191 You're so stupid

Liancheng Yazhi's eyes softened and he gently bit Rong Yan's cheek. "You're so stupid, how are you going to live without me?"

Rong Yan's heart trembled slightly. Recently, Liancheng Yazhi had been saying things that she did not expect from time to time, shaking her cold heart, making Rong Yan really afraid that one day, the thing she wanted to happen the most would happen. She put away her strange feelings and faced the current situation. She poked Liancheng Yazhi's arm and protested, I'm not as stupid as you say. Before I got together with you, I lived on my own for so many years. It was much harder then than now, Hanhan.

Rong Yan took the initiative to talk about the past, which made Liancheng Yazhi recall the past that Rong Yan had talked about not long ago. This wiped away all the unhappiness he had for Rong Yan, leaving only a soft spot.

As he said, Rong Yan could be forgiven for any mistake she made.

=====

The dinner this time was served by the hotel staff. It was pure Chinese food.

After Rong Yan smelled the fragrance, her index finger moved. She did not care about her image at all and started to eat in big mouthfuls. After a while, she realized that Liancheng Yazhi was also sitting beside her and eating elegantly. His movements were natural and smooth, and he did the ordinary eating actions in a pleasing way.

Compared to him, Rong Yan was simply a cow chewing on a peony, unsightly.

rong yan swallowed a mouthful of beef brisket and couldn't help but sigh. damn, he was indeed a demon with deep skills.

"Didn't you already eat?" she asked Liancheng Yazhi curiously.

"Who told you that?" Liancheng Yazhi glanced at her.

Rong Yan felt that she instantly understood the truth."Ah? Don't tell me you haven't eaten yet?"

"do you also want to have dinner with me?" she asked with a smile.

Liancheng Yazhi pushed her forehead away with one finger. you're thinking too much, Yingluo.

Rong Yan bit her chopsticks and leaned over again."Am I really overthinking? Don't you have any thoughts at all? Don't be shy, I know."

Rong Yan didn't know why she really wanted to know this 'small' question, even though she didn't know what use it would be if she figured it out.

Liancheng Yazhi put down his chopsticks, picked up a napkin, and wiped the corner of his mouth. He turned to look at Rong Yan."you're full, right?"

"ah?" rong yan was stunned.

Liancheng Yazhi reached out to grab her.

Rong Yan reacted and immediately retreated. The business that the sugar daddy was talking about was her official job as a mistress-sleeping with her!

Rong Yan slipped away from Liancheng Yazhi's hand like a Loach and shouted, " "Wait, wait, wait, Yingluo, I'm not fully recovered yet. I'll eat more Yingluo, I'm really not full. Yingluo, you have to give me some energy, right? otherwise, how can I have the energy to serve you well? I know you've always been the type who has both stamina and endurance. If I faint in the middle if I'm not full, I'll definitely disappoint you."

Rong Yan's flattery made the sugar daddy feel comfortable. He stood up and pinched Rong Yan's face."You're quite clear about this. I'm going to take a shower. You eat more and remember to store up your energy."

Rong Yan pursed her lips. As expected, she couldn't think too well of Liancheng Yazhi. The better she thought of him, the faster he would break!

About ten minutes later, Rong Yan was almost done eating when Liancheng Yazhi's voice came from the bathroom. Rong Yan, I forgot to take my pajamas. Bring them to me.

.....

192 Nightmare

about ten minutes later, rong yan was almost done eating when liancheng yazhi's voice came from the bathroom. " Rong Yan, I forgot to take my pajamas. Bring them to me.

if it were someone else, he would definitely say 'bring it over for me', but liancheng yazhi, who had been in a high position for a long time, was best at giving orders. he spoke in a superior tone as if anyone in the world should serve him.

After grumbling in her heart, Rong Yan knocked on the bathroom door with Liancheng Yazhi's pajamas. "I brought it here, Yingluo."

The bathroom door opened, and Liancheng Yazhi reached out with one hand to take the pajamas.

Rong Yan turned around and was about to leave, but Liancheng Yazhi threw away his pajamas and suddenly grabbed Rong Yan's wrist, pulling her in.

don't be lazy after eating. You'll gain weight easily.

