Cao Shiyu walked to Chen Su's side, looked at this scene, and whispered, "This woman is really shameless. Even the vast majority of people are intimate with men. Although they are fiancés, let's pay attention to it."

Chen Su withdrew his gaze and said lightly, "They are unmarried couples, and they are justified."

"What's wrong with unmarried couples? In ancient times, such behavior between husband and wife was called vulgar, Chen Su, not I said you, you are too passive, if you look at others, if you take the initiative, Shen Junyu will be yours, What about this woman."

There was a glimmer of light in Chen Su's eyes, and I have to say that Cao Shiyu's words were in her heart. Sometimes she was thinking, if she can take the initiative, is it not the case now.

"If you want me to say that you have come here at your own initiative, it's your chance to get married." Cao Shiyu suddenly lowered his voice. "If you really want to win Shen Junyu, I can help you."

Chen Su glanced at her, "How do you want to help me?"

Cao Shiyu smiled, "I can't tell me for the time being, I want to make sure with you one thing, can you pay anything for Shen Junyu?"

Chen Suding looked at her fixedly, "You speak clearly."

Cao Shiyu saw that she couldn't turn around and was a little speechless. She pulled her into the corner and whispered, "As long as you cooperate with me, I promise you can take Shen Junyu tonight. Shen Junyu is a very responsible person. If you really do, he and Wen Xiyao will definitely not have a show. By then, you will wait to marry. It's Shen's wife to be a rich man."

Chen Su's complexion changed, and Cao Shiyu saw it, and continued, "I can remind you that it's not difficult for you to snatch Shen Junyu openly and honestly. I believe you have seen it, and he doesn't like it at all. You, I don't want to attack you either. Wen Xiyao is indeed younger and more beautiful than you, and his family is better than you. Or is he the general manager of Xinhe International, what do you

compare with others?"

"I know my method is shameless, but it works."

Chen Su said, "In doing so, Shen Junyu will definitely abandon me. Even if he marries him, he can only get the name of a grandmother of the Shen family, a nominal marriage, what is the meaning of me?"

Cao Shiyu looked at her like a fool, "Sister, how old are you and still believe in love, I don't believe that your love for Shen Junyu is really so pure, I ask you, if Shen Junyu is not the eldest son of the Shen family, The president of Junlan Group, do you still miss him so much?"

Chen Su's expression was stiff, and Cao Shiyu saw it, and immediately understood that everyone is the same person, and continued, "And the thing of feelings can be cultivated, as long as you marry him, you will have time in the future, you dedicate you He's sincere and treats him wholeheartedly, and he can turn a blind eye to your efforts. If your luck is good enough this time, conceive a child and look at the child's face, your relationship will not be too rigid, man Well, if you value your feelings more, can you still value your children?"

"That's how you were with your husband?" Su Su asked suddenly.

The smile on Cao Shiyu's face stiffened, and he smiled, "This is about your business. What did you say to me? My husband and I naturally got married because we fell in love. You know, I am a picky person."

Although this is said, Chen Su is quite sure that Cao Shiyu and her husband are like this.

Chen Su was unsure, and she was a bit perturbed by what Cao Shiyu said, but her upbringing and the education she had been receiving were telling her that it was wrong to do so. If she did so, Shen Junyu would definitely be disgusted.

Seeing her hesitation, Cao Shiyu continued to work hard, "Now Shen Junyu doesn't like you, even because the woman is still deliberately hiding from you, your result will not be worse than now, right?"

Chen Su's eyes changed slightly, yeah, now Shen Junyu doesn't like her either, if she doesn't do it, the result is not all the same, she won't like it. I could only watch Shen Junyu marry another woman.

"How can you help me, or what can I do to cope with you?" Chen Su said with a dumb voice.

Cao Shiyu's eyes flashed a light, lowering his voice, "I have nothing on my body now, wait for me, I'll make a call, and someone will send me, then I will find a way to let Shen Junyu eat it, you must seize the opportunity If I were preempted by another woman, then I would really not be able to help you."

Chen Su held his hands tightly and stared at Shen Junyu. When he saw Wen Xiyao talking and smiling, he finally nodded, "Okay."

Cao Shiyu smiled slightly, took out his mobile phone and went out, and came back after a while, "Something is on the way, but Chen Su, look at me to help you, if you really marry the Shen family in the future, can Can't..."

Chen Su immediately understood, "Relax, if I can really marry Shen Junyu, I will help you with your husband's affairs."

Cao Shiyu immediately smiled, "Chen Su, you just wait and stay with Shen Junyu."

On the other side, Shen Qinglan and Yu Xiaoxuan chatted for a while, to see that the time was almost up, they went to Fu Hengyi, who was playing mahjong with Han Yi and others.

Han Yi's expression was annoyed. Obviously he lost. When he saw Shen Qinglan coming in, he quickly stood up. "Sister-in-law, I'm going to the bathroom. You will take my place for a while."

"I said Han Yi, you don't have to lose and run, it's still not a man." Gu Yang shouted, he has a good luck tonight and hasn't played it.

Han Yi is not fooled by him. "There are three anxious people who don't know. Little sister-in-law, you helped me fight. We won the two of us evenly and lost the money."

Shen Qinglan was pressed into the chair by Han Yi, and then the person ran away. Gu Yang glanced at the back of Han Yi's departure. "This Han Yi lost the point and ran away. This is not enough."

Jiang Chenxi smiled and said, "Well, it's not much, it's just one million."

Gu Yang shut up suddenly. Since he arrived in the army, he has lost his monthly pocket money. He has nothing but the thousands of subsidies given by the army. It can be said that it is the poorest of the few people present, one million, which is already an astronomical figure for him now.

Fu Hengyi pushed the chips in front of Shen Qinglan, "My wife, these are the pocket money that I will give you tonight."

Shen Qinglan glanced, oh, there are still a lot of them. It is estimated that 75% of Han Yi's losses tonight are here in Fu Hengyi.

"No, I can't let the younger sister-in-law replace Han Yi. If the younger sister-in-law is playing, isn't it a big deal for my elder brother to feed the cards, then what else do we have." Gu Yang shouted.

This statement was endorsed by several other people. The husband and wife joined forces together, and the others only gave money.

"I won't fight, let Gu Kai do it for me." Shen Qinglan took the initiative to stand up and said. She took a chair and sat next to Fu Hengyi with a wait-and-see gesture.

"Yes, Gu Kailai." Gu Yang agreed.

Gu Kai had no opinion and sat down in the position where Shen Qinglan had just been.

The poker game started again. Yu Xiaoxuan came in with Han Yi. After seeing this scene, he yelled, "The other company's annual meeting, you several are hiding here to play mahjong."

Jiang Chenxi had already met Yu Xiaoxuan, and he was not unfamiliar. He spoke a lot more casually. "Jun Yu is enough to greet the outside. We are here to fight soy sauce." The main purpose of is to take advantage of this opportunity to gather together.

Han Yi did not go up again after he came in. He also followed Shen Qinglan's example and took a chair to sit and watch. Yu Xiaoxuan stood beside him.

"Brother, did you say that you are counting cards again?" After losing two games, Gu Yang wowed.

Fu Hengyi's expression remained unchanged, and he said lightly, "You can also count."

Gu Yang heard the words and threw the mahjong, "No longer playing, you will count cards, where have we played you."

"Gu Yang, after losing two games, he will run, is it a man?" Han Yi sent Gu Yang's words back to him.

Gu Yang hehe, "You are a man, how did you run?" The eyeball turned, and her eyes stayed on Xiao Xuan's body for a moment, hehe smiled, "Xiao Xuan, will you play?"

Yu Xiaoxuan nodded subconsciously, "A little bit."

Gu Yang looked to Fu Hengyi, "Brother, will Xiao Xuan play two games?"

Fu Hengyi didn't care. It was entertainment. After seeing Shen Qinglan, Shen Qinglan helped him push the wheelchair aside.

Gu Yang took Yu Xiaoxuan to sit down, "Come, you sit here, play a few games with us."

Yu Xiaoxuan waved his hand, "I don't play, you play too much, I don't dare." He said he wanted to stand up.

Gu Yang held her and held back, "You have no money, Han Yi has money, even if you lose 100 million tonight, Han Yi promises not to blink your eyes, don't believe you ask him."

Han Yi smiled, Peach Blossom's eyes were crystal clear, "Just play if you want, your husband, I have money, it doesn't matter if I lose it, I can earn it back."

Yu Xiaoxuan still doesn't want to play, she is not very good at playing mahjong, just like she said, she really only knows a little bit.

Han Yi grabbed her hand and sat beside her, "I'm not afraid, I'm here, play with confidence."

"Xiao Xuan, just entertain, don't be so serious." Shen Qinglan said.

Everyone said that, and then it seemed hypocritical. Yu Xiaoxuan sat down and picked up Mahjong.

The masters are no longer playing, Gu Yang is finally satisfied, and sit down, "Come and come, let's start, let's say first, the few of you can only watch, you can't help, let alone make an idea."

Han Yi snorted, "You think we are you."

There is peace here, but the wind is about to rise outside.

Wen Xiyao was talking to Shen Junyu, and suddenly heard a familiar female voice, "Xiyao, I haven't seen you for a long time, but I didn't expect to see you here."

Wen Xiyao looked around, his eyes lit up, "Annie, it's you."

Annie stepped forward and gave Wen Xiyao a hug, "My dear, it's really been a long time."

Wen Xiyao nodded, "Yeah, we haven't seen me since I returned to China. Why are you back?"

Annie smiled, "I came back to see my dad. It happened that my dad was going to a banquet, and I came with him."

"Your father is Jun Lan's partner?" Wen Xiyao asked in surprise.

"Well, I came to know that this is the annual meeting of Junlan Group." Annie said, "Oh, why are you here?"

Wen Xiyao smiled slightly and brought Shen Junyu over. "This is Shen Junyu, the president of Junlan Group and my fiance. Jun Yu, this is my good friend Annie when I was in graduate school."

Annie looked at Wen Xiyao in surprise, "Oh my god, you are actually engaged, what happened?"

"In August, but not many people know, they are all relatives, I originally wanted to notify you when we got married next year."

Annie adjusted her expression and looked at Shen Junyu, "Hello President Shen, this is Annie."

Shen Junyu reached out and shook her gently, "Hello, Shen Junyu."

"I know you, my dad always picks you up in front of me, saying you are young and promising, not to hide from you. I came here today to see the true face of Lushan, but I didn't expect you to be Xiyao's fiance." And blinked mischievously.

"Mr. Shen, don't you mind if I borrow your fiancee?"

Shen Junyu shook his head, "please."

Wen Xiyao glanced at Shen Junyu and went with Annie. Anne pulled Wen Xiyao aside and looked at her with bad intentions, "Dear, should you explain to me what is going on, you Isn't it a good relationship with Du Nan? Why are you getting engaged to Shen Junyu now?"

Mentioning Du Nan, the smile on Wen Xiyao's face faded, "Du Nan and I have always been friends, and now even friends are not."

Seeing her like this, Annie immediately understood that something must have happened that she didn't know, "What the hell is going on, you'd say it quickly."

Wen Xiyao glanced around, and when nobody noticed them, he told Annie what happened after returning home.

The more Annie listened, the more angry the expression on her face was, "This Du Nan, it's just a human

face and a beast heart, looking at Sven, with a heart-shattering look on you, but I didn't expect it to be such a person in the inside. Fortunately, you didn't look at him at first, otherwise you might not know what to do in the future."

