Father Fu's plan

Shen Qingyi has always sent Father Fu to the gate of the compound.

"Taro, thank you, thank you very much. If you are not you today, the old man will lose his hair when he is shameful." Father Fu looked at Shen Qingyi and smiled.

"Old people, you don't have to be so polite, anyway, I have to go home." Shen Qing's voice is light, Fu Laozi only thought that she was modest, and did not think deeply about the meaning of Shen Qing's words.

It was not until Shen Qingyi entered the gate of the compound with him, and the guard at the door did not stop, and Fu's father returned to taste.

"Shantou, do you live here too?"

Shen Qingyi nodded. "Father, where do you live? I will send you home."

Father Fu looked at Shen Qing's beautiful face. I don't remember that there is such a person among the people who live here. Is it the relative of the family who lives here?

"Shantou, where is your family living?" Father Fu did not answer.

Later, Master Fu knew that Shen Qingyi was the granddaughter who had recovered from his old friend's family.

Father Fu also lived in the courtyard. Shen Qingyi returned to Shen's family three years ago. It is impossible for Master Fu to be ignorant. It was just a few years that Fu's father was in poor health and went to the South for recuperation. He just returned last week. Beijing.

Knowing that Shen Qingyi is the granddaughter of his old friend Shen, the father of Fu has a little more love for Shen Qingyi. This also contains a bit of pity. When he was a child, he really loved this little girl.

Then, Father Fu gradually discovered that Shen Qingyi not only surpassed the calmness of his peers, but also learned a lot of knowledge. Everyone knows everything. Whether it is Fu's father who is looking for her to play chess or exchanges the taste of painting and calligraphy, she can handle it freely. Discussing current affairs politics with her, she can also speak one or two, and she is low-key and modest. She is not enthusiastic about the elderly, but she is absolutely respectful.

And Shen Qingyi is very patient, even if Fu is always repenting, she is not annoyed.

Father Fu has no granddaughter, only one grandson and one grandson. The first time he met with Shen Qingyi, the impression was very good. The longer he stayed, the deeper he loved Shen Qingyi.

At the beginning, Father Fu did not intend to think of Shen Qingyi and Fu Hengyi together. After that, Shen

Qingyi had just passed his 18th birthday, and Fu Hengyi had not yet reached 30. Although he wanted to hold his great-grandchildren, he would not go barely. grandson.

Year after year, in the blink of an eye, three years have passed. The grandson is still fascinated by the troops. He is not at all concerned about his marriage. At that time, the young girl's little girl grew up and grew into a beautiful woman. .

It's just that the temperament of the body is getting colder and colder. The Shen family's affairs, Fu's father also knows that Chu Yunrong's thoughts can't be understood, but he has no position to blame. He is more pampered by Shen Qing's.

One day a year ago, Father Fu went to play chess with Shen Qingyi. Somehow, I thought of the single grandson who has been so far. I think about the appearance of my grandson, and look at Shen Qingyi, who is contemplating the opposite, and Fu's eyes. Bright, an idea emerged from the heart, and since then it has become unmanageable, and the more I want to praise this idea.

So Fu's father didn't even play chess. He rushed back to the room and called Shen's father. He said his plan. Who knows that Shen's father immediately hanged the phone and yelled at him's "infatuation".

Then, Shen Qingyi was called home by his grandfather, and he had not seen Father Fu for several months.

Father Fu also knows that his idea is a bit shameless. After all, the girls are still flowering, and this is the old bacon in their own home. In order not to continue to

annoy Shen's father, he will not mention this in front of Shen's father.

It's just that the heart is secretly planning to let the grandson chase after the grandson comes back. When the time comes, the old man is willing, and the old man is unwilling and unable.

But the day is not a wish, Fu Hengyi was particularly busy that year, even the New Year did not come back, this time if it is not their own illness, the designated stinky boy will not come back.

Thinking of this, Master Fu, a man with his hands on his hips, turned around in his own room, and hated his grandson for not arguing.

Fu Hengyi did not pay attention to the little temper of Fu Laozi. This vacation was not his intention. The troops were selecting new people. At this time, at the most critical time, he should not be absent, but he was seriously ill by his father. I lied back.

Originally, he still didn't know why Fu Laozi lied to him. Now, most of them are the little girl who is Shen.

Thinking of the unparalleled but cold person, Fu Hengyi hangs a smile that he has not noticed.

However, what he said to Shen Qingxi tonight is true. It is certain that Fu's father is in good health. He plans to return to the army the day after tomorrow. He will not know when he will return.

Thinking of the troops, Fu Hengyi thought that the training plan had not been completed yet. He simply said

that he was free now, and he first wrote out the training plan. In this way, he went straight to the study.

Poor Fu father still waited for Fu Hengyi to admit his mistakes in the room, and then went to pick up Shen Qingyi.

Fu Laozi left and waited for Fu Hengyi, and finally knew that the grandson was really not planning to swear.

How can this be? Qing Shantou is a woman who is optimistic about her grandmother. She must not let others go. Don't think that he doesn't know. There are many people who are licking the girl. Last time he went to school to find her, he also saw A male student gave Shen Qingyi a flower confession. Although Shen Qingyi did not accept it, who knows if there will be another one. If he is chased away by others, he really has no place to cry.

Thinking of this, there is a plan in the heart of Father Fu...

The next day, there was news in the capital that it was Fu's choice of a grandson, and the news came out and immediately bombed the entire capital, stirring up the spring water of a pool of unmarried girls.

What kind of people is Fu Jiana, that is the giant in the giants, the power in the power, is the people who Beijing women want to marry.

Fu Hengyi is the most outstanding heir of Fu's generation. The 31-year-old major general, this is the only thing that allows the big ticket girl to smash his head in order to

marry Fu, not to mention Fu Hengyi. The deputy is more eye-catching than the star.

Just not waiting for the girls to act, another news came out. It is said that Fu has chosen the candidate for the grandson of the sun. This person is the girl of Shen's family. For a time, the pieces of the **** in the capital can be seen everywhere. The selected Shen family girl was defined by the girl in the capital to seduce Fu's "Fox."