"Hey, Yingluo, my clothes are all wet, Yingluo."

"It doesn't matter, I'll have to take off my Kasaya sooner or later anyway."

wait, Qingqing, the water is so cold. Turn on the hot water. Hot water ah, Qingqing, it's winter and you're taking a cold shower. You're a pervert.

"I promise you won't say that about Yingluo soon."

After the incident, Liancheng Yazhi carried Rong Yan out and threw her into the bed. He only let her go after he had fun with her.

although they had already taken a shower when they came out of the bathroom, the two of them had been playing like children just now. they were covered in sweat again, but neither of them wanted to move.

Rong Yan leaned in Liancheng Yazhi's arms, exhausted. She said in a daze, "Playing with others is indeed a heavy physical task."

"Then you should eat more in the future, exercise your body, and train your physical strength. Otherwise, how are you going to serve me?" Liancheng Yazhi smiled. Although he knew that Rong Yan probably couldn't hear what she said, he still replied.

Liancheng Yazhi was too lazy to move now, but although his body was wet, he did not feel annoyed or annoyed. It was the first time in his life that he had hugged a woman, and after doing that, he did not wash up and went to sleep.

after meeting rong yan, liancheng yazhi's original living habits had basically been completely broken, so he didn't care about this anymore.

In the past, Liancheng Yazhi would leave within half an hour after having fun with women and would never stay for a second longer. No matter how late it was, he would never sleep in the same bed with them. However, he made an exception when he met Rong Yan.

Also, the penthouse suite of block A in Beijing was his exclusive territory. Rong Yan was the first woman who had stepped in and occupied this place for a long time.

Originally, Liancheng Yazhi wanted to let Rong Yan stay here temporarily to avoid the eyes of the assassins from the 'divine Hall'. When the matter was over, he would let her leave. However, now that the matter of the divine Hall had been resolved, he never had the thought of letting Rong Yan leave. This place had almost become Rong Yan's exclusive room, and there were traces of her in every corner of the room.

In the middle of the night, Rong Yan couldn't tell if she was in reality or in a dream. She felt that her body was very, very cold. She desperately tried to stick to the heat source beside her, but it wasn't enough. Even if she stuck to it, she was still cold. She warmed her skin, but she couldn't warm her heart that was so cold it was about to freeze to pieces.

Rong Yan seemed to have returned to the moment when she was thrown into the water. She saw Jiang nuanxia smiling and Chu wenluo smiling and teasing each other.

She struggled in the water and sank bit by bit. She desperately asked for help, but no one came to save her. She saw Rong Jia standing by the river and sneered in disdain. Then, she turned and left.

=====

It's not easy to write, cherish what you do, take home what you like, Yingluo.

193 Rong Yan, wake up

She struggled in the water and sank bit by bit. She desperately asked for help, but no one came to save her. She saw Rong Jia standing by the river and sneered in disdain. Then, she turned and left.

the cold water poured into her nose, mouth, and ears. her body was getting heavier, and her head was gradually submerged in the cold water.

In the middle of the night, Liancheng Yazhi woke up. Because Rong Yan was snuggling into his arms for some reason, her whole body was frighteningly cold and she was shivering like a corpse.

liancheng yazhi turned on the bedside lamp. when the light came on, he quickly went to see rong yan. however, he saw large beads of sweat rolling down rong yan's forehead. her hands were clenched tightly, her teeth were clenched, her brows were tightly furrowed, and her face was full of pain.

Liancheng Yazhi was shocked to see Rong Yan like this and quickly reached out to shake her. "Rongyan, rongyan, wake up, wake up, wake up, wake up, wake up, wake up, wake up!"

Rong Yan's body was as cold as ice, and even Liancheng Yazhi's hand that touched her felt so cold that she couldn't stand it.

liancheng yazhi's face was full of worry. how could a living person have such a temperature? he put his hand under rong yan's nose, but he couldn't feel any breathing at all. it made liancheng yazhi's heart tremble in fear. at that moment, a sharp pain flashed past his eyes.

