

Chapter 348: Antisocial personies_1

Xu Youyou seemed to have reached the end of her patience. She stepped forward and grabbed her wrist, trying to snatch her phone away.

Bai Ying's expression changed. She wanted to pry her hand away, but her nails dug into her skin.

However, Xu Youyou did not seem to feel the pain. She grabbed her wrist with one hand and snatched the phone from her palm with the other.

The phone flew in a high arc and fell into the lake with a " Dong ".

Xu Youyou flung her hand away and realized that her hand was bleeding and in pain.

Bai Ying didn't panic even though she didn't have her phone to broadcast. Anyway, there were already a lot of people watching.

She tidied her hair, which was messy from her argument with Xu Youyou, and said in a cold voice, " "Do you think he really loves you? Naive woman, he can't really love you. He won't love anyone in his life because he doesn't have the ability to love anyone ..."

His empty eyes looked at Xu Youyou with a little sympathy.

A classmate saw Xu Youyou's hand bleeding and kindly handed her a tissue.

Xu Youyou said, " thank you. she took it and pressed it on her bleeding wound, her bright eyes filled with coldness.

Bai Ying, it's useless no matter what you say. You won't be able to sow discord between da Bai and me.

After she finished speaking, she wanted to leave. She didn't want to be entangled with Bai Ying here.

Xu Youyou had just taken two steps when Bai Ying looked at her back with eyes full of ridicule. Her unhurried voice rang out,

"Moshen Bai has an antisocial personality. He's not a healthy personality at all."

Xu Youyou stopped in her tracks and turned to look at her with disbelief in her eyes.

There was an uproar around them. Everyone lowered their heads and discussed that mo shenbai was actually an antisocial personality.

Antisocial personality. Such a person was very dangerous!

"You're talking nonsense!" Xu Youyou's heart trembled, and she instinctively shook her head in denial. da Bai isn't like what you said. He's a good man and has never done anything to hurt others or harm society ...

"When he was eight years old, he went to the kitchen and bit off a chicken's neck to drink the raw blood. His father and I took him to the doctor, and the doctor gave him a diagnosis himself. Do you want to see the diagnosis?"

Bai Ying took out mo shenbai's medical record from her pocket. The doctor's personal diagnosis was on it. Antisocial personality ...

Xu Youyou stared at the diagnosis report in her hand. The doctor's handwriting was very wild. She couldn't read many of the words at the beginning, but she could clearly read the last two words, "antisocial personality."

It was as if someone had pressed his pressure points, and he was frozen on the spot, unable to move. His thick, curly eyelashes were still trembling violently, and his lips were trembling non-stop. His voice was almost inaudible.

"Impossible! That's impossible ... It can't be!"

She recalled the times she had spent with Great White, and every single one of them had been so heartwarming. When he spoke, when he smiled, and even when he was angry, he had never done anything to hurt her.

How could he have an antisocial personality!

Absolutely impossible!

"I don't believe it!" Xu Youyou came back to her senses and said firmly, "da Bai can't have an antisocial personality!"

"It's written in black and white, you still don't believe it?" Bai Ying scoffed coldly, "do you have to wait for the doctor from back then to stand in front of you and tell you before you'll believe it?"

Xu Youyou's face was pale. Under the curious, sympathetic, and disdainful gazes of the crowd, she straightened her back and stood tall.

"Who knows which quack doctor you found to write a few sentences and then try to pour this basin of dirty water on Great White! I won't be fooled, and no one will believe you!"

She did not believe Bai Ying's words and could not show any signs of wavering. Otherwise, everyone would believe that da Bai was an antisocial personality and everyone would look at him with strange eyes.

This was equivalent to a social death.

"I'll find a quack doctor to pour dirty water on him?" Bai Ying was infuriated by her attitude. Her eyes were red and bloodshot. She clenched the medical record tightly and gritted her teeth. "he's my son. I carried him for ten months and gave birth to him! If he didn't have an antisocial personality, why would he bite a chicken to death and drink its blood?"

Can you imagine him sitting in a pool of blood, his hands and even his mouth full of blood, and smiling at you?"

Xu Youyou bit her lip and said nothing. It was Midsummer, but she felt like she was in an ice cave.

Bai Ying's hands were trembling as she held the medical records. She still felt that the scene was strange and terrifying even now. Even her voice was trembling ...

if he didn't have an antisocial personality, why would he push qianyue down the stairs and why would qianyue die? "

"He's an emotionless demon! Do you think he really loves you? He's just pretending to love you and pretending to be a normal person. In fact, he doesn't know what love is, what love is, he's just an emotionless beast!"

Xu Youyou kept saying, " it's not like that. What you said isn't true ... but her throat seemed to be blocked and she couldn't make a sound.

The students around them were all shocked and terrified. They felt their blood run cold from the scene that Bai Ying had described!

They gradually began to believe Bai Ying's words.

Mo shenbai was her biological son. If not, why would she hate her own child?

Some of the faster ones had already picked up their phones and went online to post!

Originally, Bai Ying's live broadcast had already caused quite a stir on the internet. On the internet, some of them had written descriptions, some had videos, and some had taken photos to upload. #Moshen Bai's antisocial personality #instantly became a hot search.

Xu Youyou couldn't help but pinch the wound that Bai Ying had made. The pain in her body gradually calmed her flustered mind and she regained her rationality.

It didn't matter if Great White had an antisocial personality or what other people thought, she had to stand by Great White's side and trust him with all her heart!

He must not be doubted!

Xu Youyou calmed herself down and was about to speak when mo Zhiyun's indignant voice came from outside the crowd. my big brother doesn't have an antisocial personality. Stop talking nonsense!

Mo Zhiyun pushed his wheelchair and squeezed through the three layers of people surrounding him. He looked up at Bai Ying and said, " big brother has been very good to me all these years. He has feelings for me. Don't slander him!

When Bai Ying saw her, her eyes instantly became complicated and obscure.

Mo Zhiyun pushed the wheelchair to Xu Youyou's side, her almond-shaped eyes filled with determination. Youyou, didn't you say that no matter what others think, we have to believe in him? "

Believe in mo shenbai and die nine times without regret.

Xu Youyou nodded. yes, we all know that da Bai isn't like what she said!

Bai Ying saw that they were still protecting moshen Bai with determination, and a look of pity appeared on her face. Her cold voice slowly rang out.

"If it wasn't for qianyue's heart beating in your body, do you think mo shenbai would really look at you?"