Wen Xiyao took a sip of wine. "This matter has passed, and I have nothing to do with him in the future. Don't mention this matter. Are you planning to spend your New Year at home this time or are you going to stay here?" "

Annie shrugged. "I don't know yet. I'll wait until after the New Year."

"It seems that you are still not ready to settle down and still plan to travel around the world?"

"No, no, I'm not running around the world now, I'm only going to country Y." Annie smiled mysteriously.

Wen Xiyao raised his eyebrows. "It seems that you have a situation. Tell me about it."

Annie smiled, "I can't tell you yet. I'll tell you the first one when I'm sure." Her eyes looked on the field, laughing, "Your fiance is very attractive to the little girl, you see In just a few minutes, there were only a few people who talked to him in the past. Are you not worried at all?"

Wen Xiyao smiled softly, "What am I worried about?"

Annie thought and nodded. "Well, I really don't need to worry. With your conditions, there are not many who can surpass you. As long as your eyes are not blind, Shen Junyu will not give up on you and look at those sleazy and cheap goods outside."

Wen Xiyao smiled, "We haven't seen you for a long time, let's not talk about me, let me talk about you first, where have you been this year."

Annie and Wen Xiyao talked about their experiences outside during this time.

**

"Mr. Shen." Cao Shiyu came to say hello to Shen Junyu.

Shen Junyu nodded slightly, "Hello."

"I came here with my friends. Should President Shen dislike me?" Cao Shiyu joked.

"How come, it is an honor for my old classmates to come to my company's annual meeting."

Cao Shiyu climbed up the ladder. "Shall President Shen mind a drink with me?"

Shen Junyu raised the glass in his hand, "Just finished drinking."

Cao Shiyu picked up a glass of wine from the passing waiter and handed it to Shen Junyu, "This will not be there anymore."

Shen Junyu smiled warmly, took it, touched her a glass and took a sip.

Cao Shiyu drank the wine in the glass at once, and then looked at Shen Junyu, "Mr. Shen, I'm done."

Shen Junyu glanced at her helplessly, "They are all old classmates, don't you have to be so ruthless?"

Cao Shiyu smiled and didn't speak. Shen Junyu saw it and raised his head to dry the wine in the glass.

"Sure enough, President Shen is simply." Cao Shiyu said with a smile, seeing Shen Junyu wanted to go, pulling him to speak, "Last time I saw your fiancée, I said something that I shouldn't say, did your fiancée embarrass you? "

Shen Junyu shook his head, "Xiyao is a generous person, and she will not care about these things."

"That's good. After I went back, I always felt sorry. I wanted to say sorry to you but didn't have your contact information. Later, I wanted to ask Chen Su to tell you. After all, your relationship with Chen Su was so good, but Chen Su said you were busy and could not be reached."

Shen Junyu felt that the glass of wine had drunk a little bit now, and now it is a little bit dizzy, and his head is a little dizzy.

Cao Shiyu stopped him, "Mr. Shen, I just talked about this and you are going to go. Could it be that you are still angry with me? Didn't your fiancée misunderstand your relationship with Chen Su last time? In this case, I can explain it to your fiancée."

Shen Junyu frowned, "No, Xi Yao did not misunderstand, and I have already explained it to her. Sorry, I need to go to the bathroom now."

Cao Shiyu was a little embarrassed on his face and turned sideways.

Seeing Shen Junyu leave, she gave Chen Su a wink and motioned for Chen Su to follow.

Chen Su was hesitant and hesitated, Cao Shiyu saw it, and quickly walked over, "What are you doing standing here, hurry up and follow."

Chen Su said hesitantly, "I think it's okay." She thought about it and thought that she still got Shen Junyu too much by such means.

Cao Shiyu glanced at her with hatred and iron, "Now the medicine is down, you and I forget, Chen Su, you take me to rinse it, why did you go there, the medicine is very strong, there is no woman at all

Unable to understand, if you want to watch him go to bed with other women, then I don't care. Anyway, the person who wants to marry Shen Junyu is not me too, but I said uglyly in front, this thing is for you, you can Can't betray me."

"This medicine cannot be solved by a woman?" Chen Su tentatively asked.

Cao Shiyu rolled his eyes, "Isn't this to make you succeed once? The medicine is not strong, and the people's willpower is a little bit useless. Since it is done, it will naturally be done a little harder. Now you consider it yourself, or you follow up now, Either you just watch it, or you can run over and tell his fiancée to let his fiancée go to bed."

This was simply a stabbing knife in Chen Su's heart. She glanced at Wen Xiyao, who was still chatting with people in the corner, and watched the happiness from her eyebrows, clenching her teeth, "I'll go to Shen Junyu."

Cao Shiyu smiled, "That's right, hurry up, so many women staring at Shen Junyu, if they get caught first, they will cry and blind, and I have inquired, the second floor of this private club is for guests to rest, you Just find a room and go in and lock the door. Whoever can find you will wait for others to find out that you have already handled the matter. By the time the rice is cooked and the rice is mature, it is too late to say anything."

Chen Su nodded and followed.

Cao Shiyu followed Chen Su after he left.

Chen Su was found at the door of the bathroom. At that time, Shen Junyu's face was already very red. She was washing her face with cold water. Chen Su pretended to come to the toilet. When she saw Shen Junyu, she said in surprise, "Jun Yu, you are drunk Alright?"

Shen Junyu heard someone calling her name, looked up and saw Chen Su in the mirror, "Chen Su?"

Chen Su took a step forward and supported his crumbling body. "How come your face is so red, how much did you drink?"

Shen Junyu shook his head, feeling more dizzy, and closed his eyes, "I'm fine, just wait, can you help me find Xiyao?"

When Chen Su's eyes dimmed, Shen Junyu was so awake. She still remembered Wen Xiyao. The original hesitation in her heart disappeared at this moment. She helped Shen Junyu and said, "I'll find a room for you to rest first Awake, wake up, and then I'll call Wen Xiyao for you, okay?"

"Trouble you." Shen Junyu said, his head is dizzy now.

Chen Su twitched his lips, "What's the trouble, we are friends." Chen Su helped Shen Junyu to a room on

the second floor according to Cao Shiyu's previous instructions.

Cao Shiyu followed them all the time and saw them enter the room and knocked on the door. Chen Su inside was surprised. Cao Shiyu whispered, "It's me."

Chen Su heard her voice and came to open the door. Cao Shiyu stuffed a bag of things into Chen Su's hand and said ambiguously, "This is for you. The medicine that Shen Junyu takes is very strong. He is excited and you may suffer. , Use this to make you less guilty."

After talking, Cao Shiyu left. Before leaving, he still told Chen Su to hurry in.

When I went down, I met a waitress who stared at her all the time. Cao Shiyu stared at her. "Look at it, I haven't seen a beauty."

343 Do You Love Him (15 more)

The waitress withdrew her gaze, squinted her head, and looked down at her with disdain. Cao Shiyu snorted coldly, without seeing the waiter's expression, she twitched her hair, and turned away. She was in a good mood. She smiled from the corner of her mouth to her eyes. When she returned to the first floor, she glanced upstairs. Without going to stay here, she went straight back.

After today, as long as Chen Su marries into the Shen family and still remembers her kindness, her husband's path will be smoother in the future, and their family's life will be more prosperous.

As for whether Chen Su will fail, this is beyond her consideration. She has already done things to the point where she is now. If Chen Su still cannot win Shen Junyu, then she has nothing to say.

And Shen Junyu's anger to be faced after Chen Su is even beyond her consideration. These are the things Chen Su should solve.

Cao Shiyu walked away happily, but did not expect that her self-perceived plan would fail because of a small mistake.

The waitress went upstairs and stood for a while at the door of the room where Cao Shiyu stayed just now, and did not hear anything inside.

"Xiaofan, what are you doing?" The foreman suddenly called the waitress. The waitress was startled and stood up. "No, there is no foreman."

The foreman gave her a suspicious look. "Don't be lazy during work, don't look at what's going on below, hurry down and help."

"Okay." Xiao Fan whispered and was about to leave.

"Wait." The foreman stopped her.

"You give a fruit platter to the box of the chess room on the first floor."

"Okay." Xiao Fan responded, and then left.

**

Shen Qinglan is talking to Fu Hengyi. Several other people have already played several mahjong games. Because Fu Hengyi did not participate, the few people on the table had no obvious wins and losses.

"Sure enough, playing mahjong is still fun to play with people of the same level." Gu Yang sighed and was crushed by Shen Qinglan and Fu Hengyi. Now come to play with Yu Xiaoxuan again. Don't feel too comfortable.

Yu Xiaoxuan squinted at him, "You can also find satisfaction from me."

Han Yi glanced at him and spit out two words, "Come on."

Gu Yang is angry, "You are bullying me, no object, are you."

Yu Xiaoxuan smiled and turned his head to kiss Han Yi's face. "It's just bullying you have no object."

Gu Yang glared and turned to look at Shen Qinglan, a grievous look, "Little sister-in-law, look at her, she and Han Yi jointly bullied me."

Shen Qinglan glanced at him, his eyes cold, Fu Hengyi sent him a word, "Should."

Jiang Chenxi and Gu Kai laughed, and Gu Yang shook hands, "You all bully me."

The door of the box opened, and a waitress came in, holding a fruit tray in her hand. She put the plate on the table, but she did not leave immediately. Instead, she glanced at Shen Qinglan from time to time.

Shen Qinglan noticed her vision and looked up at her, "What's the matter?" His eyebrows softened.

The waitress shook her head, nodded again, hesitated, and said, "Are you Miss Shen Qinglan Shen?"

Shen Qinglan yelled, "I am."

"This is the case. Just now I saw President Shen seem to be drunk, and a woman helped him to the second floor room."

Wen Yan, Shen Qinglan did not care, but thought it was Wen Xiyao. But I heard the waitress continued, "It is not the lady who came with Mr. Shen who helped Mr. Shen upstairs. I have seen that lady, I know Mr. Shen's fiancée, but Mr. Shen who went upstairs is not."

As soon as this remark came out, Shen Qinglan's uncomfortable face suddenly changed, and she looked at the waitress, "Are you sure?"

The waitress nodded. "Well, I don't know that woman. She didn't come out after entering the room with President Shen."

Shen Qinglan heard the words and suddenly understood what he did. He looked at Fu Hengyi and stood up. Several other people also heard the words of the waitress and stood up. Shen Qinglan said, "You are here, I will go about this matter Just deal with it."

The others looked at each other and sat down again.

"You take me." Shen Qinglan said to the waitress.

The waitress nodded.

**

Shen Junyu only felt hot. His body was unprecedentedly hot. His head was dizzy, and there was always a shadow shaking in front of him.

"Xiyao." He shouted, and no one answered.

He pulled the tie away and threw it on the ground, even the suit jacket was taken off, but besides being hot, Chen Su advanced to the bathroom and took a towel to wipe the sweat on Shen Junyu's forehead.

Shen Junyu grabbed her hand, opened her eyes and looked at her, Chen Su was startled, her eyes were panic, her body was tense, and she couldn't help being nervous, only when she heard Shen Junyu calling Wen Xiyao's name, The heat suddenly cooled down.

"Shen Junyu, do you like that woman so much?" Chen Su looked at Shen Junyu and murmured.

"Xiyao, are you?" Shen Junyu said, his voice was hoarse, completely without the usual heartiness, but with the tenderness of drowning people, Chen Su's eyes dimmed slightly, looked at Shen Junyu, reached out and touched Shen Junyu's face, "It's me, Jun Yu."

