Fu Hengyi naturally knows that Grandma is discharged from the hospital. After all, he went to Shenjia during the daytime, but at that time, Shen Qingyu was not at home.

‘Fu Shao....Is there something to find me today?’ Seeing Fu Hengyi for a long time does not say the purpose of looking for himself, Shen Qingyi does not want to guess his guess, ask directly.

Fu Hengyi flashed a slap in his eyes, but it was calm and calm. ‘You are the sister of Junxi. You haven’t seen it for so many years. I will return to the army in a few days, so I want to leave before I want to leave. You have a meal.’

Shen Qingyi obviously does not believe the other party’s reasons, but she is not the bottom-up person, Fu Hengyi is not willing to say, she will not continue to ask.

As it happens, the two of them just came out of the restaurant after eating, and they met Han Han on the side. He stood next to a woman with a stature, a red dress, a enchanting exquisite, a woman holding Han Han’s hand, intimate .

‘You...’ Han Yu looked at Fu Hengyi and Shen Qingyi who were together. I was surprised. When were the two people together?

A few days ago, someone vowed not to eat the tender grass, but it was still in sight. In a few days, I took the young grass into my nest.

Shen Qing's face is quiet, it seems that everything in the outside world can't make waves on her face.

'Put up the things in your mind.' Fu Hengyi's tone is cool, his brother, as long as one glance, Fu Hengyi knows what Han Hao is thinking.

Han Wei, 'Qing Qing sister, we have seen before, maybe you don't know me, introduce yourself, my name is Han Wei, a good friend of Fu Hengyi, and a good friend of your brother.'

Han Han reached out and smiled at the gentleman's face. There was no lightness in the eyes of the peach blossoms. Even the name of 'Qing Qing sister' came out of his mouth without a trace of teasing.

Shen Qingyi reached out and shook it with the other side, and immediately touched it, 'Mr. Han.'

Fu Hengyi looked at the hands of the two men, and the eyebrows were slightly twisted, but they quickly loosened.

Han Han raised his eyebrows. This little girl from Shen's family is really an iceberg beauty. When she sees herself like this, she can still be calm and self-satisfied. Oh, no, it is disregard.

When Master Han Da is curious, he is a little discouraged. Is his beauty falling?

'We still have things, go first.' Fu Hengyi pulled up Shen Qing's wrist and went straight out of the restaurant.

Han Han raised his eyebrows and looked at the backs of the two people.

‘Where will I go, will the school still go home?’ Fu Hengyi asked.

‘Go home.’ Shen Qingyi is as simple as ever.

Fu Hengyi’s car stopped in front of Shen’s door and he did not get off.

‘Thank you.’ Shen Qingyi faintly opened his mouth and reached out to unlock the seat belt.

‘Wait.’ Fu Hengyi stopped her. ‘Is my number saved?’

Shen Qingyu looked at him doubtfully.

‘You can call me if you have something. After all, you are my sister.’ Fu Hengyi explained.

‘it is good.’

This time Fu Hengyi did not stop, watching Shen Qingyi walk into the courtyard of his villa, Fu Hengyi stepped on the gas.

‘Clear.’ A sweet female voice sounded behind her.

Shen Qingzhen lived and turned around. He saw Shen Xizhen’s figure turning out from the side of the side. Looking at her, his face was complicated. ‘It’s Fu Hengyi who just sent you back.’

‘How is it?’ Shen Qing’s light is light.

‘How come you are with him?’ Shen Xiyi asked, under the night, his hands clenched.

Shen Qingyi looked up and down Shen Xiyi, and there was always a touch of fun in the light eyebrows. The original person that Shen Xiyi liked was Fu Hengyi.

‘Do you have anything to do with you?’

‘Shen Qingyi.’ Shen Xi’s anger, related to his sweetheart, how can she not be nervous, Fu Hengyi is not close to female color, know him for so many years, never seen him with whom the opposite sex, I first met, this person turned out to be Shen Qingyi, this person who has taken away all of himself.

Without understanding the relationship between Shen Qingyi and Fu Hengyi, Shen Xizhen is not at ease.

‘What is your relationship with him? Why should he send you back?’ Shen Xiyi whispered, she did not dare to speak loudly, afraid of being noticed by people in the house.

‘No matter what relationship I have with him, I have nothing to do with you.’ Shen Qingyi faintly opened his mouth, but the words of Yan Qi, who was exporting, changed his face on the spot.

‘Shen Qingyi, I warn you, no matter what you think about him, this person is not what you can think about, you better give me a little away from him.’ Shen Xiyi approached Shen Qingyi, whispered a warning.

It’s just Shen Qing’s who is afraid of Shen Xi’s warning. She looks at Shen Xi’s, just like watching a clown who is jumping. ‘Shen Xi, what is your name?’ ? The tail is rising and cool.

The two men are directly arrogant.

‘What are your sisters doing here?’ Chu Yunrong’s voice came from the door, and Shen Xi was shocked. He only recovered his gentleness in an instant and looked at the door of the villa.

‘I just went out for a walk and just saw my sister coming back. I haven’t seen my sister for so long. I have been busy these days, so I will talk to my sister for a few days.’ Shen Xiyi smiled and looked at Shen Qingyi’s gaze like a Miss my sister’s good sister.

‘The yard is dark, there is something to talk about, come in quickly.’ Chu Yunrong did not doubt Shen Xiyi’s words. ‘Now it is June, but it is still a bit cold at night, don’t catch a cold outside, especially Hey, you are going to perform soon, if you have a cold, you are in trouble.’

Chu Yunrong broken and thought.

Shen Xixiao smiled and stepped forward, holding Chu Yunrong’s arm, resting her head on her shoulder, spoiled, ‘Mom, I am in good health, where is it so easy to get sick.’ The mother and daughter are intimate.

In the gap between talking to Chu Yunrong, I did not forget to give Shen Qingyi a provocative look.

Yu Guang saw her daughter still standing in the yard. Chu Yunrong just wanted to greet her daughter to come in. But she had not opened her mouth and was taken away by Shen Xi. ‘For my mother, my custom evening dress is here. You can help me. Not suitable.’

Chu Yunrong was pulled by Shen Xiyi, and instantly forgot Shen Qingyi, who was still standing in the yard, and followed Shen Xi into the house.

When Fu Hengyi entered the door of Fu's house, he saw Fu's father with his hands on his hips and stood walking around the door. He occasionally cast a look at the gate. When he saw him, his eyes immediately lit up, but he was dissatisfied in an instant.

'Bad boy, why did you come back so early?'

Fu Hengyi looked at him inexplicably. 'It's already nine o'clock in the evening, is it early?'

Early, why not early, Fu's father can't help his grandson to return to the night, so that he can hug his great-grandchildren as soon as possible.

'Are you not eating with the hoe?'

'I will be back when I finish eating.'

Father Fu was angry and stared at him, as if Fu Hengyi had done something that could not be done.
