of income was Rong shenghai.

Without him, they could only wait for death.

=====

At around eight o'clock in the evening, the atmosphere in the penthouse suite of block A of the Empire Building was ambiguous.

After changing their postures three times, Rong Yan and Liancheng Yazhi were already drenched in sweat.

149 Chapter 149-even sugar daddies have times of gentleness

Rong Yan and Liancheng Yazhi were already sweating profusely, and the sheets were already wet. It was very uncomfortable to lie on their bodies, but neither of them moved.

liancheng yazhi was still hugging her. the two of them were very close to each other, and they could hear each other's breathing and heartbeat. their skin was touching, and their sweat was mixed. this was supposed to be the most intimate relationship between the most intimate couple in the world.

Rong Yan pursed her lips and smiled bitterly at the thought of this. Husband and wife? These two words, which could not have been more ordinary, sounded like the most distant fantasy to her now.

After a long time, the sweat on their bodies evaporated bit by bit, and the scorching temperature of their bodies gradually subsided.

Liancheng Yazhi turned over and lay on the other side, away from Rong Yan. There was nearly a meter between the two.

Rong Yan looked at him in confusion. This time, what shocked her was that Liancheng Yazhi, who had clearly been at the edge of being unable to look good, was so gentle. He used great patience to express his goodwill to her, confusing her mind and making her lose her rationality.

he only released it when rong yan's tolerance reached its limit and she begged him for mercy. this kind of endurance and self-control made rong yan feel very frightened.

It was already very difficult for a normal man to do this.

besides, she had teased him in front of the camera, which already made him anxious, but he could still do this. it was terrifying and inhumane.

Because this time, Liancheng Yazhi was surprisingly gentle, not only was Rong Yan's body satisfied, but she also felt that she still had a little strength left.

Both her hands were still shackled. The incident just now had caused her wrists to turn red from friction, and her posture was uncomfortable.

Rong Yan, who had already calmed down, could tell that Liancheng Yazhi was probably not done yet!

Although he had rolled to the side as if he didn't want to have anything to do with her, it was hard to say what he was thinking.

The current situation showed that she still needed to work harder and continue to please Mr. Liancheng.

Rong Yan raised her head and looked at Liancheng Yazhi with adoration. "Mr. Liancheng, I didn't know you could be so gentle. You're so charming when you're gentle, I can't help but like you."

The result:

Liancheng Yazhi closed his eyes and did not speak, as if he had fallen asleep.

His skin was pure ivory white, and he lay there naked. Under the light, he was as perfect as a sculpture carved by God. He had the most perfect thing in the world. Such a man was out of reach.

After Rong Yan sighed, she pouted. Damn it, it would be strange if he could fall asleep like this. Who was Liancheng Yazhi? would he tolerate being wet and sticky and just sleep?

Yingluo was probably still waiting for her to coax him. Sometimes, this man was childish and crazy at the same time he showed off his maturity.

Rong Yan wriggled over like a worm and pressed against Liancheng Yazhi. She rested her chin on his chest and said in a low voice, " Mr. Liancheng, don't ignore me. When you don't say anything, I feel very uneasy. I'm afraid that you'll be angry. If you're angry, you can beat me up. I promise I won't complain.

Rong Yan's expression changed faster than her heart. At this moment, she was looking at Liancheng Yazhi with guilt. Her voice was low, and it sounded like she was very sincere in her apology, full of feelings.

But the expression on her face was always different from her heart.

150 at least say something

Rong Yan's expression changed faster than her heart. At this moment, she was looking at Liancheng Yazhi with guilt. Her voice was low, and it sounded like she was very sincere in her apology, full of feelings.

However, even this didn't move young master ya. His expression was exactly the same as the last time when he was angry, and he completely refused to cooperate.

I won't talk to you, and I won't tell you why. In short, I'm ignoring you.

Rong Yan had already expected this. She pouted. Last time, she had used a lot of strength to coax this master. This time, it would probably not be as easy as the last time.

rong yan took a deep breath and was prepared for a long war.

she said in a coquettish and gentle voice, “mr. liancheng, look at you. you’re like this again. can’t you not be so proud? at least say a word to me. one word is fine.”

“I’m indeed at fault this time, but you’ve done more wrong.” Rong Yan saw Liancheng Yazhi’s eyelashes move and quickly said, “don’t be anxious and don’t be angry. can you listen to me slowly?”

I know you’re going to say that you’re my sugar daddy and that I should take your money and serve you well. But, Yingluo, I know you still dote on me a lot, right? ”

Liancheng Yazhi listened with his eyes closed. Hearing Rong Yan say this, he thought to himself, ” you still know that i pamper you!

Rong Yan adjusted her posture slightly and continued, ” ” but since you dote on me, why were you so rough that day? women are different from men. when i woke up the next day, i was in so much pain that i wanted to jump off the building. i couldn’t even walk. that was the time i needed you to comfort me. but you didn’t even comfort me and asked me to go to miyin. if i really went that day, i would have died before i could even make it downstairs. you could just wait to collect my corpse. ”

Rong Yan originally wanted to tell him how pitiful she was so that she could win Liancheng Yazhi’s sympathy and stop being angry. However, as she spoke, her tone changed and it became a complaint.

By the time Rong Yan noticed it, she had already said a lot of things. She quickly shut her mouth and secretly clicked her tongue. What was this? Why did he suddenly lose control when he spoke?

rong yan stole a glance at liancheng yazhi. fortunately, this guy’s face did not look any worse. it seemed that yingluo looked even gentler than before because of the light.

Rong Yan arched her body upwards, her chin resting on Liancheng Yazhi’s shoulder as she mumbled softly in his ear, ” she called you, but you didn’t say anything and just rushed her. There was a young lady waiting on her. I was in so much pain that I wanted to die. When I heard what you said, I couldn’t control my mouth, so I did the wrong thing, Hanhan.

Rong Yan saw Liancheng Yazhi’s fingers move a little and quickly continued, ” “This is excusable, right? can you please forgive me for the sake of my good performance in the

past? Alright?" Rong Yan rubbed her chin on Liancheng Yazhi's shoulder and used all her strength to act coquettishly. Her voice was so sweet that it made her feel disgusted.

Finally, Liancheng Yazhi opened his eyes. His gaze was cold and emotionless. Rong Yan could not help but shiver and swallow her saliva. Damn it, don't look at me with such a terrifying gaze. I can't take it.

Rong Yan gritted her teeth. Even if it was terrifying, she had to endure it. She couldn't fall short of success.