The cold touch on his face made Shen Junyu close his eyes comfortably. Chen Su looked at him and lowered his head.

Just when his lips were about to touch, Shen Junyu suddenly opened his eyes and pushed away Chen Su, "You are not Xi Yao, who are you?"

Su Su was pushed off the bed and fell under the bed. She hit her head hard on the floor and hit Venus in front of her. But she couldn't take care of these, and got up from the ground, "Jun Yu, this is Xi Yao, don't you know me anymore?"

Shen Junyu's head was dizzy, and the world in front of him seemed to be turning. His body was very hot, and the heat seemed to explode, especially a certain part under him. He shook his head, trying to expel that uncontrollable desire/desire, but brought a stronger vertigo.

"You are not Xiyao, the smell of Xiyao is not like this." Shen Junyu said.

Chen Su stiffened and looked at Shen Junyu in a daze. It seemed that he didn't expect him to remember the perfume that Wen Xiyao used.

Her eyes changed and her hand was placed on the zipper of the dress behind her. "Jun Yu, since I can't get your heart, I am also satisfied with the people who get you."

The dress slipped, revealing fair and fair skin, and she stepped barefoot on the floor, slowly approaching Shen Junyu.

**

"In which room?" When she came to the second floor, Shen Qinglan asked the waitress.

The waitress pointed her finger at the middle one.

"Is there a key?"

The waitress shook her head. "I'll find it."

"No need." Shen Qinglan waved his hand and lifted his foot to the door to kick it fiercely. The door was kicked open directly, and the situation inside was unobstructed.

The waitress stood beside Shen Qinglan. When she saw this scene, she was stunned. Can you imagine a

pregnant woman in Liujia kicking a sturdy door open?

Chen Su did not expect that someone would come in at this time, or break in.

"It's you!" Chen Su opened his eyes wide and looked at Shen Qinglan in disbelief.

Shen Qinglan couldn't look at Chen Su, and his eyes were completely cold. He glanced at Shen Junyu on the bed and saw that although his clothes were messy, at least his clothes were still on his body. He was relieved.

Chen Su stared at Shen Qinglan, only to realize that she was not wearing anything on her body, and hurriedly put the clothes on the ground on her body.

"Get out." Shen Qinglan said coldly. Chen Su bit his lip and fixedly looked at Shen Qinglan, his eyes full of prayers.

"If I don't want to go out, I can ask the security guard to come up and invite you out." Shen Qinglan added.

"Xiyao." Shen Junyu cried out on the bed.

Chen Su's eyes changed slightly, and a burst of tears flashed, and he ran out wearing his clothes indiscriminately. Shen Qinglan looked at the flushed Shen Junyu on the bed with some headaches and could only call Eden.

Fortunately, the place where Eden lived was not very far from here. The taxi arrived soon. Shen Junyu was thrown into the bathtub by Shen Qinglan and the waitress.

Eden looked at it and looked at Shen Qinglan after checking it with Shen Junyu, "An, I can't help with this medicine. The medicine is too strong. If it is controlled with medicine, I'm afraid it will hurt your brother's body, which will affect his life in the future. If it is more serious, it may leave an incurable disease root."

Shen Qinglan's eyes were cold, looking at Shen Junyu, who was still not sober in the cold water, and Shen Sheng said, "Can I only use that method?"

Eden nodded, "That method will not hurt the body the most, and will not leave any sequelae."

"I know, Eden, you help me take my brother to another room." Shen Qinglan said.

Eden heard that he lifted Shen Qinglan from the bathtub to the next room. At this time, Shen Junyu had lost his mind and kept mumbling Wen Xiyao's name.

Shen Qinglan glanced at his brother and turned away.

Wen Xiyao was still talking to Annie. When she was talking to her happy place, she saw Shen Qinglan coming over, "Qinglan, you came just right. I will introduce you to you. This is my good friend Annie, Annie. It's my fiancé's sister, if my school sister Shen Qinglan."

Shen Qinglan greeted Annie, and Annie stared at Shen Qinglan stunnedly, "You look beautiful."

Shen Qinglan smiled slightly, "Thank you. I have something to tell Xi Yao, can you?"

Annie immediately understood and said with a smile, "I should go find my father too. Let's talk."

Shen Qinglan took Wen Xiyao away,

"Qinglan, what's wrong, where are you taking me?"

Shen Qinglan spoke lightly, "You will know when you arrive."

Wen Xiyao was suspicious, "Is it so mysterious, is it to surprise me?"

"That's right." I gave my brother to you, this surprise is big enough.

When he reached the door of the room, Eden waited there to ensure that no one could take advantage of it. When he saw Shen Qinglan came back with a woman, he nodded with Shen Qinglan and left.

Shen Qinglan didn't open the room immediately, but looked at Wen Xiyao and asked seriously, "Sister Xi Yao, do you love my brother?"

344 Chapter Beautiful Night (16 more)

Wen Xiyao was stunned. "Why did you ask this suddenly?"

Shen Qinglan looked serious and serious, "You answer me first."

Wen Xiyao didn't know what Shen Qinglan wanted to do, but he understood that this issue seemed to be very important. He put the joke on his face and looked at Shen Qinglan seriously, "I love Shen Junyu."

"Will you marry my brother and stay with him forever?"

Wen Xiyao focused on the head, "Yes." She looked at Shen Qinglan, "Qinglan, what medicine is sold in your gourd?"

Shen Qinglan gently hooked his lips and tucked the key into Wen Xiyao's hand. "You will know when you go in." He turned and walked away.

Wen Xiyao stood alone for a while, wondering what Shen Qinglan meant. Thinking of the mysterious smile before Shen Qinglan left, could not help but think that the room would not be a surprise for Shen Junyu to leave her?

With an expectation, Wen Xiyao opened the door of the room, the room was very dim, only a little light appeared in the bedroom, the room was very quiet, and only a faint hearing of what seemed to happen in the bedroom, Wen Xiyao let go Slowed down and called out, "Shen Junyu."

No one answered. Wen Xiyao thought for a while and opened the bedroom door. Only the bedside lamp was on. Wen Xiyao saw the person lying on the bed. It was Shen Junyu.

All of a sudden, her body relaxed and screamed. Without a response, she found that Shen Junyu's face was abnormally flushed and her eyes were closed.

Wen Xiyao called Shen Junyu's name, but Shen Junyu did not respond. She reached out and put a post on Shen Junyu's forehead, only to find that Shen Junyu's body was extremely hot.

She withdrew her hand, and subconsciously called an ambulance, but Shen Junyu suddenly opened her eyes and grabbed her hand. Unexpectedly, Wen Xiyao fell directly into the bed.

She lay prone on Shen Junyu's body, staring at Shen Junyu in a daze, opposite her eyes.

"Xiyao." Shen Junyu recognized her, shouting softly, Jianmei frowning, breathing heavily, "Xiyao, I'm so uncomfortable."

If Wen Xiyao didn't understand what happened now, it would be stupid, and she understood why Shen Qinglan asked her to come over and asked her questions at the door. She fixedly looked at Shen Junyu, "Shen Junyu, Do you know who I am?"

Shen Junyu's eyes were blurred, and she looked at Wen Xiyao, her mouth twitched a nice arc, "Xiyao, you are my fiancée, Wen Xiyao."

Wen Xiyao's eyes were bright, and he reached out to touch Shen Junyu's face, "Well, I'm Wen Xiyao, your future wife, and the mother of your future child."

Shen Junyu grabbed Wen Xiyao's hand, the cold touch made him squint comfortably, he pressed her hand tightly to his face, rubbed it, like a cat on court, Wen Xi Yao couldn't help laughing, such Shen Junyu inexplicably poked her cute point.

Slowly, she lowered her head and actively kissed Shen Junyu's lips. Shen Junyu's eyes narrowed, turning passive into active, and when they turned around, the two exchanged a position. The fiery kiss matched Shen Junyu's amazing body temperature.

Seeking instinct, Shen Junyu skillfully pried Wen Xiyao's teeth and attacked the city inside. Wen Xiyao's tongue hurt, so the passionate Shen Junyu scared her.

Her hand was placed on Shen Junyu's chest, a gesture of refusal, but when she saw the sweat on Shen Junyu's body and a forbidding expression, she suddenly softened her eyes and stretched her arms around his neck.

The clothes did not know when they had fallen to the ground. Shen Junyu kissed Wen Xiyao on the side, still calling her name in his mouth. His eyes were blurred, and his body was about to explode, but his movements were cautious and gentle. Pity.

"Shen Junyu, I love you." In the ear, Wen Xiyao's gentle and gentle voice, this voice drowned Shen Junyu's last sense of reason...

Shen Qinglan returned to the chess and card box. Several people were no longer playing mahjong. Seeing her coming in, she looked at her together. Shen Qinglan shook her head slightly. "It's okay." Several people heard the words and immediately felt relieved.

"My brother is drunk. Sister Xi Yao took him home first, and we should almost be gone." Shen Qinglan said.

Han Yi looked at the time, and it was almost the same, standing up, "Well, let's go, sister-in-law, you and Hengyi go home and rest early, let's go to the charm again?"

"Yes, let's go to the charm and continue to play." Gu Yang agreed, Gu Kai had no opinion, and Jiang Chenxi naturally had no objection. Several people decided so happily.

First, Shen Qinglan and Fu Hengyi were sent to the car, and a few people left here. As for who will host the annual meeting of Junlan Group, huh, so many executives in Junlan Group, and worry that Shen Junyu will not be able to proceed without the annual meeting?

On the way back, Shen Qinglan kept silent, and Fu Hengyi took her hand and asked softly, "Is something happening?"

Shen Qinglan shook his head and gave Fu Hengyi a look. Fu Hengyi immediately understood and stopped talking. After returning home, Shen Qinglan told Fu Hengyi.

"You mean Jun Yu was drugged?"

Shen Qinglan nodded, "Well, the medicine is very strong. Eden said that if it is pressed down with medicine, it may leave sequelae, so I just..."

Fu Hengyi patted her hand, "Don't blame yourself. Although Jun Yu is not sober, Wen Xiyao is sober. As long as she is not willing, Jun Yu will definitely not force her."

Shen Qinglan naturally knew this, so she let Wen Xiyao go in with confidence, but this was the girl's first time, but it didn't happen in a romantic atmosphere, which made her feel a little bit of Wen Xiyao. Guilt only.

"Don't think about it, what you want me to do, you might as well think about how you will deal with the druggie when your brother wakes up tomorrow." Fu Hengyi said lightly, Fu Hengyi, who knows Shen Junyu's temperament well, is not bad. If you think you have been calculated like this, Shen Junyu will forget it.

Speaking of which, Shen Qinglan's eyes were slightly deeper. "I asked the waiter. She said that it was two people who took my brother upstairs. Before I came back, I called Enxi and asked her to go to the club that night. Monitoring should now be available."

As he was talking, Jin Enxi's phone came in, "Ann, I have found the things you asked me to find, and the things have been sent to your mailbox. You see."

Hanging up the phone, Shen Qinglan turned on the computer, and watched the things sent by Jin Enxi with Fu Hengyi. After reading, Fu Hengyi didn't have any special expression. The trick was clumsy, and it was only because Shen Junyu was unprepared for them.

"We don't need to intervene in this matter, just hand things over to Jun Yu, he will handle it." Fu Hengyi said.

