

PAMPERING 311

Chapter 311: Get lost (1)

To a painter, her hands were more precious than her life, but she used her shoulders and arms to hit the door.

Could it be that mo shenbai was more important than her hands?

Xu Youyou's throat seemed to be blocked, and she couldn't say a word. Her eyes were filled with tears, and she pried his hand away stubbornly, wanting to continue hitting the door.

At this moment, she couldn't care less about her dreams or arms. All she knew was that da Bai was inside.

She wanted to protect Great White and bring him home!

If anything happened to da Bai, she would regret it for the rest of her life.

Fu Jianchen's eyes reddened. Envy, jealousy, and hatred flashed in his eyes. He really wanted to turn around and leave.

What did that person's matter have to do with him?

It wasn't his fault!

It would be even better if they got a divorce, then she would have a chance!

However, Yingluo

Her weak body was reflected in his eyes, slender and stubborn.

She was willing to give up everything for mo shenbai, as if she was willing to give up her life.

Fu Ning and Bai Ying looked on coldly, without any sympathy or pity.

On the contrary, they liked to see Xu Youyou's helpless and painful look.

Her arm was in excruciating pain and her face was drenched in sweat, but Xu Youyou was still unwilling to give up. She could not give up.

If even he had to give up on da Bai, what was he supposed to do?

With this thought in mind, Xu Youyou used all her strength to hit the door with her shoulders and arms.

Fu Jianchen couldn't stand it anymore. He grabbed her arm and pulled her away.

"Let me go!"

Xu Youyou choked as soon as she opened her mouth, and the tears in her eyes finally fell.

He was really useless.

It was too useless.

Fu Jianchen frowned and gritted his teeth. "Stay here and don't get in the way."

Xu Youyou was stunned. When she raised her tearful eyes to look at him, he had already raised his foot and kicked the door hard.

He used a lot of strength, and the door started to shake.

Fu Ning's eyes tightened, and she turned to look at Bai Ying.

Bai Ying's expression was embarrassed and she scolded, "Ah Chen, what are you doing?" Stop!"

Fu Jianchen acted as if he didn't hear her and kicked the door again and again.

Bai Ying saw that he was disobedient and went forward to pull him.

Xu Youyou came to her senses. She bent down, picked up the stick on the ground, and pointed it at Bai Ying. I dare you to come over!

Fu Jianchen was helping her to save da Bai, so she couldn't let Bai Ying stop Fu Jianchen.

"Ah Chen, you'll get your father and I killed if you do this!" Bai Ying was intimidated by Xu Youyou and glared at her son's back in disappointment.

Fu Jianchen paused and turned back to look at her, then at the nervous Fu Ning.

Xu Youyou thought he was going back on his word, but before she could say anything, his cold voice rang in her ears.

"I'm trying to save you and dad!"

He didn't know what had happened back then, but he knew that if anything happened to Mo Shenbai today, not only his parents, but the entire Fu family would be in trouble!

The Mo Corporation was no longer what it used to be, it was not something they could go against!

Before Bai Ying could say anything, Fu Jianchen kicked the door hard again.

The door opened with a bang.

Xu Youyou turned her head and looked at the open door. She didn't look at Fu Jianchen, but rushed into the room.

She even bumped into Fu Jianchen.

Fu Jianchen's body staggered. He held onto the wall and barely stood up. His right leg was in severe pain.

But it was far from the pain in his heart when he saw her running towards Mo Shenbai.

In the room, Mo Shenbai was lying on the bed with his hands and feet cuffed to the bed. His clothes were drenched, his face was pale, and his dark eyes were bloodshot. Because of his struggle, the skin of his hands had been broken by the handcuffs, and his blood stained the white bed sheet red.

The three women standing by the bed were wearing revealing clothes, and their faces were embarrassed and complicated.

There was a camera at the end of the bed.

What they wanted to do was self-evident.

Xu Youyou almost rushed over and pushed them away with unprecedented strength. Like an old hen protecting its chicks, she stood in front of mo shenbai and shouted at them, " "Get lost! Get lost!"

Mo shenbai's Scarlet eyes were full of ruthlessness and coldness. He looked up at her delicate back, and the ruthlessness in his eyes gradually disappeared.

The three women looked at each other and then saw the man standing at the door. They realized something and grabbed their clothes and bags to leave.

Xu Youyou turned around, took off her clothes, and draped them over mo shenbai, wrapping him tightly.

His coat had been taken off, and his white shirt was soaked, sticking to his skin and revealing his well-balanced skin. In addition, his wet hair was hanging down softly. He looked sick and dejected, but he was sexy and attractive.

Great White ... she couldn't stop her tears from falling. I'm sorry I'm late ...

If only he had come earlier.

Mo shenbai raised his hand to wipe away the tears on her cheeks. His voice was hoarse. it's not late. I knew you would come to save me.

Xu Youyou sniffled and saw the handcuffs on his wrists. She turned her head and glared at Bai Ying angrily. the key!

Bai Ying turned her head coldly and did not say anything.

Xu Youyou stood up, ready to fight her.

"The key is in the hands of those women." Mo shenbai's hoarse voice was weak.

Xu Youyou was speechless.

Mo shenbai's sharp eyes first looked at Fu jianchen, who was standing at the door, and then at Bai Ying. His pale face looked as if it was covered in white frost, cold and terrifying.

Xu Youyou seemed to have realized something. She bit her lip and whispered, " "She said that she's your mother."

Mo Shen's thick, fan-like eyelashes trembled slightly, and his eyes were filled with desolation. from a biological point of view, she didn't lie to you.

Xu Youyou's eyes widened in disbelief.

If Bai Ying was really da Bai's mother, then wouldn't he and Fu jianchen ...

“The biggest mistake I’ve made in my life was giving birth to you,” When Bai Ying heard his words, she was filled with anger and disdain.

“You shut up!” Xu Youyou turned around and yelled at her before covering Great White’s ears with both hands. don’t listen to her nonsense! Da Bai is great, it’s their fault!”

“Ha!” Bai Ying sneered, “ what do you know? Do you think he truly loves you? How naive! Do you know Yingluo?”

Mo shenbai’s eyes suddenly tightened. Before she could finish her words, Xu Jialu’s frivolous tone came from the door.

“Yo! So many people, it’s very lively!”

Not only Xu Jialu, but Bo Qi, Xie tingxi, and even PEI Chuan and cangming were here.

brother ... when Xu Youyou saw Xu Jialu walking into the room, her eyes suddenly turned red. For a moment, she was happy and aggrieved.

“Why are you crying? Silly girl!” Xu Jialu furrowed his brows and glanced indifferently at mo shenbai, whose clothes were in a mess. your man is not fine, but his chastity is still there.

“They’re all bullying Great White!” Xu Youyou’s brows were tightly furrowed and her teary eyes were filled with sadness.

Xu Jialu’s thin lips twitched. confinement play, miss Fu has such a special taste!

He turned to look at Fu ning, his eyes turning cold.