"rong yan, rong yan, wake up." liancheng yazhi shook rong yan hard.

He couldn't explain the uneasiness in his heart at the moment. He didn't want to see her face at all. This side of her gave him the feeling that she might not wake up.

not long after, rong yan sat up and gasped for breath while holding her chest.

She stared blankly ahead at the familiar environment and gradually returned to reality. She was reborn. Now, no one could hurt Wanwan anymore, whether it was her heart or her body. No one could.

Seeing that Rong Yan had sat up, Liancheng Yazhi's heart finally returned to its place. He pulled Rong Yan into his arms and asked, "Rong Yan, what's wrong?"

Rong Yan's body was still very cold, so she needed Liancheng Yazhi's embrace now. She leaned into his arms and felt the warmth from his body. After her body temperature gradually rose, Rong Yan said, "I'm fine. Yingluo just had a nightmare."

ever since she had dealt with chu wenluo, rong yan had never had this dream again.

she had thought that her life had been peaceful recently and that this nightmare would not happen again. she did not expect that tonight would make her recall the feeling of death again.

what nightmare? " Liancheng Yazhi hugged Rong Yan tightly and asked, " what nightmare? "

Once again, he felt that Rong Yan had many secrets that he didn't know about. She had hidden her true self too deeply, so deep that he couldn't dig it out.

Rong Yan's mood was very heavy now. She had hidden too many things and sometimes needed to find someone to talk to, so she told Liancheng Yazhi, " " i dreamed that i was thrown into the water. they stood on the shore and smiled at me. no

matter how i cried for help, they didn't reach out to help me. they just watched me sink slowly. i thought i was dead, so i struggled with all my might, and then, i woke up. "

Liancheng Yazhi was stunned for a moment. Why was the dream Rong Yan was talking about so similar to the dreams he had in the past? was this a coincidence?

He suddenly felt a little flustered and patted Rong Yan's shoulder. don't they say that dreams are the opposite? don't be afraid if there's nothing.

He sounded a little weak when he said this. It was to comfort Rong Yan, but it also seemed like he was convincing himself.

194 Chapter 194 do something nice

He sounded a little weak when he said this. It was to comfort Rong Yan, but it also seemed like he was convincing himself.

Rong Yan smiled. what's there to be afraid of? it's just a dream. I'm not really dead.

Liancheng Yazhi was a little displeased when he heard Rong Yan say 'death'. He said, "I had a nightmare! Then we should do something nice to dispel the shadow of your nightmare."

"What wonderful thing?" Rong Yan looked up and asked it.

Liancheng Yazhi turned over and pressed him under him, his hand caressing her body. what could be better than this? "

rong yan pouted and arched her body. " mr. liancheng, can you think of anything else in your mind? "

Liancheng Yazhi thought about it seriously for a while. when facing you, it seems that ran ran can only think about this.

you f \* ck! Rong Yan was furious. Using it so frequently, she really wondered if this guy's future wife's married life would be affected.

Although Liancheng Yazhi said that he wanted to pull Rong Yan to do 'beautiful' things, he did not really put it into action.

.....

Outside the window, the cold wind was blowing, making the whole city shiver. However, the top floor of block A of the Empire was warm, and the whispers from time to time were particularly warm in the bleak winter.

This seemed to be the only night between Rong Yan and Liancheng Yazhi where they had a conversation, and the atmosphere was rare and harmonious.

However, on the other side of the city, which was the complete opposite of the luxurious block A of the Empire, was the north of the city. In the last part of the old city's renovation, after the old houses were demolished, there was a piece of land that was not built with buildings but used as a garbage dump.

in the dilapidated iron room next to the garbage dump, there was a pungent smell. the bone-piercing cold wind blew in through the gaps of the welding, making the entire iron room as cold as a freezer.

There were a few layers of cardboard boxes on the ground, and on top of them was an old quilt with cotton exposed. There was a bump on the quilt, and if one looked closely, one could see that the bump was shaking.

After ten O'clock in the evening, not even rats would come to this iron room.

At two O'clock in the morning, when most of the people in the imperial capital were asleep, there was a sudden knock on the door.