This was the same as Shen Qinglan thought, nodded, "Well. I won't care about this." She put the things away, then sat down next to Fu Hengyi, pinched his legs for him, Fu Hengyi stopped her, "No need for you."

Shen Qinglan waved his hand, "Fu Hengyi, I'm not paper-backed, I'll just massage it for you, I'm not tired." As he said, he picked up a book on the table and stuffed it into his hand. "If you're free Boring, just tell me and my baby a bedtime story."

Fu Hengyi's eyes were full of smiles, picked up the book, turned to a page, and continued to tell the story that had not been finished before.

Shen Qinglan gave Fu Hengyi a massage for about half an hour and stopped. He helped Fu Hengyi put on the quilt before lying down next to Fu Hengyi. Fu Hengyi hugged her in her arms. "In fact, this is also very good." Fu Hengyi said suddenly .

"What?" Shen Qinglan looked at him.

Fu Hengyi smiled slightly and shook his head, "It's okay. Haven't you been to the teahouse for a long time?"

Shen Qinglan's eyes that had just closed immediately opened, "You don't say I really forgot, it's time to leave them at the end of the year. Then I will go to the teahouse tomorrow, will you go with me?"

"Well, I will go wherever my wife goes."

**

Wen Xiyao was awakened by pain, and her whole body seemed to be disassembled and reorganized, and it was not once, but several times. She reached out and tried to rub her waist, but her hands touched smooth skin, which was obviously different from The touch of her body made her confused brain suddenly wake up, she turned her head and met Shen Junyu's tender eyes.

"Woke up?"

Scenes from last night got into my head. Wen Xiyao's face was very red, but it was dim in the room at this moment, making her unclear.

Shen Junyu reached out her hand and placed it on her waist. Wen Xiyao's body stiffened and moved back subconsciously. Seeing that she was about to plant under the bed, Shen Junyu quickly hugged her in her arms.

"Hide anything, I won't eat you again." Shen Junyu scolded lightly, but the tone was full of spoils.

Wen Xiyao would like to roll his eyes, you will not eat me, but you will tear me down.

Shen Junyu's big hand rested on her waist and rubbed it gently to help her relieve the pain in her body. "I promise not to move you." Shen Junyu said softly.

Although he thought he was dominated by drugs last night, his consciousness was blurred, but he still remembered clearly what happened. Naturally, last night Wen Xiyao suffered much in order to help him relieve the drug.

Wen Xiyao moved, but snorted, and Shen Junyu immediately became nervous. "Isn't it uncomfortable?"

Wen Xiyao blushed and did not speak.

"Did I hurt you last night?" Shen Junyu looked annoyed, knowing that she was the first time, but she couldn't control herself.

Seeing him blaming himself, Wen Xiyao smiled slightly and reached out to hug him. "I'm fine, just take a rest. I volunteered last night."

Shen Junyu lowered her head and buried her face on her neck, her voice was a little dull, "Xiyao, wronged you. I wanted to give you a romantic wedding night, but now..."

345 Follow Your Own Heart (17)

Wen Xiyao touched the furry head on his shoulder, and his big eyes bent into a crescent moon. "I don't feel wronged. As long as you treat me well and don't do things that sorry me, I won't feel wronged at all."

Shen Junyu nodded seriously, "I must treat you well. If I am not good to you in the future, you can do whatever you want to me."

Wen Xiyao chuckled and said, "Fun you to play, idiot, you still take it seriously."

Shen Junyu looked seriously, "No, Xi Yao, I am not kidding you, I am serious."

Wen Xiyao put away the joke, raised his head slightly, and kissed his lips. "I know, Mr. Shen."

Last night most of the night, not only Wen Xiyao was tired, but even Shen Junyu was tired. After a while, the two of them lay in bed and continued to sleep. It was already afternoon when they woke up again.

When Wen Xiyao woke up, Shen Junyu had already got up. There was a brand-new set of clothes on the head of the bed. She picked it up and saw her size. She smiled slightly, put on her clothes, and walked out of the bedroom with bare feet. Shen Junyu was there. Sitting outside, talking on the phone, although his face was smiling, but the eyes were frozen.

When he saw Wen Xiyao coming out, he hung up the phone, frowned, and then entered the bedroom under Wen Xiyao's unknown eyes. When he came out, he held a pair of slippers in his hand and squatted down to help Wen Xiyao put on.

"Why don't you wear shoes even when you come out? Girls don't know how to get cold?"

Wen Xiyao was speechless, "There is floor heating in the room."

"Then you have to wear shoes. This is the club's room after all. Although there is floor heating and carpeting, what if there are sharp things in the carpet that have not been cleaned, what should I do if I cut my foot?"

Wen Xiyao's black line, if such a high-level private club would have such a problem, would it be closed for a long time?

"How do you understand girls so much?" Wen Xiyao looked at him with his head tilted, looking curiously in his eyes.

Shen Junyu stretched out her hand and flicked it gently on her head.

Wen Xiyao was originally a joke, naturally he wouldn't go to the truth, his eyes turned, and suddenly he thought of teasing Shen Junyu, sighed, and sat on the sofa, "If I fell into the water with Qinglan, you must be Save Qinglan first, right?" He looked at him with a grudge.

Shen Junyu raised her eyebrows and shook her head.

"Are you going to save me first?"

Shen Junyu continued to shake his head, "You both will swim, you don't need me to save."

Wen Xiyao rolled his eyes. "It's said if this is the case. You guys really don't cooperate at all."

Shen Junyu sat down next to her and saw her in her arms, "Since it is something that is not going to happen, then the assumption has no meaning. And I will not let you and Lanlan encounter danger at the same time. "

"Then if I and Qinglan were in danger at the same time, you could only save one, what would you do?"

"Then I will definitely save Lanlan first, and then die with you." Shen Junyu said seriously.

Wen Xiyao felt shocked and reached out to cover Shen Junyu's eyes. "You're so serious and boring to make a joke with you."

Shen Junyu smiled, "After a day's sleep, are you hungry?" Wen Xiyao touched his stomach and nodded. "Hungry, let's go out for dinner."

"it is good."

Before leaving, Shen Junyu asked Wen Xiyao to wait for a while, and then he saw a manager-like person approaching them and handed a USB flash drive to Shen Junyu, "Mr. Shen, this is what you want."

"Help me say thank you to President Zhao." Shen Junyu said gently. Then he left the clubhouse with Wen Xiyao.

Wen Xiyao looked at the USB stick in his hand, "Monitor?"

Shen Junyu nodded, "Although there are no irreparable regrets, some accounts still have to be calculated."

Wen Xiyao did not ask who he gave him the medicine last night, as long as he thinks about it, since Shen Junyu intends to solve it by herself, she will also give him full trust.

"If you can't stop, please feel free to ask me for help." Wen Xiyao said with a smile, a playful tone.

Shen Junyu reached out and touched her head, "I don't believe my husband so much?"

Wen Xiyao gave him a glance, "Who is my husband, how can I not know?"

Shen Junyu looked at her, her eyes squinting, "Is it hard to recognize people just after eating and wiping them?"

Wen Xiyao's ears were red and he glared at Shen Junyu. "Drive your car well, I'm going to starve to death."

Fortunately, today is the weekend, they don't have to go to work. Wen Xiyao and Shen Junyu filled their stomachs and went home to rest. She is now seriously doubting what Shen Junyu practiced to cultivate the yin and yang. , But today it was her who drowned her head like someone who had been sucked away by the spirit.

After Wen Xiyao was sent home, Shen Junyu went home and went straight into the study. He just looked at the picture on the computer. His face was very heavy. He looked through all the monitoring pictures and found no suspicious. Somewhere, he called the club manager, "Are you sure all the monitoring is here?"

The manager's eyes changed slightly, and he said with strength and calm, "Yes, Mr. Shen, the ones given to you are all monitored last night, and there are a lot of them."

The manager looked at the end of the call and reached out to touch the cold sweat that did not exist on his forehead.

Shen Junyu knew that the person who gave him the medicine last night was Chen Su, but if there is no evidence for this kind of thing, as long as Chen Su denies, he will have no choice.

Shen Junyu sat in the study for a long time, and no one knew what he was thinking until Shen Qinglan's phone came in.

"Brother, are you back?"

Shen Junyu yelled, "What's wrong?"

"I sent something to your mailbox, you open it." Shen Qinglan said.

Shen Junyu asked subconsciously, "What is it?" Shen Qinglan didn't speak, and hung up the phone directly.

Shen Junyu opened the mailbox, and when he saw what was sent, his face suddenly became black.

He picked up the car key and went out, ignoring Chu Yunrong's question behind him, "I'm going to have dinner soon, where are you going?"

Shen Junyu drove all the way directly to Chen Su's house. After a long time, Chen Su came to open the door. When she saw Shen Junyu outside the door, she didn't have any fear on her face. On the contrary, her expression was calm.

"You are here, come in and sit down." Chen Su turned sideways and let Shen Junyu enter the door.

Shen Junyu sneered, but did not sit down and looked at Chen Su coldly, "Chen Su, I never thought you would do such a thing."

The smile on Chen Su's face was very bleak, "Don't say you didn't expect it, even I didn't expect it. After I came back from the club last night, I didn't sleep all night. There are always two villains in my mind fighting, one The villain is despising myself because he has done such a shameless thing, and another villain is laughing at me, and he has been busy for a long time, not only making wedding clothes for others, but also being rejected by you."

Shen Junyu's eyes were deep, "You're honest."

Chen Su chuckled, "You were drugged last night without amnesia, denying it has no meaning."

"But Chen Su, I still won't forgive you."

Chen Su nodded, "I know, from the time when Shen Qinglan came in, I never thought you would forgive me, but Jun Yu, is it wrong to love someone, I just love you too much and don't want to lose you, so I Is it wrong?"

Shen Junyu looked at her, her eyes deep, "It's true to love someone, but you used the wrong method. Chen Su, you should have known that it was impossible for me and you."

Hearing this, Chen Su's face suddenly changed. She looked at Shen Junyu, "What is possible, what is impossible? Jun Yu, it's not that there is no possibility between us, but you never thought about it. Give me a chance, the person you love is never me."

"Since I know why you still want to do such a thing?" Shen Junyu asked her.

Chen Su smirked, yes, she never knew why she still wanted to do such a thing. If she didn't do it, whether she was still a friend with Shen Junyu, at least she could greet her as a friend, meet once in a while, eat a meal, But now, she cut off the only sentiment between them with her own hands, and even the company could not find an excuse.

Shen Junyu handed a USB flash drive to Chen Su, "I think you should understand what is inside. If the cooperation between Junlan Group and your company wants to continue, then you must leave your current company, otherwise I will cancel the cooperation between the two parties. "

Chen Su's face changed, and he didn't reach out to pick up the USB flash drive. "Jun Yu, do you have to do this? I can withdraw from this project and let other colleagues take charge of the project."

"Chen Su, doing this now is already based on the sentiment of our classmates for many years."

"Oh, everyone said that Shen Junyu looked at the gentle, actually doing things more ruthless than some old foxes. I didn't believe it before, but now I believe it, I know, I will resign from the current company, you don't have to cancel the cooperation, in the future I won't bother you again, even if it's met on the street, I'll treat it as if I don't know."

Shen Junyu put the U disk on the table, "It's very good." He said that he would leave after turning around.

"Jun Yu." Chen Su stopped him, "Why don't you love me? Where can I not be compared to Wen Xiyao? Is it really like others said, because of my family background?"

