

Pampered By My Mr. Lawyer (Benjamin and Madelyn)

Chapter 23 Daniel, How Will You Compensate

Chapter 23 Daniel, How Will You Compensate?

Madelyn woke up early in the morning.

Beside her pillow was a delicate square velvet box.

Madelyn was so surprised and opened it.

Inside was a dazzling diamond ring. It was Tiffany's classic model, with a visible carat weight.

Madelyn guessed who gave it to her.

She found it ironic.

Daniel had forced her into a dead end, almost causing her to be raped, yet he still had the audacity to send her a diamond ring!

Just as she was about to ask a nurse to return it to him, the door opened.

Daniel walked in and saw Madelyn looking at the ring. He spoke in a rare gentle tone, "You're awake? Do you like it?"

Madelyn closed the box and smiled faintly. "I do."

"What woman doesn't like diamonds?" Daniel said.

"But Daniel, I don't want your things." Madelyn replied.

...

Madelyn thought she would feel disgusted and angry when she saw his face again, but she was surprisingly calm, as if he were a stranger.

Maybe after despair, she didn't love him anymore!

Daniel looked down and said softly, "Madelyn, this is my compensation to you. Nothing more."

Madelyn raised her head and held back tears. "Compensation? How can you compensate me? If you truly feel sorry for me, let my father go! I'll leave Gredax with my parents immediately and never appear in front of you again, nor will I stand in your way! Daniel, please, I beg of you. Can you do that?"

But Daniel couldn't do it!

He put his hands in his pockets and stood up straight. "Let's talk again when you've thought it through."

Madelyn couldn't hold back any longer. She threw the diamond ring at him with all her strength.

"Daniel, get out!"

The hard little box scraped Daniel's forehead and left a thin cut...

But he didn't care.

He bent down to pick up the small box and put it in his pocket. One day, he would personally put this diamond ring on Madelyn's finger and make her willingly become his woman.

"This was an accident." He said.

Madelyn closed her eyes and told him to leave!

Daniel wanted to say more, but the door to the ward opened again.

It was Benjamin.

He was dressed very elegantly today, wearing a black and white classic suit, with a snow-white shirt ironed flat, making his handsome face even more attractive!

The atmosphere in the ward was subtle, but Benjamin acted as if he had not noticed.

He nodded slightly at Daniel and walked to Madelyn's bedside, taking out a payment slip from his pocket.

"Ms. Green, your medical bill is a total of 22,600... Can you transfer it to me on WeChat?" Benjamin asked.

Madelyn had not yet calmed down, and Benjamin took her phone from her.

He leaned against her bed and scanned the QR code to add her on WeChat.

"Ms. Green, you're really poor. You only have 18,000?"

Madelyn's face turned red with embarrassment.

Benjamin said seriously, "You still owe 4,600. How about you play golf with me another day, and you don't have to give 4600 to me."

Madelyn looked up at him.

Her chestnut waist-length hair hung softly, looking delicate and soft all over.

She placed her hand on Benjamin's arm and whispered, "I can play with you now."

Benjamin glanced at her and then at Daniel. He smiled ambiguously and said, "Daniel, why don't you give us some space? Ms. Green can't do it with you here!"

His imposing manner was enough to make Daniel feel pressured.

Daniel clenched the velvet box tightly, and his knuckles turned white before he managed to force a smile. "I won't disturb you!"

He opened the door and left without looking back!

The door closed, and Madelyn used up all her strength to lean against the bed and murmured, "Mr. Clark, thank you!"

Benjamin put down her phone and asked teasingly, "Didn't you say you would play with me?"

Madelyn looked up unexpectedly and said, "No... Mr. Clark, I was just cooperating with you earlier."

Benjamin stared at her with his deep black eyes, showing no emotion.

With his good looks and the way he was staring at her, any woman would feel something...

Madelyn felt her body tremble slightly as a woman's consciousness slowly awakened.
