

PAMPERING 350

### **Chapter 350: Xu Youyou, I admit defeat \_1**

Xu Youyou felt as if she had sunk to the bottom of the lake, but she could still see a ray of light on the surface of the lake.

However, that ray of light seemed to be getting further and further away, and also getting smaller and smaller.

Her long black hair fluttered like seaweed, blocking her sight and the last bit of light.

She slowly closed her eyes, and her entire being fell into boundless darkness.

\*\*\*

The two people who had emerged from the water and the people on the shore worked together to carry mo Zhiyun to the shore. The students who knew first aid rushed forward to perform first aid.

Only then did someone react. where's Xu Youyou? Xu Youyou is still in the water!"

The two male students turned back to look at the lake. The splashes they had made earlier gradually dissipated, and the surface of the lake returned to its calm state.

After a few seconds of dead silence, before anyone could react, a black shadow jumped.

With a " bang ", a huge splash appeared on the surface of the water. The movement was so big that the splash gradually reached the faces of the people on the shore.

Mo shenbai was in a video conference in the study when he suddenly received a call from PEI Chuan.

The company's public relations department had been paying attention to the direction of the news on the internet. Once they saw a trending topic related to Chairman mo, they immediately reported it to PEI Chuan.

PEI Chuan immediately ordered the public relations department to contact the person-in-charge of the website to delete all the negative comments while calling mo shenbai.

Mo shenbai immediately interrupted the meeting and rushed to mo University.

On the way, he contacted cangming. After what had happened before, cangming did not leave the school during the day. However, he could only observe from the outside and could not enter the school to avoid causing trouble for Xu Youyou.

He had been extra careful these few days to prevent the fu family from getting close to mo University, but he did not expect that Bai Ying would still be able to sneak in.

When Cang Ming arrived, he only noticed that Bai Ying was under control, but she was still going crazy. He went forward to help and asked anxiously, " where's Madam? "

It was only when he saw mo Zhiyun being carried out of the water that he reacted. Just as he was about to go down to save him, mo shenbai had already rushed over.

Without any hesitation, he jumped into the water and started searching.

Cang Ming handed the white cherry blossom to the security guards and quickly jumped into the water.

The others did not hesitate any longer. "Plop, plop," they all jumped in to save the others like dumplings.

By the time Lu He Yun arrived, Mo Zhi Yun was lying on the ground, his entire body wet. His face was as pale as a sheet of paper, without a trace of blood, and his wet hair was messily stuck to his face.

The girl in charge of emergency treatment was still performing CPR on her.

Lu Heyun immediately took off his suit and stepped forward to help the exhausted girl. Let me do it.

He continuously performed CPR on Mo Zhiyun and gave her mouth-to-mouth resuscitation. His warm voice was tense and cold at the same time. Zhizhi, Zhizhi ...

Mo Zhiyun's eyes were tightly shut without any reaction.

Zhizhi ... Lu He Yun's clear eyes were covered with dark clouds, and his voice was getting colder.

His cold palm pressed against her heart and pressed hard.

cough cough ... Mo Zhiyun suddenly coughed and spat out a few mouthfuls of lake water.

Lu He Yun paused in his actions and heaved a sigh of relief. Zhizhi ...

Mo Zhiyun woke up, and the moment he saw him, tears began to stream down his face. Lu He Yun ...

Baba's voice was full of grievance and fear.

Lu Heyun took off his suit and draped it over her body. He reached out to hold her and let her lean into his arms. His big palm kept caressing the back of her head. It's okay, it's okay. Don't be afraid ...

I, I thought I would never see you again ... Wuwu ... Mo Zhiyun clutched at his clothes and sobbed.

"No, you're fine. You're safe now." Lu He Yun coaxed her patiently.

...

In the lake.

Mo Shenbai finally found Xu Youyou at the bottom of the lake. He grabbed her hand, pulled her into his arms, and swam up quickly.

Cang Ming was the first to discover them. He went forward to help and pushed the two of them onto the shore.

Xu Youyou's pale face was covered in water droplets, and her body was so cold that there was no warmth at all.

Aiyo, Aiyo ... Mo Shen's white and cold features were full of panic and worry, and he kept patting her face.

Xu Youyou's eyes were closed, her wet eyelashes were still, and her breath was almost gone.

Mo shenbai first checked for her breath, then turned his head and put his ear against her heart. Her weak heartbeat seemed to disappear at any time.

He didn't dare to hesitate. He immediately carried her up and pressed his knee against her abdomen. With his head down, his cold palm pressed against her back as he poured water.

"Aiyo ... Aiyo ..."

His deep voice was filled with great uneasiness and fear, and even the end of his voice was trembling. ugh ... Xu Youyou opened her mouth and spat out a pool of water.

Mo shenbai immediately laid her flat and patted her cheek with his fingers. Aiyo, Aiyo ...

Although Xu Youyou had vomited water, she did not wake up and her breathing was still weak.

Mo shenbai pinched her nose and lowered his head to transfer air to her, again and again. The beads of water on his face were no longer clear whether they were water or sweat, and the corners of his eyes gradually turned red.

Xu Youyou's aura was getting weaker and weaker ...

Cang Ming came forward to help with CPR, and Mo shenbai did artificial respiration.

Xu Youyou still did not respond.

Mo shenbai lost control of his emotions. He held her face in his hands and his voice choked uncontrollably. Aiyo, didn't you want to go to Paris? I'll let you go, I'll let you go ...

Xu Youyou, I admit defeat.

At the side, mo Zhiyun, who was in Lu He Yun's arms, saw this scene. Tears fell like rain from a broken tap.

She couldn't bear to look away.

hehe ... Bai Ying was pinned to the ground but she still revealed a smug smile when she saw this scene. Her eyes were Scarlet and her smile was twisted and sinister. Her laughter grew louder and louder.

"Mo shenbai, this is your retribution! Your retribution has finally arrived ..."

Mo shenbai did not seem to hear her words and just kept on transferring energy to Xu Youyou.

When the ambulance arrived, Cang Ming pulled him away. The emergency personnel carried Xu Youyou into the ambulance and rushed to the hospital while providing emergency treatment.

Mo Zhiyun had also fallen into the water. Lu He Yun carried her into the ambulance.

When mo shenbai turned around, he heard Bai Ying's wild and proud laughter. Every sound was like the roar of an evil ghost from hell.

His face was ashen as he walked to Bai Ying and squatted down. His eagle-like eyes stared at her as he leaned forward and said in a low voice, "All these years, didn't you just want to know how qianyue died?"

The smile on Bai Ying's face froze, and she instantly held her breath. Her sinister eyes stared at his face.

Mo shenbai's cold voice sounded cruelly, and every word was like a knife stabbing into Bai Ying's heart.

I personally pushed mo qianyue out of the window. Are you satisfied with this answer? " Mom."

This 'mother' was not a form of respect, but a form of revenge!

The son that she had been carrying for ten months had killed her beloved daughter.

And she could do nothing but roar helplessly.