Shen Junyu did not turn around and turned her back on her, "You and Xi Yao are never the family, but your heart. Wen Xiyao loves Shen Junyu, and you love the long-grandson of Shen family and the president of Junlan Group Shen Junyu."

"All this is what you think it is? How do you know that when you are not the president of Junlan Group, Wen Xiyao will still love you as much as now, but I will not continue to love you?"

"Chen Su, this is where you can't make me like it. When I choose a wife, I always just follow my heart, not the outside. I'm pretty sure that Xiyao is the person I want to be with for life."

After talking, Shen Junyu left here directly, behind him, Chen Su fell on the ground, tears streaming down his face.

Shen Junyu went home after leaving Chen Su's house. He did not go to Cao Shiyu. Although from the surveillance video, Cao Shiyu was instigating, this does not mean that Shen Junyu would let Cao Shiyu go like this.

Cao Shiyu was very happy when she left the banquet last night. She still hummed at home. Her husband looked at her and asked curiously, "What are you stupid?"

Cao Shiyu chuckled, "I helped you a lot, how do you say thank you for me?"

The husband became more curious, "What did you do for me?"

Cao Shiyu smiled mysteriously, "I can't tell you now, you will know it in the future, don't forget to thank me when you are promoted." Then, Le Dian walked in and took a shower.

Cao Shiyu's mother-in-law looked at her son, "What is your wife doing?"

Husband pouted, "How do I know, I just asked others not to say."

My mother-in-law's face is a little ugly, "You can't control your wife if you talk about it. In the middle of the night, when your wife is dressed up and dressed up, you won't ask her why she went today? Your heart is really enough big."

Husband smiled, "Mom, Shi Yu told me long ago, one of her classmates' company is going to have an annual meeting, she went to play with it, you said she had children at home all day, there was no

entertainment, occasionally It's understandable to go out and play, and it's not too late for her to come back."

The mother-in-law waved her hand, "Okay, you don't have to speak for her anyway, this is your wife, you don't mind, I care so much about it, and it's suspicious."

The husband smiled helplessly and said that the daughter-in-law and mother-in-law are natural enemies. Although this is not absolute in their home, the relationship between the daughter-in-law and mother-in-law has never been harmonious.

When the husband walked into the bedroom, Cao Shiyu had finished taking a shower and changed her clothes. She was wearing a sexy suit. In this way, Hong Guoguo invited her husband to understand anything else. He lightly hooked the corner of his mouth and locked the bedroom door.

The next day, Cao Shiyu estimated that he had time to call Chen Su, but the phone showed a shutdown. "Oh, I didn't expect the two men to be in a fierce battle."

The husband lay beside her, did not hear what she said, and asked, Cao Shiyu said, "It's okay, sleep with you."

In the afternoon, Cao Shiyu called Chen Su and still didn't get through. I felt a bit wrong in my heart. When I thought about it, I wanted to go out, and my mother-in-law said, "I came back so late last night. I want to go where I am today. They are all children. Mother, you don't have children at home, and you want to run out all day long, do you still look like a wife or a mother?"

Cao Shiyu rolled her eyes and opened her mouth to want to take care of her mother-in-law, and her husband took her by the hand, "Mom, Shi Yu didn't want to go. Just now I found out that there was no shower gel at home, so I asked her to buy a bottle, so, my own Go buy."

He said, pulling Cao Shiyu in, "I remember where I will go when Mom leaves you at night."

Cao Shiyu squinted, "Where is Mom going at night?"

"Go to my sister's house and wait for a while, but it's only half an hour, you wait."

Wen Yan said that Cao Shiyu was too lazy to quarrel with her mother-in-law and put down her bag, "OK, then I will wait."

The mother-in-law left quickly, and her mother-in-law walked on the forefoot and Cao Shiyu also went out. She drove directly to Chen Su's house. When she arrived at the door of Chen Su's community, she

saw Shen Junyu's car driving out.

Cao Shiyu's eyes lit up, and did not expect that the relationship between the two was better than she had hoped. Shen Junyu even sent Chen Su home.

With such a thought, Cao Shiyu happily knocked on the door.

Chen Sulai opened the door and saw Cao Shiyu's eyes full of joy. Cao Shiyu's expression of joy, looked at Chen Su vaguely, "Have you been well last night?"

Chen Su sat down on the sofa without talking.

"Chen Su, was the battle fierce last night? Did you use what I gave you? Did it make you more comfortable?"

"Shut up!" Listening to Cao Shiyu's whispering in his ear, Chen Su finally couldn't help breaking out.

Cao Shiyu stared at Chen Su for a while, "Chen Su, what's wrong with you?"

Look up Chen Su's face is pale and her eyes are cold, "Get out of here."

As soon as this remark came out, Cao Shiyu was unwilling. She looked at Chen Su, "I said Chen Su, you can't be like this. I helped you anyway, and made you do what you want. Is that how you repay me now?"

Chen Su reached out to push Cao Shiyu, "You get out, my house doesn't welcome you, you go out now, and you won't be allowed to enter my house in the future."

Cao Shiyu's temper is not good. In addition, although her husband has not made great achievements in the past few years, it can be said that she is compliant. She has a very hot temper and can't bear a little discomfort. Now she is Chen Suhou, where can I bear it?

"Chen Su, do you want to cross the river to demolish the bridge? I let you get Shen Junyu and give you the opportunity to marry into a wealthy man as a young grandma. I haven't succeeded in marrying in now. Is it too early for you to cross the river to demolish the bridge? If I ran to tell Shen Junyu, what do you do, do you think he will marry you?"

Chen Sumu has a face on her face. She is very irritable now, and can even be said to be irritable. "If you can't walk, you will find a security guard if you don't walk."

Cao Shiyu angered, "Chen Su, you are shameless, you really want to cross the river and demolish the bridge. Believe it or not, I immediately call Shen Junyu."

Chen Su finally had a different expression, she looked at Cao Shiyu coldly, "You hit, I watched you hit,

Shen Junyu just left, it should not be far away, maybe you can call him back, we When face to face, rest assured, I will never deny it."

Cao Shiyu looked at Chen Su like this, but her heart was not clear. Her eyes changed, and Chen Su continued to say, "If you don't have his phone number, I can give you, if you want, if you call, you immediately call, no Just hit me and you will get out immediately."

Cao Shiyu's face was green, "OK, Chen Su, you are kind, go away, but after I leave, I don't have your friend. You think you are really married to the rich, and I tell you, you dream."

She dropped the door and left, and Chen Su closed the door, sitting on the ground, with a blank expression.

Cao Shiyu left Chen Su's house, and the more she thought, the more wrong she was. The response of Chen Su just now did not seem to be the desired response. Is it something other than chaos? But last night she watched Chen Su help Shen Junyu in, and the potency of that medicine was so strong that even the most determined people couldn't hold on, it didn't make sense and was unsuccessful, and she just saw Shen Junyu from here. Leave.

Thinking of this, Cao Shiyu successfully comforted herself, depressed the uneasy uneasiness in her heart, and took a taxi back home. When she returned home, her husband looked at her with anger and couldn't help but ask, "What's wrong, go out I was very happy when I was back. Why did you get angry when you came back?"

Cao Shiyu sneered, "It's not that... Forget it, don't say it, the more you think, the more angry you are. By the way, your office director has something to say about it. Will you replace him after the chief leaves?"

Husband sighed, "It's okay, I heard that it's an airborne soldier. It doesn't matter if our family is inside. I'll squeeze the others away. Forget it, let it be."

Cao Shiyu's face sank, "Forget it, forget everything, you see you have been in this unit for a few years, people have risen more than you have entered, save you alone and stay where you are, it's you This is an indisputable temperament, so it's not your turn to do good things."

Probably got used to it, my husband's face didn't change, and he smiled, "I have nothing to do with it, but we can live more comfortably than others. The good things are not me, but the bad things are not me." Ah." He really wanted to open it, knowing how much he weighed a few pounds, whether he was promoted or not, he really didn't care.

Cao Shiyu sneered, "Are you earning our days, your parents, if you give me some gas, can you rely on yourself, as long as your mother is idle all day?"

Her husband was embarrassed, "What can I do? No one on me. I can't go to the director and say that I am senior, even if I wait in line now, should I?"

Naturally, I can't say that, or even the current rice bowl can't be kept. Cao Shiyu calmed down, "Okay, let me do this. I'll find a way." She still wanted to start with Chen Su and give her Husband gets a small section chief, even if it doesn't rely on the Shen family, Chen Su should be able to help her so much, and use this little thing for exchange, isn't it too much?

It's just that Chen Su is angry now, and she is not calm. Cao Shiyu decided to go to Chen Su after two days.

Just before two days, Cao Shiyu's good life ended.

At work on Monday, when the husband arrived at the unit, he was yelled away by the leader. After a short time, he came out of the director's office with a black face. When he returned to his office, he started to pack his things. Colleagues looked at him strangely. A colleague came up and asked what was going on, and was glared fiercely by her husband, "Nothing to do with you, just inquire about anything!"

Colleagues whispered, "If you cut them, they would be fired."

Husband Tie Qing looked at his colleague coldly, and left after holding his own things.

Cao Shiyu was applying a facial mask at home. When she saw her husband came back, Cao Shiyu froze. "Why are you back now? Did you forget something?"

Husband didn't speak with a stinky face, walked into the bedroom and went straight to bed.

Cao Shiyu followed, "What's wrong? Isn't it uncomfortable?"

The husband stared at Cao Shiyu, his eyes were full of anger, and he pointed to the door. "Now I am in a bad mood. I don't want to quarrel with you. You must go out quickly."

347 Chapter Shen Junyu's Counterattack 2 (19 more)

Cao Shiyu froze, watching her husband recover for a long time. The husband has always listened to himself. Since giving birth to his son, he has been obedient to her. He hasn't even told her a heavy word yet. Now she is yelling at her!

"You are in a bad mood and yell at me, but it's not that I made you in a bad mood. Who made you in a bad mood. Who are you looking for?" Cao Shiyu was not upset, and immediately went back.

The husband blacked his face, remembering what the director said to him today, and then looking at this wife, where there was the love of the previous idea, jumped up from the bed, "If it weren't for you, the prostitute People, can I be expelled from the unit?"

Cao Shiyu didn't hear the previous words, he noticed the last sentence, "What, you were fired? You did nothing wrong, why did they fire you?"

Cao Shiyu looked like he was going to find a theory. When he saw that her husband was angry, he didn't hit one place. "You don't want to appear in front of me now. It hurts to see you."

"What do you mean, you were fired by the unit, am I holding you up, or am I wrong?"

"Well, I ask you, what did you do the night before?"

"What can I do, go to the annual meeting of the classmate's company, what do you think I'm going to do and wear you a green hat?" Cao Shiyu was also angry, she could not bear to doubt her.

The husband pointed at her, "You give me a good thought, what the hell do you do, today I just arrived at the unit, the director called me to the office, threw a stack of reimbursement invoices in front of me, let me get out, and said It's my wife who offended someone who shouldn't offend me, and I can't stay in the unit."

The invoices were all invoices for eating, drinking, and playing on weekdays. They were reimbursed in the work unit. Everyone did this, and there wouldn't be any major problems. They just passed by with their eyes closed, but if they wanted to find fault, This is the best excuse.

Husband is usually serious and responsible for his work. The only drawback is that he has more invoices for reimbursement. This time the director caught him and let him get out of it. He also told him the reason.