On this cold night, in this old and barren land that was as silent as death, it was particularly ear-piercing.

A woman's voice came from outside the door. Jiang nuanxia, open the door. I know what's inside. Don't play dead. I've come all the way here. Don't you want to see me? "

Ten minutes later, the bulge on the ground slowly moved, and a person came out of it. The room was dark and she couldn't see clearly. She walked to the door with a broken quilt and opened it.

As soon as the door was opened, the cold wind blew in, like a sharp knife that could cut into people's bones.

There was a figure standing outside. Suddenly, a beam of light lit up in her hand. She raised her hand and illuminated the two of them.

Jiang nuanxia, wrapped in a torn quilt, looked Haggard. Her clothes were so dirty that the color could not be seen. Her hair was as messy as withered grass. She had not washed it for a long time, and there was a pungent smell coming from her body.

Her numb eyes, which had been tortured by life, looked at the person opposite her and sneered. "Rong Jia? why are you still looking for me? I can't give you a single cent now."

[ young master ya and sister Rong Yan's warm time is coming to an end temporarily.

195 Used to her presence

Her numb eyes, which had been tortured by life, looked at the person opposite her and sneered. "Rong Jia? Why are you still looking for me? I can't give you a single cent now."

That's right, it was Rong Jia. She was wearing a short black down jacket and a pair of knee-high boots. Compared to Jiang nuanxia's unkempt appearance, she looked much better.

Ever since Jiang nuanxia was chased out of miyin, she could no longer make a living by selling her body. She was also beaten up by Feng nongtang's men and had to lie in bed for a month before she could move to the ground. She could not find a job to wash dishes and had no money to leave the city. In the end, she could only make a living by picking up garbage.

standing in front of jiang nuanxia, rong jia finally felt a sense of satisfaction and accomplishment.

rong jia covered her nose with her other hand and looked disdainfully at jiang nuanxia's metal room, which was worse than a toilet. she said arrogantly, "Don't worry, I'm not here to ask for money. As long as you help me with something, I'll give you a large sum of money after it's done."

Jiang nuanxia's eyes lit up at the mention of money. what is it? how much? "

it's not difficult. I can't say how much I'll give you now, but I can guarantee you that it'll be more than what you get in a month at miyin.

Jiang nuanxia had been pushed to the point where it was difficult for her to even survive. Sometimes, she couldn't even afford to have a meal. Sometimes, she even had to fight for food with stray dogs. She had forgotten how long it had been since she had taken a bath. Such a life was like hell. It was worse than death. There were many times when Jiang nuanxia wanted to commit suicide, but she didn't have the courage to do so, so she could only struggle to live on.

Now, even if she was asked to kill someone, she would do it as long as she was paid. She was about to go crazy.

Rong Jia nodded in satisfaction. very good. As long as you help me with this, I will never use that matter to threaten you again. We are even.

"What's the matter?" Jiang nuanxia asked.

don't ask me what it is now. You'll know soon enough. Come with me now.

in the cold night, rong jia led jiang nuanxia out of the iron room.

=====

The next morning, the winter sun shone through the window. Liancheng Yazhi woke up and saw Rong Yan's sweet sleeping face the moment he opened his eyes.

He was stunned for a moment and soon remembered that they had started chatting after Rong Yan woke up from her nightmare last night.

For the first time, Liancheng Yazhi felt that chatting with a woman could not be boring. Later, he fell asleep while chatting.

When he woke up and saw Rong Yan in his arms, Liancheng Yazhi suddenly realized that he was used to hugging her when he was sleeping. He was used to teasing her presence. This was really more terrifying than an assassination.

in liancheng yazhi's frightening silence, rong yan woke up. she was very energetic as soon as she woke up. she didn't know what liancheng yazhi was thinking at the moment. he raised his head and kissed her chin. " good morning, jie. " then, rong yan got out of bed and ran to the bathroom to wash up.

Liancheng Yazhi sat up and looked at Rong Yan's back with a strange gaze.

After a while, he got out of bed and got dressed. When Rong Yan came out, he said to her, " I have something to do at the company today, so I might not be able to come back. You can eat by yourself, don't wait for me.

