

Chapter 349: Someone fell into the water (1)

Mo Zhiyun's expression changed slightly. A trace of hesitation flashed through his eyes, but he pursed his lips and did not say anything.

you're just a vessel that contains my daughter's heart. Do you really think you're the mo family's young lady?" Bai Ying's expression was cold and full of mockery. you are not qianyue, and you will never be qianyue. You are not worthy.

Xu Youyou lowered her head to look at her in surprise. Zhiyun ...

Mo Zhiyun lowered his head for a moment, but when he raised it again, his usual frankness and sincerity was restored.

that's right, mo qianyue's heart was indeed transplanted to me. It's because of her heart that I'm able to live to this day. But so what?"

She raised her head, and her childish face was calm. She said neither humbly nor haughtily, "I have never thought of becoming mo qianyue. She is her, I am me, I am mo Zhiyun, I have never been a substitute for anyone! Big brother has never treated me as mo qianyue. He took pity on me for not having any status in my original family, so he brought me up!"

"It's not like that." Bai Ying shook her head and retorted agitatedly, "he just treated you as a vessel for qianyue's heart ...

"You abandoned him when he was very young and left with another man. Do you really understand him?"

Mo Zhiyun questioned her in a loud and clear voice.

"I've been calling him big brother for so many years, don't I know him better than you do? My big brother is fine, he has no problems!"

"Right!" Xu Youyou firmly agreed with mo Zhiyun's words. Her words were meant for Bai Ying and everyone else at the scene.

"I'm his wife, and I've been with him all day. I know what kind of person he is better than you, an incompetent mother!"

"No, you don't know anything. You don't understand anything!"

Bai Ying shouted hysterically, "you guys don't understand at all!"

As he spoke, he took out a fruit knife from his bag and looked at Xu Youyou crazily.

The students around her were so scared that they stepped back when they saw the knife in her hand.

Xu Youyou was also shocked. She did not expect Bai Ying to be so bold as to come to the school with a knife and commit murder.

he killed my daughter and ruined the rest of my life. I'm going to destroy everything he has today!

Mo Zhiyun saw Bai Ying approaching them with a knife in her hand and quickly pushed Xu Youyou. Youyou, run ...

Xu Youyou came back to her senses and pushed mo Zhiyun's wheelchair to run.

However, before she could take two steps, Bai Ying grabbed her hair and pulled her back.

"Ah!" Xu Youyou cried out in pain and released her grip on the wheelchair.

Aiyo ... mo Zhiyun turned around anxiously.

Xu Youyou's hair was pulled by Bai Ying, and she raised a fruit knife with her other hand. The silver blade shimmered coldly under the sun, so bright that she could not open her eyes.

The surrounding students had not been out in society and had not experienced much. Facing this sudden situation, they were all scared silly and could not react for a while.

She watched helplessly as the fruit knife in her hand was about to stab into Xu Youyou's body.

The cold tip of the knife was about to touch the back of Xu Youyou's waist. Xu Youyou could even hear the sound of the blade piercing through cloth ...

At the critical moment, a black shadow suddenly stepped forward and grabbed the blade with his hand.

Fresh blood gushed out and dripped onto the ground.

Bai Ying was stunned. She raised her head and saw Fu Jianchen's cold side profile. "You, what are you doing?"

Fu Jianchen turned his head, his eyes gloomy. "I should be the one asking you that! Mom, what do you want to do?"

"You don't need to care!" Bai Ying released her grip on Xu Youyou's hair and pushed Fu Jianchen away.

The fruit knife was also pulled out of Fu Jianchen's palm, and the cold blade was stained with bright red blood.

Xu Youyou lost control of her body and fell to the ground.

Bai Ying bent over and rode on Xu Youyou's body. She raised her hand and stabbed at her for the second time.

This time, Xu Youyou was facing her directly. She grabbed her hand that was holding the knife and used all her strength to prevent the knife from falling.

Mo Zhiyun's reaction was faster than anyone else's. He went up and hit Bai Ying. "You crazy woman ... Let go of Yayo!"

"Get lost!" Bai Ying kicked mo Zhiyun's wheelchair.

Mo Zhiyun's hand didn't manage to catch her, but the wheelchair lost control and quickly rolled toward the lake ...

"Cloud weaving!"

When Xu Youyou saw that Zhiyun's wheelchair was out of control, she was instantly distracted ...

The fruit knife in Bai Ying's hand was instantly pressed against her heart.

Fu Jianchen groaned in pain. Seeing that Xu Youyou's heart was about to be pierced, he couldn't care less about his bleeding hand and went forward to hold Bai Ying's waist with one hand.

"Release me! Let me go! I'm going to kill her! I also want him to suffer for the rest of his life ..."

Fu Jianchen's left hand tightly held the out-of-control Bai Ying. However, no one could control a person who had lost his mind when he went crazy.

"What are you all doing? Help me!"

Fu Jianchen shouted with all his might, his face red.

The students who had been scared silly finally came back to their senses and went forward to help.

Xu Youyou didn't even have time to catch her breath. She got up and ran to the lake.

There were no guardrails around the man-made lake in the campus, so Mo Zhiyun's wheelchair kept rolling down. She couldn't stop it at all.

He flipped over and fell into the lake with the wheelchair.

"Cloud weaving!"

Without any hesitation, Xu Youyou jumped down to save Mo Zhiyun.

Mo Zhiyun's legs couldn't exert any strength. Even though she tried her best to struggle upwards, her body still sank down involuntarily, as if something was pulling her down.

He lost consciousness after choking on a few mouthfuls of water.

Xu Youyou swam down quickly, trying to grab her ...

On the shore.

Bai Ying, who had lost control, was held by Fu Jianchen with one hand. One of the boys who came to help grabbed one of her arms, while the other boy snatched the weapon from her hand.

Bai Ying screamed like a crazy person. Fu Jianchen, let me go ... Let me go! Let me go, I'm going to kill them ..."

Only then did someone react. Someone fell into the water.

A few of them who could swim immediately jumped in to help.

In the lake.

Xu Youyou grabbed Mo Zhiyun with all her strength and dragged him up.

However, his body was gradually losing its strength, and his breathing was also insufficient. The scene in front of him became a little blurry.

The water around her was rippling. Someone was coming down. She pushed mo Zhiyun to the other person with all her might.

The other party swam further down and managed to grab mo Zhiyun's hand with great difficulty. Then, he and another boy worked together to pull mo Zhiyun up.

Xu Youyou wanted to swim up as well, but her back suddenly felt like it was being pricked by thousands of needles. It was so painful that her body instantly stiffened. Her limbs seemed to have lost all feeling and she could not move at all.

The attention of the two boys was focused on mo Zhiyun, so they didn't notice her strange behavior.

Xu Youyou couldn't catch her breath and choked on a mouthful of water. Then, countless Cold Lake water poured into her nose ...

His entire body sank uncontrollably.

It kept sinking.

It kept sinking.