Cao Shiyu was stunned. He wanted to say something unrelated to himself, but suddenly the thing he went to find Chen Su in his mind suddenly understood the reason. He looked at her husband and said, "Where do I know Shen.... My mind is so narrow ."

After hearing this, the husband immediately understood that it was really a good thing for this woman, "What the hell are you doing?"

Cao Shiyu shrunk his neck. How dare he say that, if he said, the husband would contact himself again, wouldn't he dig himself and bury himself? I also regretted why I had given Chen Su such an idea that day.

Cao Shiyu didn't speak, her mother-in-law pushed open the bedroom door, and pumped on Cao Shiyu's body with slippers in her hand. While pumping, she cursed, "You are a broom star, I have long seen you as a bad thing, weekdays It's okay to eat lazily here, but now my husband, who is still hurt, has lost his job. Do you want our family to drink the northwest wind?"

Cao Shiyu was screamed and asked her husband to help. The husband stepped forward to hold his mother-in-law. Who knew that her mother-in-law had great strength and pushed her son away, "You leave me away, I have to take a good lesson today. I don't know A shameless woman is not allowed."

"Who doesn't know shame, who do you scold, old woman?" Cao Shiyu said.

My mother-in-law blamed, "I scolded you, you just don't know how shameful, my son doesn't know how to work, but I saw it several times, always talking to a man's eyebrows in our community. I didn't know convergence in my face. When I am blind?"

"Old lady, don't talk nonsense." Cao Shiyu screamed in her throat, her unusual reaction suddenly fell into her husband's eyes, and her face immediately changed.

"Am I bullshit? Or do you want someone to come face to face?"

Cao Shiyu looked at her husband, his eyes flustered, "Don't listen to Ma bullshit, I don't have that. I just said two words to people when I met them, and it has nothing to do with him, and I didn't do anything that apologizes to you."

Husband sullenly said, "Since not, what is your guilty conscience, what is the explanation?"

Cao Shiyu's face stiffened, "Aren't I afraid you misunderstood?"

The husband's eyes were slightly cold, "If you didn't do it, would you still be afraid of misunderstanding?"

"Don't talk nonsense to her, this woman is restless, even if she is not derailed physically, mentally derailed, and now you have lost your job, and how much I and your dad made peace. Jin just let you in. Now it's gone if I say no."

The husband felt heartache when he thought about his job. Seeing that her mother was holding slippers and going to hit Cao Shiyu, she turned directly and left the bedroom. She didn't even forget to close the door.

Cao Shiyu was dumbfounded, just in awe-inspiring Kung Fu, her mother-in-law grabbed her hair, and

raised her hand for a beating.

Cao Shiyu scolded while resisting, scolding her husband, scolding her mother-in-law.

When the mother-in-law stopped, Cao Shiyu could already be described as miserable.

Husband has been sitting on the sofa in the living room, listening to the movements in the bedroom with cold eyes, it is not that he is hard-hearted, regardless of the love of the husband and wife, Cao Shiyu lost his job, he can bear it, and he doesn't respect his mother so much on weekdays, He can tolerate it, doesn't he like to go to work, it doesn't matter, he can all bear it. The only thing he couldn't bear was to wear him a green hat, even spiritually.

He believed that even if his mother was dissatisfied with Cao Shiyu, he would not use such things as nonsense.

Cao Shiyu lay on the ground, her clothes were messed up by her mother-in-law, and there were a lot of hair on the ground. Don't look at her mother-in-law's age, but the strength of her body was really not small, completely pressing Cao Shiyu.

The mother-in-law got up from the ground and glared at Cao Shiyu, "You broom star, I want my son to divorce you." He said that he walked out of the bedroom and looked at his son on the couch, "You're still a treasure like this woman, eat now Is it painful? Is a woman's face beautiful and useful? Not at all. I wasn't willing to ask you to divorce. Now I will ask you, if you can't divorce, if you divorce, everything in the family is yours. If you still want to live with this woman, I will take back the house, and then I will sell the house, don't give you a penny if you donate all the money. If you leave, you can give me a word. "

The husband's face changed, and finally nodded, "I leave."

The mother-in-law was satisfied, "If you get a divorce, hurry up and go now."

The husband walked into the bedroom and looked at Cao Shiyu, who was still lying on the ground and pretending to be dead, "Get up."

Cao Shiyu looked at him coldly, "Are you still a man, even if you see your wife being beaten without help, even closing the door to make me beat me?"

"Get up, we are divorced!" the husband said.

Cao Shiyu's face changed slightly, "What are you talking about, do you want to divorce me? Did your brain get flooded?"

"It's my brain that gets married when I marry you. Am I not good to you? Did you wear me a green hat?" her husband asked coldly.

Cao Shiyu's eyes flashed a bit of guilty conscience, "It's called wearing a cuckold to say a few words to others. Do you dare to say that you haven't spoken to other women?" Having lived with the same man for a long time, facing someone all day, that is No matter how good this man is, there will be aesthetic fatigue.

"Cao Shiyu, you were stolen to change the concept, if only a few words, my mother would say that?"

Cao Shiyu secretly hated this damn old lady. Seeing her husband really wanted to divorce her, she quickly got up from the ground and pulled her husband's sleeve. "You listen to mom's words, don't you want to listen to my explanation?" My husband and I have been with you for so many years, don't you really know my feelings for you?" She said the affectionately, but did not touch her husband's heart.

"Divorce, go to the Civil Affairs Bureau now." The husband threw her a sentence.

Cao Shiyu took her husband's hand and softened his tone, "Her husband, I was wrong. I know I shouldn't offend that person. I'm going to find someone to make a crime now, let someone let you go, okay? I promise I won't commit it in the future. It's wrong." She avoided it.

But the husband was not so easy to fool, "Cao Shiyu, I lost my job, I was angry, I was angry, but I can bear, I can't bear you wearing a green hat for you, you should know, don't tell me that it is not a green hat , Spiritual derailment is also derailment."

Cao Shiyu saw that her husband was determined to divorce her, and his face changed, and she didn't pretend to be a little woman. "Divorce it, okay, the house belongs to me, half of the deposit, the child belongs to you."

The suddenly changed face made her husband stunned. He thought that Cao Shiyu would never get divorced after he was killed, but now it has become so fast. Is this the true face of his own person? Suddenly, her husband is refreshing.

"You want to divide your house into a dream. This house is mine, not my son!" The mother-in-law heard Cao Shiyu's words and walked in. She had a feather duster in her hand. What Cao Shiyu wanted to say was the moment she saw the feather duster Go back.

Feather dusters beat people more than soles.

"Divorce, you can only leave the house clean, the grandson is also my family, you can not take away." Mother-in-law put down.

Cao Shiyu's eyes stood up, "Your wishful thinking is loud enough, I want to be white as a wife and grandson, right? Where is there such a cheap thing in the world, either my son or my house and money belong to me."

The three of them were in the room. In the end, the husband and Cao Shiyu went to the Civil Affairs

Bureau and deposited the money to Cao Shiyu. The house and her son belonged to her husband. She wanted the house, but the house was registered under her mother-in-law's name.

Cao Shiyu moved out of her husband's house that day and found a hotel to stay in. She didn't expect to give Chen Su an idea, but she lost all her family. Shen Junyu was really doing something.

She called Chen Su, but Chen Su picked it up. "Chen Su, because of you, my husband lost his job. Now I am divorcing my husband. Are you satisfied?" The call was connected and Cao Shiyu was angry. Said.

Chen Su's voice was soft, without a touch of emotion, "This is the retribution for being an unreliable person, Cao Shiyu. I was wrong when I promised you. Now that I have resigned from the company, we will stop contacting in the future."

"Chen Su, what do you mean, I became like this because of you, shouldn't you compensate me?"

"We all blame ourselves." Chen Su said, and then hung up the phone.

Cao Shiyu hit it again and shut down.

**

In the office of the president of Junlan Group, Shen Junyu listened to Yu Bin's report, and his expression was gentle.

Yu Bin thought about it and asked. "Mr. Shen, this matter is over..."

Shen Junyu smiled and said, "There are so many deposits in her hand, enough for her to hang the gold turtle son, what do you say?"

Yu Bin immediately understood, "I understand President Shen, I will do it immediately."

Shen Junyu yelled, and continued to say, "Since she likes to get men by such means, let her try the same taste."

Yu Bin's heart tightened, "Understood."

Cao Shiyu couldn't get through Chen Su's phone and ran to her home to find her. No one at home knocked on the door for a long time, or the neighbor came out and said that the man was gone. Cao Shiyu asked where he went, and the neighbor said he didn't know.

Can't find Chen Su, Cao Shiyu was full of anger. He found a good looking bar and went in. Alone sitting on the bar and drinking. In winter, she only wore a thin tight skirt. , Still strapless, revealing a deep career line, and the eyes of the men around him are green.

Cao Shiyu ignored his surroundings and drank one after another. After a few drinks, he laid down the money and left. Several men saw this, looked at each other, and followed.

Cao Shiyu just walked out the door of the bar, and a few men gathered around, and kicked their hands. Cao Shiyu slapped their hands open, "Go away, the old lady is not in a mood to play with you."

Where are some men willing to let her go, pulling her, and saying something improperly in their mouths, Cao Shiyu is impatient, a man came over and took her in his arms, "Not with you Having said that, I will come later and let you wait a little longer. Why are you so disobedient and run out alone? And even if you don't wear a coat, what if you get sick?" Although it was blame, the tone was gentle.

It turned out to be the master. Several men saw it and left in a daze.

The man let go of Cao Shiyu and smiled softly, "I was anxious and offended, I am really embarrassed."

Cao Shiyu looked at the man, but he was quite handsome, and he wore a good look. Although he didn't recognize the brand, he didn't look like a bargain at work. Well, he was a good man.

Cao Shiyu finished his appraisal, and slowly smiled, "I should have thanked you just now, thank you for helping me out."

The man smiled, "You don't blame me for being busy, you are here to drink too? Would you like to go in for a drink."

"Okay." Cao Shiyu agreed, his eyes rolled. "This bar is not good. Let's change one, how about going to the charm?"

The man smiled, "OK, I came by car, you take my car?"

Cao Shiyu nodded, followed the man to the car, and looked at the limited-edition sports car worth tens of millions in front of him, and whistled, "Local tyrant."

The man didn't hear clearly, "What?"

"I said this car is good."

"I don't usually have other hobbies, I like cars and occasionally come to the bar to relax."

"Run to the nightclub, you are not afraid of your wife's angry at home?" Cao Shiyu frowned.

The man chuckled, "I'm a single man, I don't even have a girlfriend, where is my wife."

Cao Shiyu pretended to be surprised, "Impossible, it doesn't look like you are single."

"I usually work too busy, where can I call my girlfriend."

"What's your job?"

"I opened a company with my friends and made a small fuss," the man said.

Cao Shiyu quickly calculated in her heart, um, the company has good economic strength, is single, and looks good, a good high-quality man, she secretly laments her good luck.

When it comes to the charm, Cao Shiyu already knows the contact information and address of the man, and the company address is also clarified. It is still a well-known company in this city, so it is more pleasant to talk to the man.

Although getting along is very pleasant, Cao Shiyu did not plan to happen to men. Some things still have to wait for a while. Men who are too easy to get are often not cherished.

"Taste this, the bartender made it just now." The man placed a glass of colorful liquid in front of Cao Shiyu. Cao Shiyu picked it up and took a sip. "Well, it tastes good." Then he took another big sip.

The man held her hand, "Drink slowly, this drink has a lot of energy."

