

PAMPERING 301

Chapter 301: Sorry to make things difficult for you (1)

Fu ning walked in front of them with a glass of champagne and greeted them. "President Bo, President Xie."

As most of the power in Bo Qi's family's company was still in his father's hands, everyone liked to add a "little" to his name to distinguish him from his father.

Xie tingxi and Bo Qi both nodded slightly as a form of greeting. After all, this was a public event, and she was still a woman.

Only Mo Shen's white and cold features did not show any emotion. His gaze stayed on her face for three seconds before moving away.

Fu ning was used to it. It was not that she had not taken any action in the past year, attending all the public events in Mo City, trying to create a chance encounter.

It was a pity that Mo Shenbai was used to living in seclusion and rarely participated in any public activities. Even when he occasionally participated in activities, he was surrounded by people, so she had no chance to get close.

"President Mo, the An Sheng group is very sincere in investing in Mo City. I wonder if you can give us a chance?"

Mo Shen's long white eyelashes fluttered as he said in a calm tone, "What does it have to do with the Mo Corporation whether the Ansheng group invests in Mo City or not?"

Fu ning deliberately looked surprised. "I thought that you wouldn't want to see the Ansheng group come to Mo City because of Second Aunt. I've judged a gentleman with my own yardstick. I'll punish myself with a drink!"

He raised his glass and drank it all.

Xie tingxi and Bo Qi looked at each other. This woman knew that Mo Shenbai and Bai Ying had a bad relationship, but she still mentioned it in public and let everyone know.

In the future, if the Ansheng group wanted to enter Mo City, Mo Shenbai would be the subject of gossip if he tried to stop them.

This woman was really not simple.

Mo Shenbai narrowed his eyes and turned around to leave.

Fu ning spoke again. "My second aunt fell sick after you left that night."

Mo Shenbai didn't seem to hear it, and he didn't even stop.

What did that woman's death have to do with him?

Fu ning's brows twitched slightly. Looking at his tall and proud figure, something flashed in his eyes.

It seemed that the relationship between the mother and son was really bad!

Bo Qi followed closely behind mo shenbai, but Xie tingxi glanced at Fu ning before he turned around.

“I’ll give miss Fu a piece of advice,”

“What?” Fu ning retracted her gaze and looked at the seemingly gentle and harmless man in front of her.

“Mo City is not city H. President Fu can’t protect you.”

After Xie tingxi finished speaking, he nodded slightly and turned around to keep up with their pace.

Fu ning’s eyes darkened. Looking at their backs, the corners of his lips curled up into a cold smile.

Xu Youyou was eating, but Qin Siyu reminded her softly, so she saw Fu ning talking to mo shenbai.

Why was it her again?

Mo shenbai walked to Xu Youyou’s side, his gaze falling on the dessert in her hand.

“Delicious?”

Xu Youyou nodded and generously shared the rest with him.

Mo shenbai took it in front of everyone and ate the rest of her food without a change in expression.

Everyone saw this and was stunned.

This was mo shenbai! He was actually eating the leftovers ...

Mrs. Mo’s charm was too strong!

Bo Qi’s gaze was fixed on the man beside Qin Siyu. He looked rather old, probably in his forties. His eyes were piercingly cold, and his face was expressionless, like a man with facial paralysis.

Why did her taste drop so much all of! sudden!

What’s so good about being an old man!

Was he as rich as he was?

Qin Siyu glanced at him, seeing through his dirty thoughts. She deliberately wrapped her arm around the man’s arm. “let’s go over there, Hany. ”

The man’s brows furrowed so tightly that it seemed as if they could squash a fly. “hmm, ” he replied with a few words.

Bo Qi looked at her beautiful back and was so angry that he almost crushed his teeth.

Xu Youyou looked at mo shenbai and asked in a low voice, “You know that woman?”

“I don’t.”

“But you just talked to her.”

Mo shenbai glanced at her. "are you jealous?"

Xu Youyou secretly pinched his waist.

His muscles are so hard, I can't pinch them

"I met her when I went to eat before. She seemed to be hostile to me!"

Mo shenbai's movements paused. "you met her?"

Xu Youyou nodded. "I only remembered later that Zhiyun and I had met in the mall before. It was the time when she Tattletale to you.

"Did she make things difficult for you?" Mo shenbai's eyes darkened.

Why are all the people related to that woman like this? they're like haunting ghosts and annoying!

It was so annoying that it made him angry.

Xu Youyou shook her head. "I didn't succeed. You've always helped me get back at them."

Mo shenbai heaved a sigh of relief. "in the future, if anyone makes things difficult for you, tell me immediately!"

If she were to suffer any grievances in Mo City, then it would be a dereliction of duty on his part as her husband.

"I know!" Xu Youyou agreed obediently.

Xie tingxi squatted down and used a handkerchief to wipe Xie Yumu's mouth. "don't eat too much dessert. Be careful of your teeth rotting."

Xie Yumu rebelliously replied, "it's none of your business!"

Xie tingxi was already used to his bad attitude, so he said in a light voice, "I can leave you alone, but don't mess with me when you go to the dentist."

The last four words carried a hint of warning.

Xie Yumu snorted and turned his head. He would do anything Xie tingxi didn't want him to do.

He wanted to eat the things that Xie tingxi didn't allow him to eat. He even did the exact opposite of what Xie tingxi said. He wanted to see him angry and furious.

He didn't know if Xie tingxi didn't care or if he had a good temper, but he had never lost his temper at him.

Xu Youyou patted his little head. "alright! I won't eat anymore. I'll go to Godma's house later and make you other delicious food."

Xie Yumu obediently agreed. "okay, I'll listen to Godma."

Xie tingxi didn't get angry. Instead, he looked at Xu Youyou gratefully.

Xu Youyou didn't do this for Xie tingxi, so she didn't accept his favor.

She did this for sister Youwei, hoping that she would be at ease in the netherworld and not worry about Mumu.

Qin Siyu went to the washroom to touch up her makeup. As soon as she came out, a hand reached out from the side and grabbed her arm.

Before he could even make a sound, he was already dragged into the safety passage.

Bo Qi held her arm and pressed her against the wall between him and her, his eyes dark. "who is that man?"

The tense voice asked coldly.

Qin Siyu raised her head and glanced at him indifferently. "does it have anything to do with you?"

"Qin Siyu!" Bo Qi's voice could not help but rise. Looking at the clothes on her body, his expression darkened. "look at what you've become now."

"What do they look like?" She retorted.

Bo Qi pursed his lips and did not answer, but he was saying in his heart: He didn't choose what he ate when he was hungry, and he didn't know how to behave!

Even if he did not say it, Qin Siyu would know.

"seducing an old man, your behavior is promiscuous, and you have no shame." Qin Siyu's Red lips opened slightly, and her smile spread, but it did not reach the bottom of her eyes.

"I've always been this kind of woman. Little President Bo, didn't you already know that?"

Her fair fingers gently slid down his cheek, and she raised her head to blow a breath of air into his ear.

"Or is it that President little Bo doesn't like that pure and innocent thing anymore? Do you want a change of taste?"

Her charming voice was charming.