196 She won't teach me the wrong things

After a while, he got out of bed and got dressed. When Rong Yan came out, he said to her, " I have something to do at the company today, so I might not be able to come back. You can eat by yourself, don't wait for me.

Rong Yan nodded. yes, okay, Yingluo. I'll go and order breakfast. Do you want to eat together? "

no need. There's an important meeting at the company today. You can have breakfast by yourself.

Rong Yan shrugged. alright then. You can go and work hard. I'll just squander the money you've worked hard to earn.

lian Cheng yazhi curled his lips and walked over to kiss Rong Yan on the forehead. "I'm leaving."

"Bye-bye, Yingluo."

As the door closed, the smile on Rong Yan's face instantly disappeared. She was a very sensitive person, and the moment she woke up, Lian Cheng Yazhi gave her a strange feeling. Although he tried his best to hide it, the indifference he exuded could not be hidden.

He didn't know why she looked like this. Perhaps it was the so-called "when things reach an extreme, they will turn against each other." After the warm and loving communication last night, there could be two situations. One was that they would become more intimate, and the other was that they would slowly drift away.

Perhaps, Lian Cheng Yazhi's bet was the latter.

After that day, Lian Cheng Yazhi didn't come to block A for two days in a row. When he wasn't coming, Rong Yan tidied up her mood. When Lian Cheng Yazhi wasn't coming, she actually hoped that he would come. However, when he didn't come, at most, it would make her feel a little lonely. As for being sad, it wouldn't be that bad, right?

Rong Yan told herself this, but only she understood her true feelings.

It was only a matter of time before she and Lian Cheng Yazhi ended. Rong Yan had always been ready to leave at any time.

She didn't want to leave anything behind when she left.

On the third day since Lian Cheng Yazhi had not returned, Rong Yan called Rong Nuo again after she woke up.

"Xiao Nuo, you're on leave this week, aren't you?"

"Yes, there are only two days left."

Rong Yan combed her hair as she said, "Come out at noon if you have time. I'll buy some things for you to take back. Just treat it as a New Year gift for our family."

Although Rong Yan had no feelings for the Rong family, Rong Nuo was still there, and Rong Shenghai had given her a stable life. She could still do such a small thing as sending some New Year's goods.

Rong Nuo seemed to hesitate for a while before saying, "En, okay. I haven't seen you in a long time. I also want to see you."

“Okay, it’s a deal then. Come to the café we met at after school. I’ll wait for you there.”

“Okay, I know. Goodbye, big sister.”

“goodbye, yingluo.”

After hanging up the phone, Rong nuo muttered to herself, “I’m going to see my sister this afternoon. I’m not asking her for money. It’s just a gift for the new year. I can’t possibly refuse it.”

After hesitating for a while, Rong nuo dialed a number that was not saved in the phone.

the call went through quickly. ” you’ve learned how to call me. do you miss me? ”

The man’s voice sounded a little tired, but there was a deep laugh in it. He seemed to be quite happy that she was calling him at this time.

rong nuo’s face flashed. ” no, my yueyue has something to do after school at noon. i’m going to see my big sister yueyue. ”

“Rong Yan? Baby, you’ve forgotten what I said.”

The voice on the phone suddenly became cold, and Rong nuo’s hand holding the phone began to tremble. She held back her trembling and said, ” she’s my elder sister, how can I not keep in touch with her? besides, I, Yingluo, am not going to get money. She just bought some new year goods for me to bring to my father. And Yingluo, my elder sister is very good, she won’t teach me bad things.

197 Chapter 197 Rong Yan was in an accident

“She’s my big sister, how can I not keep in touch with her? besides, I, Hanhan, didn’t go to get money. She just bought some New Year’s goods for me to bring to my father. Also, Hanhan encouraged me. My big sister is very good, she won’t teach me the wrong things.”

Rong Yan was the most important person in Rong nuo’s heart. No matter how afraid he was of that person, he would not allow him to say anything bad about Rong Yan.

A sarcastic voice came from the phone. tsk, you’ve learned how to talk back. I don’t need to guess. Your eyes must be red again.

“i’m yingying!”