Cao Shiyu smiled, "It's okay, I have a good drink."

The man drank the wine in the glass when he saw Cao Shiyu, and gave the bartender a wink. The bartender nodded and adjusted a glass in front of her. "It was too strong just now, let's try this. This wine is a little milder."

"Still thoughtful." Cao Shiyu said softly.

After a few glasses of wine, Cao Shiyu felt hot, and fanned with her hand. "Did you feel it's hot here?"

The man shook his head, "Is the wine coming up? I told you not to drink like this, you don't listen to it, now it's alright."

Cao Shiyu smiled slightly, "Wake up later, I'll go out and blow a wind." He said he stood up and left.

The man stood up and held her hand, "I'll take you back, it's too late today."

Cao Shiyu thought about it and nodded, "Okay."

Walking out of the charm, Cao Shiyu was awake a little bit, "I'm sorry to trouble you to send me back."

The man smiled, "Isn't it proper to send the lady home when it's late, where does your family live?"

Cao Shiyu reported the address of the hotel and explained, "My house is being renovated recently. I live in the hotel temporarily."

The man was clear and the heater was turned on in the car. Cao Shiyu felt a stream of heat flowing up from her in a moment. She felt no stranger in that way, but she didn't think about the wine tonight, thinking she was herself. Drinking too much, plus meeting a husband who is better than her, no, is a better quality man than her ex-husband and the hormone broke out.

The man sent Cao Shiyu to the hotel. When Cao Shiyu walked swaying, he stepped forward to support her and said, "I will send you up, I promise to take you to the door of the room and I will leave."

Cao Shiyu's refusal was stuck in his throat. The man talked, and when Cao Shiyu opened the door, he planned to leave. Who knows Cao Shiyu hugged his waist from behind, his cheek still rubbing on his back, "Stay tonight to stay with me, OK? ?"

A glint of light flashed through the man's eyes, and he turned to provoke Cao Shiyu's chin.

Cao Shiyu enchanted with a smile, and took the initiative to put on her red lips, dry the fire, and hit it at once.

The two quickly entangled, from the doorway to the bedroom, the clothes fell all the way, and soon a blushing heart sounded in the room, and the consciousness was blurred. The man leaned over and asked gently in Cao Shiyu's ear, "Baby, what's your bank card password?"

"876451" Cao Shiyu reported six figures, his eyes blurred, and he was clearly unconscious.

The man was satisfied and asked again, "What about your mobile phone password?"

"170908"

The man bowed his head and kissed heavily on Cao Shiyu's face, "Babe is awesome!"

Afterwards, the man determined that Cao Shiyu was asleep. Picking up her cell phone and pressing it a few times, her cell phone came up with a prompt. Looking at the numbers above, the man chuckled, bowed his head and kissed on Cao Shiyu's face again, "Thank you, my goblin, we It will expire indefinitely."

The man dressed and left the hotel in a chic manner.

When I woke up the next morning, I could no longer see the trace of the man. She did not care. Anyway, she had left the contact information of the man, so I was not afraid to find someone.

She rubbed her sore waist and smiled softly. This man was more satisfied with her than her ex-husband, and she made her want to scream last night.

She took a glance in her hand and her eyes stopped suddenly. She looked at the prompt message from the bank above with a stunned look. Half of them couldn't recover, showing her credit card consumption record. It was roughly five or six. One hundred thousand, one of the cards has been swiped.'

Cao Shiyu sat up from the bed in shock. She didn't notice that she was unconscious now. She turned on her phone, but she jumped out of her mobile phone album. When she realized what Cao Shiyu opened, she glanced at the album. It was all naked pictures of her, and there were several photos of the man in love. The man's face was not taken, but her face was clear.

There was a note on the bedside table, "Baby, are you satisfied with my service yesterday? Seeing you are still asleep, I can't bear to wake you up, I took the remuneration myself, and yes, I gave it to my phone You left a little gift, hope you like it, if you are not satisfied, I still have it here."

Up to now, Cao Shiyu still doesn't understand where this so-called golden turtle-in-law is a liar. She is now cheated of money and deceived.

Thinking of something, Cao Shiyu got up in a panic, dressed, and ran to a nearby bank. Sure enough, she had no divorce fees from her ex-husband, and owed 500,000 to 500,000 credit cards.

She sat down on the ground with despair.

The bank staff saw her, gave her a strange look, and came forward, "Miss, are you okay?"

Cao Shiyu looked at the bank staff in uniform, his eyes lit up, and ran to the police station like crazy, yes, she wanted to call the police, this damn liar, she wanted to call him to arrest him.

However, the police said that Cao Shiyu voluntarily transferred money to others, and also voluntarily had a relationship with people. It was simply not enough to rape, even if he wanted to file a case, there was no evidence.

"I'm not willing, I was tempted by someone, I was drunk at that time." Cao Shiyu screamed, excited, the police let her calm down, Cao Shiyu looked at the police coldly.

"Calm, it's not you who was cheated of money and deception. Of course you can be calm and cheated of nearly a million. You don't even care. I'm going to the media to report you."

The police was talking with her in a good voice, and now seeing her like this, she suddenly has no patience. "The bank does not have your transfer information at all. You transferred it privately through the software, and it arrived immediately. We even count I want to chase it back, and I don't have that skill. The kids all know not to talk to strangers. You said you, a man in his thirties, would even easily believe in a man who has only come to the side.

Cao Shiyu froze, "I let you solve the problem, not let you count me. Isn't your duty as a policeman to help people solve problems?"

The kindness is regarded as donkey liver and lungs, the police are not happy, close the folder, "we will investigate this matter, and we will inform you as soon as there is news."

"What is your attitude!" Cao Shiyu was dissatisfied.

The policeman said calmly, "You are going to report the case, and we will help you to file the case. We will go back to investigate later. Is there any problem with this attitude?"

"Do you believe me or not, go to the media to expose you, a group of moths that hold money alone."

Being so insulted by the people, the police did not have a good face, "Since you want to expose, please do so."

Cao Shiyu's chest fluctuated violently, and he left the aphorism angrily. The police looked at her with disdain. "Wearing it like that, it's not a good woman at first glance. People don't lie to you."

Colleagues heard this and shook their heads, "Okay, without saying a word, the investigation should still be conducted, and the responsibilities must be fulfilled."

Junlan Group President's Office.

"Okay, you are leaving Beijing now, it is best to go abroad to avoid a period of time, I will call you the last payment." Yu Bin hung up the phone after he said, "President, things are done."

"Tailed clean?" Shen Junyu buried his head in the document without even lifting his head.

Yu Bin nodded, "This person is very reliable. I have arranged for him to go abroad, and will not come back in a short time. He has not seen me, even if other people can't find us."

"Well, that's all right. Is there any schedule in the afternoon?"

Yu Bin glanced at the phone, "No, but tomorrow morning there will be a video conference with the M country branch."

Hearing that there was no schedule in the afternoon, Shen Junyu threw the pen, picked up his suit jacket, and left.

"Relax, President."

Shen Junyu left the company and went to the flower shop first, bought a bouquet of roses, and then drove to Xinhe International.

Downstairs, he stopped and called Wen Xiyao, "Are you busy?" The voice was soft.

Wen Xiyao smiled, "Fortunately, not too busy."

"Then come down."

Wen Xiyao surprised, "Are you downstairs in my company?"

"Well, I wait for you, you come down."

Wen Xiyao quickly got up from the position and ran to the elevator.

Shen Junyu frowned when she saw her breathless, "What do you do if you walk so fast, what should you do if you fall?"

Wen Xiyao smiled, "I'm not papery, it's easy to fall wherever I am, and I don't want you to wait long."

Shen Junyu petted a smile, took the flowers out of the car, and Wen Xiyao took it, "For me?"

"Otherwise?" Shen Junyu asked back.

Wen Xiyao laughed, "I like it very much. You came so far to send me a bunch of flowers?" By the end of the year, when the company was at its busiest, she was already busy as a dog. Shen Junyu was definitely better than her Still busy.

"Naturally not, I'm here to invite the beautiful Miss Wen Xiyao for lunch. Don't know if Miss Wen Xiyao would like to enjoy the light?"

Wen Xiyao smiled and said, "For your sincerity, I will reluctantly agree. You will wait for me for a while, and I will get things."

Shen Junyu nodded and said, "Go ahead, don't worry, take your time."

Wen Xiyao, holding flowers in his hand, walked all the way back to the company and gained the attention of a large group of people in the company, especially those women. "General Wen, President Shen is really nice to you!" the secretary said.

Wen Xiyao smiled slightly and was in a good mood. "The afternoon meeting delayed me for an hour. Those documents will be put first and wait for me to come back." Pass the flowers to the secretary. "Find a vase to put the flowers in and put them on me On the desk."

"Okay, Mr. Wen."

Wen Xiyao took his bag and mobile phone and left.

Wen Xiyao got on the bus, looked at Shen Junyu and asked with a smile, "I'm in a good mood today. Is there something good happening?"

The smile on Shen Junyu's face was mild, "what can happen, nothing." It is to teach a person with an upset thought that the mood is good.

When Wen Xiyao saw that he did not want to say, he stopped asking.

South city.

The incidents of Yan Anbang and Zhao Jiaqing were in full swing. People in Jeonnam City were watching Yan Anbang's joke. For the divorce of his lover and his wife, he was now reported to have beaten his ex-wife. So, because Zhao Jiaqing insisted on sue him, Yan Anbang also struggled in the army.

"An Bang, or should I go to Zhao Jiaqing to apologize, you can see what is going on now." Qin Yan sighed, his face sad.

Yan Anbang has been sullen for a few days. He is now suspended. It is hard to say when he will recover. When he thinks of the culprit who caused all this, Zhao Jiaqing, he wished he could tear her off. He had never hated a person like this. Zhao Jiaqing was the first one. .

If Zhao Jiaqing wanted to use hate to make her remember her words, then she succeeded.

When the doorbell rang, Qin Yan glanced at Yan Anbang and got up to open the door. "Yan Xi, why did you come back? When did you come back?" Qin Yan saw the person outside the door and said in surprise, with a hint of surprise in her eyes.

Yan Xi had been doubtful about what was said in the news. Today, she took advantage of Yan Shengyu and Zhao Jiaqing's inattention to come to the Yan family. She just wanted to ask Yan Anbang in person. She was also prepared to see strange women in her home, but it was true The moment I saw it, I was still sad.

"Come in, how cold it is outside, your father is in the living room." Qin Yan said, turning sideways to let Yan Xi enter.

Yan Anbang had heard Qin Yan's words and knew that Yan Xi was coming, but when he saw Yan Xi, especially when he saw Yan Xi's pale face, Yan Anbang felt distressed and said to Qin Yan, "Yan Yan, You go up first."

Qin Yan smiled, answered well, and turned upstairs.

Yan Anbang looked at Yan Xi lovingly, "Xiao Xi, when did you return home, why didn't you tell your father?"

Yan Xi fixed his eyes on Yan Anbang and spoke softly, "Are you still my father?"

Yan Anbang was startled, "Yan Xi, of course I am your dad." Thinking of Yan Xi probably knowing the news, he said slowly, "Although I am divorced from your mother, you are still my daughter, I am also your father, this will never change!"

Does Yan Xi shake his head, "No, you are not my dad. My dad and my mom have a very good relationship. They are very affectionate and will not divorce. My dad will not hurt my mom for a daughter outside. You are not me Dad, you are not!" Yan Xi shouted suddenly.

