

Pampered By My Mr. Lawyer (Benjamin and Madelyn)

Chapter 24 Thank Me for What Kissing You

Chapter 24 Thank Me for What? Kissing You?

Benjamin leaned down.

Instead of directly kissing her, he held Madelyn's face in his hand, and the slightly rough fingertips lightly scraped her delicate cheeks. Then, her hair was held, and he gently stroked and kneaded it.

Such slowness was the most torturous.

Madelyn had never experienced this before, and she couldn't bear to moan softly, "Benjamin!"

...

"Don't call me Mr. Clark anymore?"

His straight nose pressed against hers. They were so close, and their breaths mixed together. Benjamin could kiss her at any moment.

Madelyn clutched his shirt tightly, her heart beating rapidly... she wanted to close her eyes.

But Benjamin didn't allow it. He lightly tugged at her long hair and spoke in a hoarse voice, "Madelyn, open your eyes and watch us kiss."

It was the first time he had called her by her name, and for some reason, Madelyn was turned on intensely.

She opened her eyes, her lips trembling slightly, and slowly pressed them against his.

Benjamin suddenly hugged her tightly.

They were in a hospital room, and they both felt something special... What started as a light kiss gradually became more intense!

Benjamin couldn't control himself anymore. He whispered, "Madelyn, are you sure?"

Madelyn had a brief moment of having a clear head.

She instinctively wanted to push Benjamin away, but she thought that her emotional investment over the past few years had been a joke. Her chastity had no meaning at all. With this in mind, Madelyn actively offered up her lips.

In a daze... she even felt a sense of revenge!

Benjamin ended the kiss.

His pride as a man wouldn't allow him to continue, so he let go of Madelyn and leaned to the side to straighten out his messy shirt. He saw her desire from her face and spoke in a flat tone, "Ms. Green, you're already injured like this. Calm down!"

Madelyn was completely awake now, feeling embarrassed and ashamed!

Benjamin didn't let her continue to feel embarrassed. He took out a snow-white cigarette from his pocket and played with it between his fingers.

After a while, he suddenly spoke, "You must be curious why I didn't stop Eloise from getting engaged to Daniel, given his character."

Madelyn waited for Benjamin to continue speaking.

Benjamin snapped the cigarette in half and said in a little annoyed tone, "Half a year ago, Eloise attempted suicide by cutting her wrists to be with Daniel."

Madelyn was stunned. She had never known this before.

Looking back at Benjamin, she spoke with a trembling voice, "Mr. Clark, I understand now! I promise not to provoke Ms. Clark... Consider it my repayment to you."

Benjamin said nothing.

He was speechless!

Clearly he just explained the situation, but Madelyn interpret it that way. With Benjamin's temperament, he wouldn't say much more. He just glanced deeply at her and spoke lightly, "How did someone as stupid as you become a teacher? No wonder you were fooled by a man!"

After he finished, he left directly.

Madelyn remained stunned.

She took out her phone to transfer a few thousand from her bank card to her WeChat balance, but when she looked at her phone, she was stunned.

Not only did Benjamin not transfer her 18,000 dollars, he also transferred an additional 100 thousand dollars to her.

Madelyn looked at the chat record with Benjamin's name and felt indescribable feelings in her heart. Except for the relationship of Eloise, Benjamin had been really good to her, although he was occasionally sarcastic.

She hesitated for a moment, then sent a message.

"Mr. Clark, thank you."

As soon as Benjamin sat in the car, he received Madelyn's message and saw that she hadn't accepted the transfer.

He thought for a moment and sent her several messages in a row.

"Thank me for what? Kissing you?"

"If you feel bad about accepting the 10,000 dollars, Ms. Green. You can accompany me to play ten rounds of golf."

"If that doesn't work, how about coming to my house and staying up all night to look at cases together?"

...

Madelyn received the messages.

Her face was hot, and she wasn't naive enough to take them literally.

It was hard to tell that Benjamin could be so bad and wild!

Madelyn was about to transfer the full 22,600 dollars to him when she received another message from him.

"Please accept it! Consider it my apology on behalf of Eloise."

Madelyn looked at the message quietly for a long time... She suddenly felt a little envious of Eloise.
