

Chapter 332: Little auntie's happiness (1)

Xu Youyou was silent, her clear eyes gradually filled with confusion.

She had always thought that her relationship with da Bai was a matter between the two of them. She had never considered the fact that he was the head of the mo family and the person in charge of the mo Corporation.

His world was not that simple. On the contrary, it was very complicated.

Mo qinghuan had brought her to this place not because he didn't like her or because he wanted to break her up with mo shenbai, but because he wanted her to see the circle clearly and see where she was going to stand in the future.

The so-called Cinderella marrying a prince Charming was just a fairy tale. Since ancient times, there had been a reason and practical significance for families of equal social status.

If she thought that marrying mo shenbai was a matter between the two of them and that she didn't have to consider the external environment, she would be naive.

mo shenbai doesn't need to expand his business empire through marriage, but his wife can't be a weak and easily bullied little white rabbit who can even do the simplest social interactions!

Mo qinghuan took a sip of the champagne and smiled faintly. every woman here today has a good family background. Although the status of the husband's family is important, the most important thing is that they are all independent individuals. Do you understand? ”

Xu Youyou's thick eyelashes trembled slightly as she nodded slowly.

Xu Youyou didn't want to go back to the canvass lunar restaurant, so mo qinghuan booked a room for her to stay in.

Xu Youyou stayed in the hotel for two days, but mo shenbai did not contact her.

Mo qinghuan booked three meals for her, and the waiter sent her to her room directly, along with a change of clothes and daily necessities.

These two days, mo qinghuan didn't stay idle. In the day, she asked Mrs. Bo to go to the SPA. At night, she asked the young hunks to go to the movies. They had a warm night.

On the morning of the third day, the police called Xu Youyou and asked her to go to the police station to identify the person.

Xu Youyou knocked on mo qinghuan's door and saw the neatly dressed puppy walk out.

The cute little puppy even smiled at her and gave mo qinghuan a flying kiss before leaving reluctantly.

“.....”

As mo qinghuan drank the water, she skillfully blocked the little puppy's WeChat and said casually, "What is it?"

I'm going to the police station. I want to go back after that. thank you for taking care of me these past two days," Xu Youyou replied softly.

Mo qinghuan wasn't surprised at all. She nodded, "It just so happens that I'm also going to change hotels."

"Are you not comfortable here?" Xu Youyou asked, puzzled.

"The hotel is so comfortable that I'm tired of it." Mo qinghuan's brows furrowed slightly, and a trace of irritation flashed across her cold eyes.

The cute little puppy had good physical strength, but he was too clingy. He would bombard her with dozens of WeChat messages every day. At her age, he didn't have that much desire to talk about it, and he was too lazy to waste time.

Xu Youyou was speechless.

I'll never be able to experience little aunt's happiness in this life.

Mo qinghuan returned to her room and changed her clothes. She took out her car keys and said, "Let's go, I'll send you there."

Xu Youyou was about to decline when she heard her cold voice. I can avoid that clingy woman.

Xu Youyou was left speechless.

Why did these words sound a little unscrupulous?

At the police station.

Xu Youyou successfully recognized brother Tiger and ah Bao among the group of suspects.

The police were able to arrest the man so quickly thanks to the two portraits drawn by Xu Youyou, which were exactly the same as the kidnappers.

In the face of the police's praise, Xu Youyou politely thanked them and then watched ah Bao and brother Tiger be taken out of the interrogation room by the police.

Ah Bao stared at her gloomily. If it wasn't for this little girl, they wouldn't have been caught!

When brother Tiger looked at her, his expression was calm and his eyes were like a pool of stagnant water. It was as if he had already expected this day to come, and there was no resentment.

After they left, Xu Youyou couldn't help but ask the police officer beside her, "will they be sentenced for a long time?"

"They were previously involved in a murder case, and with the kidnapping, they won't get off lightly." The police officer answered concisely.

Xu Youyou had wanted to say that brother Tiger did not hurt her, but when she heard that they had killed someone, she swallowed the words that were on the tip of her tongue.

by the way, the police from LAN city caught them this time. They also praised your portrait. The police sent her to the door, and a man in a gray t-shirt and army green pants happened to walk towards her.

Her facial features were exquisite, her brows were cold, her lips were thin and red, and she exuded a sense of nobility from her bones.

“Captain Gu,” The police took the initiative to greet him.

The man stopped in his tracks. His gaze lingered on Xu Youyou for three seconds before moving away. is this the victim who drew the portraits of the two suspects? ”

The police officer nodded and introduced, ” she’s the victim, Xu Youyou. This is Captain Gu. He’s the one who arrested the two suspects in LAN city! He also cracked a transnational criminal organization, and he’s the pride of our police force.”

Gu xiuci glanced at him and smiled, ” don’t flatter me. It’s the two portraits that were drawn well.

Xu Youyou said thank you out of courtesy.

Gu xiuci gave the police a look. I have a few words to say to Mrs. Mo in private.

“Alright, then you guys continue chatting. I’ll be busy.” The police officer was very observant, so he turned around and went in.

Xu Youyou’s eyes flashed with surprise. How did he know she was Mrs. Mo?

although this case is not under LAN city’s jurisdiction, I was the one who caught the suspect. I brought him here personally and I’ve read the case file. Gu xiuci’s concise and comprehensive answer solved her doubts.

Xu Youyou didn’t know what he wanted to say to her, so she just gave a simple ” Oh ” and kept quiet.

Gu xiuci put his hands in his pockets and looked relaxed. He said casually, ” I heard that you were the one who sent the text message to the police. You were wearing a tracking device when the incident happened. That’s why the police were able to find the location of the kidnappers so quickly and rescue you.

Xu Youyou’s heart skipped a beat, but she maintained a smile on her delicate face and nodded.

logically speaking, the kidnapper kidnapped you in an instant. How did you manage to come up with a police report so quickly and even successfully send it out? ” Gu xiuci asked in a calm voice. There was even a smile on his face, but his dark eyes were probing for a moment.

Xu Youyou’s hands slowly clenched by her sides, her nails digging into her palms. She forced herself to remain calm and answered him.

“I used to read mystery novels, and I’m a little ...”

Before she could finish, Gu xiuci interrupted, " Mrs. Mo, don't try to fool me with the mystery novel. If I believed you, I wouldn't be standing here right now.

Xu Youyou was panicking, but she didn't show it on her face. She blinked innocently. but it's the truth.

No matter what he suspected, as long as she refused to admit it, he would be helpless without evidence.

"I don't have any other intentions." Gu xiuci was silent for a moment before he said in a low voice, " I just want to know, how did you know that you would be kidnapped in advance?"

officer Gu, if you have any questions and want to interrogate my wife, please apply for a summoning order first.

A deep and cold voice came from the side of the road.