“Go, but you have to remember what I said.”

Rong nuo heaved a sigh of relief. yes, I remember that I won't take eldest sister's money again. I won't listen to anything she teaches me.

"Be good. You must appear in front of me before 9 pm."

"Yes, I didn't forget."

After hanging up the phone, Rong nuo threw away her phone and covered her face. Such days were like a rope around her neck, making it difficult for her to breathe.

she could be weak, but she couldn't escape huanhuan.

After a while, Rong nuo put down her hand, and a touch of coldness slid across her beautiful and tender face. Big sister is right, anyone can let you suffer, but you can't let yourself suffer.

She had to learn how to protect herself.

=====

at 11:40 in the afternoon, the bell rang, and rong nuo was the first to run out of the classroom. however, just as she stepped out of the school gate, she was stopped by an unfamiliar woman.

The other party was a scarily thin woman with a sallow complexion, like a woman who had just come out of a refugee camp. There was a black mole by the side of her mouth, making her sallow face look a little charming. Her eye sockets were deep, her cheekbones were prominent, and her eyes were dull, which made people feel very uncomfortable. She asked Rong nuo, "Are you Rong Yan's younger sister, Rong nuo?"

Rong nuo nodded in confusion, "what's wrong with me?" You know my big sister?"

the thin woman said, " yes, i do. rong yan was in a car accident and there's no one around her. she said that you're her only family member, so i came to ask you to visit her. "

Rong nuo was so shocked that she almost fainted. what, my sister was in a car accident, and she just called me this morning? "

The skinny woman said, " this happened an hour ago. His left leg is broken. There's no danger for now. He's being treated at the Third People's Hospital.

The woman explained the car accident, the sadness, and the hospital in one sentence. It sounded completely true.

“No, I need to call my sister to confirm.” Although Rong nuo was still a child, she was scared out of her wits when she heard this kind of thing. However, she was smart. Her first reaction when she encountered something was not to trust strangers easily.

The skinny woman’s eyes flashed with anxiety. She quickly said, rongyan has lost a lot of blood now. She has type B blood, but the hospital’s blood bank currently has this type of blood. She said that she has the same blood type as you, so you’d better hurry over and give her a blood transfusion now. Call me when you’re in the car.

No matter how smart Rong nuo was, she was still a little girl who was scared when she heard this. then, Yingluo, quickly take me there. Quickly, Yingluo.

The thin woman took Rong Jia to the car, but as soon as they got in the car, a hand holding a handkerchief covered their nose and mouth. Rong nuo immediately realized that something was wrong and struggled.

---

[ I’m adding one more post today. Is it because today’s plot wasn’t exciting enough? it’s okay, I’m going to release the big bomb tomorrow. Wahahaha, look forward to it. ]

198 Chapter 198 kidnapped!

The thin woman took Rong Jia to the car, but as soon as they got in the car, someone covered their nose with a handkerchief. Rong nuo immediately realized that something was wrong and struggled.

However, the medicine on the handkerchief was so strong that she soon lost consciousness.

Before losing consciousness, Rong nuo thought of two things.

First, kidnapping? That woman must have lied to her. It was good that her sister was fine.

Second, she couldn’t go back before 9 pm. If that person didn’t see her, she didn’t know what crazy things he would do. Yingluo would probably come to find her.

After an unknown amount of time, Rong nuo woke up. She felt that her head was in extreme pain, and her neck could not support her head. Rong nuo knew that this was because the drug had not completely dissipated. She shook her head hard and bit the tip of her tongue to force herself to wake up quickly.

The stimulation of pain caused Rong nuo’s brain to quickly wake up under the anesthesia.

the vision in front of her became clearer, and rong nuo could see the surrounding scene clearly. there was a light bulb on top of her head that was not very bright. rong nuo looked around. this should be a warehouse. she could smell a rotten smell in between her breaths. this should be a warehouse that had been abandoned for many years.

Rong nuo's wrist felt a burst of pain. She struggled for a while, only to find that she was tied to the chair and could not move at all.

With a clang, the door of the warehouse was suddenly pushed open. The afterglow of the setting sun shone in from outside, and two people came in.

