

Chapter 352: Xiao Bai's heart is broken (1)

"Mo! Deep! White!" Mo qianyue put her hands on her waist angrily.

"If you don't, I won't let you eat." Mo shenbai leaned back on the bed again.

Mo qianyue was so angry that she took a deep breath, and finally called out helplessly, " brother!

"Be good!" Mo shenbai took out the snacks he had hidden and gave them to her. eat, eat. You'll become a chubby little sister sooner or later!

"I won't!" Mo qianyue sat side by side with him on the bed, munching on her snacks as she said, " "You have no idea how tiring it is for me to learn ballet every day! I really envy you!"

"What are you envious of?" Mo shenbai pointed to the mountain of books on the table. envious that I read and did more homework than you? "

Mo qianyue's mouth was stuffed with snacks, and she shook her head like a rattle. then I'd rather learn ballet.

Mo shenbai leaned against the head of the bed and played with his plane model, not saying anything.

Xu Youyou sat at the end of the bed and looked at the brother and sister. She suddenly thought of Xu Jialu.

The way Great White and qianyue got along was the kind of brother-sister relationship that she had always been envious of. They had a very good relationship, and they talked and quarreled.

As mo qianyue was eating, she suddenly turned her head and asked, " "What do you want to do when you grow up?"

Mo shenbai thought for a moment and handed her the model plane. okay.

"What?" Mo qianyue didn't understand what he meant. you want to sell toys? "

"Flying a plane." Mo shenbai knocked her head. you only know how to eat.

Mo qianyue pursed her lips and threw the model aside. I don't like ballet, I want to learn Taekwondo. When I grow up, I want to be a police officer and catch all the bad guys!

Mo Shen rolled his eyes at her. there are many bad guys in this world. Can you catch all of them? "

"I'll catch as many as I can."

Mo shenbai got out of bed and walked to the desk beside the bed. As he opened the book, he said, " mom is still planning to train you to be a lady. If you say you want to be a police officer, she'll probably be furious.

Mo qianyue got down from the bed, walked to his side and sat down. I don't want to be a Princess! I want to be a police officer, and you'll definitely help me when the time comes, right?"

Mo shenbai looked straight at the book. why should I help you? "

“Because you’re my brother!” Mo qianyue said righteously, “you’re only a minute older than me, and you want to be my brother? you have to help me!

“.....”

Mo shenbai rolled his eyes speechlessly. He supported his chin with one hand and looked like he didn’t want to talk to her.

Mo qianyue was eating her snacks with a bright and beautiful smile, looking like a carefree little girl.

A gust of wind blew in from outside the window, blowing mo shenbai’s thick fan-like eyelashes and Mo qianyue’s snow-white dress.

Xu Youyou could not believe Bai Ying’s words.

Da Bai and qianyue’s relationship was clearly very good. How could he have caused his own sister to die?

At night, Bai Ying and Mo Teng did not come back. Mo shenbai and Mo qianyue returned to their rooms after dinner.

Xu Youyou had nowhere else to go. She had been following mo shenbai like an invisible shadow.

Mo shenbai went to take a shower while Xu Youyou stood in front of the bookshelf and read his books. There were all kinds of books, most of which were pictures of planes.

It seems like da Bai really likes planes.

Xu Youyou’s eyes dimmed at the thought of da Bai.

Mo shenbai was about to go to bed after taking a bath when someone knocked on the door. Before he could speak, mo qianyue came in.

“You don’t have your own room, so why do you keep coming to my room?” Mo shenbai frowned, his tone mixed with a trace of disdain.

“I can’t sleep.” Mo qianyue pursed her lips, walked to the bed and sat down. you can chat with me.

Mo shenbai reached out and pushed her. dad and mom won’t let you sleep in my bed. They said that you’re all grown up and there are differences between men and women.

Mo qianyue refused to get off his bed. they haven’t come back anyway. They won’t know if we don’t tell them.

Mo shenbai couldn’t argue with her, so he had to let her have the bed. He got out of the bed, put on his slippers, and pulled a chair to sit on.

Mo qianyue didn’t feel guilty at all after she got what she wanted. Instead, she occupied his bed and pillow with ease. mo shenbai, I want to hear you tell me a story!

“You’re already so old, and you’re still listening to bedtime stories!” Mo shenbai glanced at her.

Mo qianyue chuckled. no matter how big I am, I’m still a minute younger than you, brother ...

“.....”

At this moment, mo shenbai was so regretful that his intestines turned green. He had buried himself in the pit he had dug in the afternoon!

He got up helplessly and went to the bookshelf to look for a book.

Mo qianyue looked at his back and shouted, “ I don’t want to listen to your aviation knowledge. Find me a fairy tale book!

Mo shenbai turned around and glared at her. do you think I’d watch Snow White Sleeping Beauty or Cinderella? ”

I don’t care, I don’t care ... mo qianyue turned her head and covered her ears, “ I won’t listen, I won’t listen, mo shenbai will chant.

Mo shenbai was speechless.

In the end, he chose a collection of essays.

Mo shenbai didn’t know how to tell a story, so he just followed the script. However, his voice was pleasant to the ear, so he could hypnotize people even if he had no feelings.

Not only did mo qianyue start yawning after five minutes, even Xu Youyou, who was sitting at the desk, felt sleepy.

However, she didn’t dare to sleep. She was afraid that she wouldn’t be able to see how da Bai looked like when he was young. She was even more afraid that she would really die in her sleep and not know anything.

She pinched her own thigh, but she felt nothing. She was really dreaming.

Xu Youyou couldn’t resist mo shenbai’s pleasant voice and fell asleep on the desk.

In her dazed sleep, she suddenly heard a sound from downstairs.

Xu Youyou suddenly opened her eyes, and Mo qianyue was also startled awake.

She sat on the bed, her clear eyes not showing any signs of sleepiness.

“Mom and dad are back?”

Mo shenbai selected the essay collection and nodded.

“Are they quarreling again?” mo qianyue asked.

Mo shenbai replied with a “ hmm ” as usual and turned to look at her. go back to your room quickly. Don’t get me scolded.

Mo qianyue sat there without moving.

Mo shenbai frowned and looked at her. mo qianyue.

“Do you think they’ll get a divorce?” Mo qianyue raised her head to look at him. the parents of my classmate who learned ballet with me were like this. At first, they quarreled for a few days, then they quarreled every day, and then they got divorced.

Mo shenbai was silent. How could he understand the matters of adults?

Mo qianyue pursed her lips. I don’t want them to quarrel, and I don’t want them to get a divorce.

“We can’t meddle in her Excellency’s Affairs.” Mo shenbai lowered his eyes and said in a faint voice.

Mo qianyue pondered for a moment, and a hint of slyness flickered in her eyes. I have a way!

“What?”

“Let’s quarrel!” Mo qianyue looked at him with sparkling eyes. as long as we fight, their attention will be on us, and they will not fight.

Mo shenbai didn’t quite believe her bad idea. they won’t believe it. Besides, I don’t quarrel.

He had only fought with others.

Mo qianyue lifted her blanket and walked to the bookshelf, picking up a black plane model.

Mo shenbai’s expression changed instantly. mo qianyue, I saved a month’s worth of pocket money to buy that. Put it down ...

Mo qianyue smiled at him and let go.

The black plane fell to the ground with a “ bang “, and the wing broke.

Xu Youyou seemed to hear something shattering.

Oh, it was the sound of Xiaobai’s heart breaking!

“Ah ... Mom, help ...” He cried.

Mo qianyue pretended to be scared and ran downstairs.