Yan Anbang looked at her excited daughter with some anxiety, "Yan Xi, don't be excited. Do you listen to Dad explain to you about this matter? You calm down."

Yan Xi couldn't calm down, she made thousands of assumptions before coming, and thought about it. Maybe she saw a picture of her father and another woman living together when she arrived home, but she really saw it, and Yan Xi couldn't control it. Live yourself.

Her face was full of tears, her chest was undulating violently, and her breathing was heavy. This was obviously an asthma overturn. Yan Anbang was anxious suddenly, watching Yan Xi's legs softly planted on the ground, and hugged her daughter quickly.

"Yan Xi, what about the medicine? Where did you put the medicine?" Yan Anbang asked anxiously. Yan Xi didn't speak. Yan Anbang looked through Yan Xi's bags and found none of Yan Xi's standing medicine. "Yan Xi, you What about the medicine?"

Yan Xi shook his head, his face was very pale, Yan Anbang could not look for the medicine, he picked up Yan Xi and rushed out of the door. Qin Yan heard the movement and went downstairs, he saw this scene, and was anxious immediately, "An Bang, Yan What's wrong with Xi?"

Yan Anbang had no time to explain to her, shouted, "Open the door!"

Qin Yan opened the door, and Yan Anbang disappeared at the door with a gust of wind holding Yan Xi. When he arrived at the hospital, Yan Xi was shocked and sent to the rescue. Yan Anbang sat at the door, holding his head, his face gloomy.

He said fortunately that the delivery was timely, and Yan Xi was not serious. "You parents know that your child has such a disease, why don't you have a common medicine around you?" the doctor asked.

Yan Anbang lowered his head and left the doctor alone. In the past these things were all done by Zhao Jiaqing. After divorcing Zhao Jiaqing, Yan Xi was not by his side. Where did he want to be? Moreover, Yan Xi returned to China this time, so she was even more caught off guard.

Even if the doctor didn't know Yan Anbang, the news said every day in the past few days that she also knew it, and continued to say, "In the future, you will serve as a snack for your parents. Don't know about your idea about Chen Ansi's bad things all day long. "

Yan Anbang looked bad, but he didn't talk to the doctor.

350 Yan Xi is here (2 more)

Yan Xi was already awake and heard the conversation between the doctor and Yan Anbang, but she didn't open her eyes.

Yan Anbang followed the doctor to get the medicine. When he came back, Yan Xi was sleeping with her eyes closed, but her eyelids were trembling slightly.

Yan Anbang said softly, "Yan Xi, Dad knows you are awake and wants to tell you about it. Dad knows that you are resenting Dad, but Xiao Xi, Dad loves you, no matter what my relationship with your mother is, I love you all. I'm sorry about your mom's affairs, but your aunt Qin is not a third party. When my dad and her married, my mom and I were already divorced."

"The reason why I didn't tell you this is because of your body. You just recovered from a serious illness at that time. The doctor said that you can't be a little stimulated. Mom and Dad are hiding you for your own good."

Yan Xi opened her eyes and looked at Yan Anbang quietly, "Did that woman have a daughter with you?"

Yan Anbang froze for a long time, but she suddenly didn't know how to explain the incident to her daughter's clear eyes, but just asked, "Yan Xi, who told you about this?"

Yan Xi's eyes quickly flashed a question, yeah, who told her about it? Why would she know that she still blurted out so naturally?

Yan Anbang understood Yan Xi's reaction to another meaning, she did not want to say.

There are only a few people who know this matter. In fact, it is not difficult to speculate that Yan Shengyu will not tell Yan Xi, then only Zhao Jiaqing is the rest, and the hatred towards Zhao Jiaqing is deep in my heart.

Yan Xi was silent, but Yan Anbang was not silent. He continued to say, "Yan Xi, this matter is very complicated. It is related to an old thing that year. It is a grudge between you and your mother. It has nothing to do with you and your brother. Dad hopes You can look at this matter calmly, and don't be prejudiced against your father because I divorced your mother and remarried."

Yan Xi listened to Yan Anbang and couldn't tell what it felt like. Her heart was suddenly calm, as if she

were standing still.

She quietly watched Yan Anbang's lips squirm, and her ears were Yan Anbang's words, but there seemed to be no sound. The picture faded away and suddenly became blurred.

Yan Anbang said for a long time, and when he saw that Yan Xi had no reaction, he suddenly felt powerless and powerless to Yan Xi.

Yan Shengyu looked very ugly when he arrived at the hospital. Even if he knew that Yan Xi was okay, but the anger in his heart had not diminished at all. Even when Yan Anbang was seen, he didn't even call.

Qin Yan stood outside the ward. When she saw this scene, her eyes were full of smiles, but after entering the ward, she changed her face again, her face full of guilt and anxiety.

"An Bang, is Yan Xi all right?"

When Yan Xi saw her, her eyes changed immediately. She kept watching her and Yan Shengyu immediately turned to look at Qin Yan, "Please go out."

Qin Yan's expression was stiff, and he was speechless. Yan Anbang felt distressed, but when he saw Yan Xi's eyes, he said, "Yan Yan, go back first. You don't need you in the hospital."

Qin Yan looked sad, but still smiled, "I'm leaving now." She glanced at Yan Xi, "Yan Xi, no matter how hostile and incomprehensible you are to me, to marry me and your father. What kind of ideas you have are all things between our adults. Your dad is really sincere to you. Not telling you is also afraid of stimulating you. I hope you don't misunderstand your dad's kindness. I'll go first, you rest well."

Yan Xi tilted her head and did not want to look at her. Qin Yan sighed deeply and left.

"Let's go too." Yan Xi said to Yan Anbang. She didn't want to see Yan Anbang. She was very confused now.

"Yan Xi." Yan Anbang called her name.

Yan Shengyu looked at Yan Anbang, "Xiao Xi is not in good health now, you should stop stimulating her."

What Yan Anbang wanted to say stuck in his throat, and left the ward with a sigh.

Only Yan Xi and Yan Shengyu were left in the ward. Yan Shengyu looked at Yan Xi, and Yan Xi spoke first, "Brother, don't talk, let me be alone."

"Okay, my elder brother doesn't speak. I'll be here with you. If you have any need, just tell my elder brother."

Yan Xi nodded and tilted his head to look out of the window and became absorbed.

Just now, a picture flashed in her mind, very strange, and passed in a flash, she had not grasped, and those pictures disappeared. She tried hard to think back, but could not remember.

"Brother, what about my cell phone?" Yan Xi suddenly said.

Yan Shengyu froze, handing her mobile phone to her, Yan Xi took it, looked at the name in the address book, her finger paused at the top of the screen for a long time, after all, she did not press it, put the phone aside, "Brother, I am sleepy Now."

"Then sleep, your brother is here with you and will never bother you."

Yan Xi closed her eyes, and she wanted to go back to Sydney City. Everything here disturbed her suffocating.

Yan Shengyu waited for Yan Xi to fall asleep, and then got up and walked out of the ward. When he left, Yan Xi, who was supposed to be asleep, suddenly opened his eyes and left after putting on his shoes.

When Yan Shengyu came back, he didn't see Yan Xi's person. His face changed slightly, and he asked the nurse. The nurse said that Yan Xi had left. To go downstairs to relax, Yan Shengyu searched the whole hospital and found no Yan Xi's person.

Calling Yan Xi, Yan Xi did not answer, but sent him a text message saying that he wanted to be alone, and would come back when he understood, and promised not to do anything stupid.

Shen Qinglan is painting at home. The model is still Fu Hengyi. In recent days, she is hooked on the painting Fu Hengyi. Whenever she has time, she and Fu Hengyi sit in the living room to paint.

When she heard someone looking for it, Shen Qinglan was still wondering. When she saw Yan Xi, she was even more surprised.

"Yan Xi?"

Yan Xi made a smile, but it was matched with her pale face. This smile was not good-looking. "I'm sorry, elder sister, suddenly came to you, but I really have no place to go."

Shen Qinglan's beautiful eyes flickered, sideways, "Come on first."

When Yan Xi came in and saw Fu Hengyi, he was a little surprised. Fu Hengyi saw the person who came in and said nothing, but said to Shen Qinglan, "I have gone first." Shen Qinglan nodded.

Shen Qinglan poured a glass of water to Yan Xi and placed it in front of Yan Xi, "How did you find me?"

Yan Xi was holding water in her hand. She was a little cold now. When she heard Shen Qinglan's words, she whispered, "There is your information on the Internet, saying that you are married to the elder grandson of Fu's family. I know that Fu's family lives in this compound. So I found it."

"What if I don't live here?" Shen Qinglan asked her.

"I just wanted to come and try my luck, and if I couldn't find me, I left."

Shen Qinglan looked at her, not knowing what she was thinking, "Why are you looking for me?"

Yan Xi shook his head, "I don't know. When I was in the hospital today, I suddenly wanted to see you. The idea was so strong that even I was surprised myself, and then I came."

Yan Xi could not give a definite explanation for the impulse in his heart, but fortunately, Shen Qinglan did not have any displeasure. She sighed with relief in her heart. On the way to her, Yan Xi had imagined that maybe she would be turned away and might be treated as a neuropathy, but fortunately, Shen Qinglan felt as kind as she felt in her heart. Did not happen.

"I'm sorry, to disturb you like this, I know it is impolite, but I don't know why I want to see you like this." Yan Xi whispered.

Shen Qinglan smiled slightly, but there was a pain in her eyes. She knew that Yan Xi would do this, but it was because she knew it, so she was more sad. Yan Xi, I hope you can forget me completely, don't be in I subconsciously regarded me as a person who can be trusted and trusted.

"It doesn't matter, you can come to me at any time." Shen Qinglan said, "Do you know your family?"

Yan Xi shook his head, and Shen Qinglan's eyes were indeed such an expression, "Your family will be worried if you run out like this."

Yan Xi lowered her head and her voice was soft, "I know, but I don't want to see them, elder sister, I know I am wayward, but I want to stay with you for a while now, I promise not to disturb you for a long time, I will leave in a moment."

Shen Qinglan reluctantly explained, "I don't mean that. You can stay as long as you want, but I hope you can talk to your family and don't let them worry. Or you can call me your family and I will call you. Speak the phone?"

Yan Xi reported Yan Shengyu's phone call, and Shen Qinglan made a call to Yan Shengyu in front of Yan Xi. Yan Shengyu knew that Yan Xi was here in Shen Qinglan, and was unexpectedly justified, just said, "Yan Xi now knows After my parents got divorced, I was in a bad mood. I still have to ask you to take care of her. It's troublesome. I will pick her up tomorrow."

Shen Qinglan gave Yan Xi a glance, ah.

"Your brother said that the sky will pick you up." Shen Qinglan said.

Yan Xi nodded, "Thank you big sister, I'm causing you trouble."

Shen Qinglan's eyes flashed with pity, looking at Yan Xi's sadness now, and suddenly wondering whether it was right or wrong to do so. The same sorrow and shock experienced twice, even ordinary people should collapse.

"It's not troublesome. I met you in Sydney before and I liked you very much, but I only told you my English name at the time, which made me a little sorry."

Who knew that Yan Xi's eyes lit up when he heard this, "An is my sister's English name, not a pseudonym?"

Shen Qinglan heard something, and she could not help crying and laughing, "Well, it's an English name."

Yan Xi's mood suddenly became a little clear, knowing that Shen Qinglan did not lie to her, and her clearly sad heart was cured a little.