With the rhythmic sound of high heels, Rong nuo slowly saw the person who came in.

the woman walking behind was scarily thin. her face was sallow and emaciated, and there was a black mole by the side of her mouth. it was the woman who had tricked her into getting into the car.

The woman walking in front was fashionably dressed, with heavy makeup and a loathsome smile on her face. Seeing her, Rong nuo was stunned for a moment and subconsciously whispered, "Second sister, Qianqian."

The person who came in was Rong Jia. After seeing her, Rong nuo's dazed mind gradually pieced together the answer.

No wonder that skinny woman knew her sister's blood type, and also knew her blood type. It must have been Rong Jia who told her.

If the person who kidnapped her was Rong Jia, then the answer was obvious. Rong Jia's goal must be her eldest sister, Rong Yan.

Rong Jia must have thought that her elder sister cared about her, so if she captured her and threatened her, she would be able to force her out.

Rong nuo's heart suddenly felt a shock that the human heart could be so sinister. She really did not expect that Rong Jia would be crazy to this extent. She was crazy, really crazy.

rong nuo had always thought that rong jia was the kind of person who would do things that would harm others for her own benefit.

No matter how bad she was, she shouldn't be so bold as to break the law. But now, the facts told her that Rong Jia had not only done it, but she had done it without any guilt or shame.

Rong nuo recalled what Rong Yan had told her before. When you were at a disadvantage, no matter how bad the situation was, you must let the other party think that you had victory in your hands.

Rong nuo raised her head slightly and smiled. so it's second sister. I was wondering who it was to use such a special way to meet me. It made me feel as if my status had suddenly risen a lot, to the point that even such a high-end thing as kidnapping could be found by me. Don't you think so, second sister? Is there anything I can help you with, second sister?"

=====

199 Forcing Rong Yan to appear

rong jia was stunned for a moment. she had planned to see rong nuo cry in fear after waking up and beg her to let her go. she did not expect that rong nuo was not surprised or afraid at all. instead, she was in the mood to tell her that rong nuo was small. looking at rong nuo like this, for a moment, she seemed to see rong yan's shadow.

the hatred in rong jia's heart instantly emerged. she took two steps forward. " can't i find you for no reason? yingluo, you're my sister after all. although i can't give you money as often as big sister, i still care about you."

Rong nuo laughed out loud when she heard that, and said with an innocent face,"Second sister, let's not say this kind of joke. You and I have been together for so many years, who doesn't know the other? Second sister is really too much, if she wanted to see me, she could have just called me and I would have come over. Why did she have to go through so much trouble?"

Rong Jia shook her head with a look of regret. sigh, I don't want to put in so much effort, but our eldest sister is a rich person now. Rich people are arrogant. If I don't put in some effort, how could I have invited her over? "

rong nuo chuckled. " it seems that second sister's brain is getting worse and worse. if you want to find eldest sister, then go find her. what do you want me to do? "

"Xiao nuo, you're so smart. Don't ask when you already know the answer," Rong Jia said.

"Our eldest sister is now a master who doesn't recognize anyone. She is vicious and merciless. How would I dare to rashly go to her? I'm already very afraid of losing two fingers. I don't want to lose my leg as well. However, you are different, Zhenzhen."

Rong Jia bent down and touched Rong nuo's face, a sinister smile on her lips. since young, in the Rong family, she has only treated you the best. She has treated you as

her own stepsister. I don't believe that she will just watch you get into trouble. Tsk tsk tsk, a seventeen-year-old girl can have too many things happen to her.

Rong nuo couldn't help but shiver. Such a crazy Rong Jia had completely lost her mind. A lunatic would do anything that was devoid of conscience.

Rong nuo began to feel afraid. The woman behind Rong Jia was as thin as a ghost. She was looking at her as if she was looking at a piece of raw meat, thinking about how to cut her into pieces.

