

Chapter 343: You guys are living together (1)

“It’s good that you know.” Hmph! Xu Youyou snorted. if you yell at me again, I’ll get da Bai to beat you up.

Xu Jialu snorted and reached out to rub her little head. I’ll give you some colors and you’ll start a dye shop! I’m just letting him have his way, he’s still the boss, it’s not like I can’t beat him.”

Xu Youyou pouted, obviously not believing his words.

Xu Jialu wiped the tears from the corner of his eyes and got back to the topic. have you really decided to go to Paris? ”

“I’ve thought about it,” Xu Youyou nodded and said with certainty.

“Even old dog mo has agreed?”

Xu Youyou’s eyes darkened. he doesn’t agree.

Without waiting for Xu Jialu to speak, she added, ” I’m going even if he doesn’t agree! I’m not going to prove anything. I just feel that I’m still young, so I should go out and take a look instead of living my whole life under your care and protection.”

“But Paris is too far away.” Xu Jialu’s eyes were filled with sadness. if you’re bullied again in the future, I won’t be able to help you even if I want to!

The things that had happened to her in the past had left a huge shadow in his heart. He always felt that she would be bullied when she went out.

At that time, he couldn’t do anything, and he would hate himself for being powerless!

“Brother, I’m no longer the Xu Youyou of the past.” Her eyes shone with light and confidence as she said firmly, ” “I won’t be bullied again. Even if someone bullies me, I’ll fight back!”

Fu ning’s fate was the best proof. Not only could she protect herself, but she could also protect the people around her.

Xu Jialu knew that she had made up her mind and no one could persuade her, so she took a deep breath and compromised.

“If you want to go, then go. However, if that old dog mo doesn’t agree, I won’t help you.” In fact, he was still on old Mo’s side this time.

Xu Youyou gave a faint smile. I knew you were the best.

Xu Jialu patted her head again. you’re a fence-sitter, don’t think I don’t know that you said the same thing in front of that old dog mo.

Aiya, you’ve messed up my hair ... Xu Youyou turned her head away and pretended to be disgusted.

Xu Jialu's eyes were slightly red, but there was a smile on his face that came from the bottom of his heart. His slender fingers used as a comb to comb her hair bit by bit.

Mo shenbai walked in with a Luggage Bag. Xu Jialu was sitting on the bed without moving, but Xu Youyou had already fallen asleep.

Xu Jialu got up quietly, turned his head to glance at mo shenbai, and went out without saying anything.

Mo shenbai had sobered up. After putting down his luggage, he walked to the bed and tucked Xu Youyou in. He turned off the night light at the head of the bed before turning around and walking out of the ward.

Xu Jialu did not leave. Instead, he walked to the end of the corridor, opened the window, and lit a cigarette.

Mo shenbai walked over and stopped beside him. His voice was hoarse and low. give me one.

He didn't usually smoke, so he naturally didn't have any cigarettes on him.

Xu Jialu glanced at him, but still took out a cigarette box from his pocket and threw it to him.

Mo shenbai took out a cigarette and lit it. He put it to his thin lips and took a deep puff. The smoke lingered and blurred his handsome features.

Xu Jialu flicked the cigarette butt, and white smoke came out from the tip of his nose. He opened his mouth impatiently.

"Did you already know that she was reminiscing about the past?"

Mo Shen's Bai knot rolled as he mumbled a "hmm" in a low voice.

"F * ck!" Xu Jialu turned his head sideways and looked at him. you knew it all along but didn't tell me. What kind of brother are you? "

"She didn't want you to worry." Mo shenbai's brows were tightly furrowed, and his eyes grew darker. I don't want to evoke your unpleasant memories.

"F * ck!" Xu Jialu cursed again and looked at the night view of the city outside.

The lights were clearly dim, but his heart was filled with desolation, and he always felt empty and silent.

Mo shenbai continued to smoke without a word.

Xu Jialu was silent for a long time before he said, "She really wants to go abroad."

Mo shenbai's long eyelashes fluttered, and his eyes were colder than the moon. He pursed his lips and remained silent.

"You really can't let her go?" Xu Jialu turned to look at him.

Compared to Xu Youyou, he knew what kind of person mo shenbai was!

Selfish and paranoid, exquisite and self-interest!

Mo shenbai nodded without any hesitation. I can't.

it's your business if you don't let her go, but I hope you won't hurt her or make her sad, especially after what happened today! Xu Jialu said as if he knew it would happen.

Mo shenbai nodded. this kind of thing won't happen again.

He loved her so much and tried his best to protect her, but in the end, she was the one who got hurt every time.

Xu Jialu stubbed out his cigarette and patted his shoulder. let's go.

Mo shenbai stood by the window alone, his expression submerged in darkness. He did not react even when the cigarette burned his skin.

The stars twinkled in the night sky, and the Milky Way flowed. The moon hung high in the night sky, coldly looking at everything in the human world.

His thin lips parted slightly, and his voice was like a Midnight Radio host, low and pleasant.

I could have endured the darkness if I had never seen the sun.

However, the sun has made my desolation into a new desolation.

Recently, Qin Siyu had been taking care of the store during the day, and at night, she had been researching on the new perfume. At night, she leaned on the sofa and watched a movie to relax, falling asleep without realizing it.

In her sleep, the doorbell suddenly rang urgently, one after another, like a Reaper urging her to reincarnate.

Qin Siyu was woken up by the doorbell. She felt a nerve in her head hurting, and she raised her hand to rub her forehead.

The ringing of the doorbell continued.

In the end, Qin Siyu could not help but stand up and walk to the door. Her beautiful face was filled with anxiety.

"Why are you ringing the doorbell in the middle of the night? there's ..." He said angrily the moment he opened the door.

When she saw the man in front of her clearly, her voice stopped abruptly, and her charming eyes were filled with surprise and confusion.

Why was he here so late at night?

No, how did he know my address?

Bo Qi's expression was dark, and he entered directly from the side.

The apartment was very small. The living room, the rooms, and the open kitchen could be seen at a glance.

Her gaze fell on the shoe cabinet at the entrance. When she saw the men's slippers on the shoe rack, her eyes instantly turned gloomy.

"You guys are living together?"

"Ah?" Qin Siyu was stunned for a moment. When she came to her senses, she grabbed his arm and pushed him away.

"Who allowed you to come in? It's none of your business who I'm living with!"

Bo Qi stood on the spot without moving, his large palm clasping her arm and pushing her to the shoe cabinet.

Her eyes were red and her voice came out from between her teeth. do you do it? "

Qin Siyu wanted to push him away, but the difference in strength was too great. With Bo Qi on guard, she was helpless.

"It's your ..."

She had just opened her mouth when Bo Qi lowered his head and covered her lips.

This mouth was really asking for a bite.

Qin Siyu was not to be trifled with. She would not let him take advantage of her even if she could not push him away. She opened her mouth and bit his lower lip.

They were merciless and soon tasted the stench of blood.

Bo Qi had long been overwhelmed by anger and did not feel pain at all. When he let go of her, he devilishly wiped the blood on his lips.

"Is he more powerful or am I more powerful?"