Rong nuo forced herself to calm down and said, second sister, you've also said that big sister doesn't recognize anyone. Especially now, she's completely different from before. She could even heartlessly send Auntie to prison without even blinking an eye. That's her biological mother. Do you think she would really come to fan Xian for me, a sister who has no blood relationship with her? ”

Rong Jia suddenly pinched Rong nuo's chin. Hmph, in her eyes, you are more important than her biological mother and sister. Otherwise, she would not have only contacted you when she has money.

maybe in eldest sister's heart, but the premise is that I'm not in danger of her personal safety. We don't talk bad about each other. The only thing we have in common is that we're both hard-hearted and selfish. So, second sister, I advise you to think twice before you do anything. It's fine if you kidnap me. After all, we're sisters, so I won't call the police. However, if this matter angers eldest sister and she doesn't care about my safety and insists on calling the police, then I won't be the one in trouble for Qianqian.

After Rong nuo finished speaking, a hint of hesitation flashed across Rong Jia's face.

However, a thin, sinister-looking woman suddenly walked over and said something to Rong nuo. The hesitation on her face instantly disappeared.

=====

200 Rong Jia, you lunatic

However, a thin, sinister-looking woman suddenly walked over and said something to Rong nuo. The hesitation on her face instantly disappeared, and she looked at Rong nuo with a cold smile. that's right, you're right, but I want to see what position you, Rong nuo, hold in Qianqian's heart. Now that things have come to this, we'll talk about it after we're done.

Rong nuo gritted his teeth. What did that thin woman say? this made rong jia's thoughts firm.

Rong Jia stood up straight and clapped her hands. Four beggars in ragged clothes walked in from outside the warehouse. All of them had a foul smell, and their clothes were so dirty that the color could not be seen. Their eyes were cloudy and dull. When they occasionally rolled their eyes, they gave people a sense of fear from the bottom of their hearts.

When Rong nuo saw them, the uneasiness in his heart surged up like a tide.

Rong Jia touched Rong nuo's face and smiled. if our good big sister doesn't care about you, then Zhenzhen and these men are all here to serve you. Second sister doesn't treat you worse than big sister does, right? "

Rong nuo's pupils suddenly contracted. The teenage girl could no longer suppress the anger and fear in her heart, and she shouted sternly, "Rong Jia, you're crazy, Yingluo!"

Rong Jia touched her broken finger and laughed."crazy? yingluo is right, i'm a lunatic now."

=====

At 12 o'clock in the afternoon, Rong Yan went to the coffee shop and waited there for a full two hours, but Rong nuo still did not come. Rong Yan was worried and called Rong nuo, but no one picked up his phone at first, and then he turned it off.

This time, Rong Yan was even more worried. Rong nuo was a very sensible child. If she could not come, he would definitely inform her and would never let her wait here alone for too long.

In the past, no matter what time it was, even if it was in class, as long as she called, Rong nuo would pick up even if she ran out of the classroom.

now it seemed that rong nuo was most likely in trouble.

rong yan's heart was so anxious that it was like fire. she immediately stood up. the first place she thought of was to go to rong nuo's school to take a look.

Just as she walked out of the coffee shop, her phone rang. Rong Yan thought it was Rong nuo and quickly took it out, but to her disappointment, the caller ID was not Rong nuo but Secretary Zhou.

Rong Yan was anxious and picked up the phone in frustration. what's the matter, Secretary Zhou? "

As she spoke on the phone, she waved for a taxi and said to the driver in a low voice, "teacher, let's go to Kiming high school.

“miss rong, i'll pick you up at 7:30 this evening. young master ya is going to take you to a party to clean the house,” secretary zhou said gently and politely.

Rong Yan felt even more irritated when she heard the words ‘young master ya’. They had not contacted each other for three days, and she had to be there whenever he called. She was really at his beck and call.

Rong Yan said unhappily, ” I have something urgent to attend to now. I might not be able to go back at 7:30. Ask him to find another one.

After saying that, Rong Yan hung up the phone and urged the driver, ” “Master, please hurry up.”

Secretary Zhou looked at the phone and swallowed his saliva. Was miss Rong going crazy?

He thought to himself, ”see, what did young master ya ask you to be so arrogant for? you obviously wanted to die, but you didn't contact her for three days. Now, miss Rong is angry. You want to see her, but she doesn't want to see you.”
