

Chapter 354: The cutest person in the world (1)

Mo shenbai picked up his chopsticks and was about to eat when Bai Ying spoke again.

you didn't even apologize when you hurt your sister. As punishment, you're not allowed to have dinner. Go back to your room and reflect on your actions.

Mo shenbai clenched his chopsticks for a few seconds, then finally let go, got up, and went upstairs.

Bai Ying also got up to check the wound on mo qianyue's foot, and could not help but complain, "Back then, I told you not to let your dad bring Xiao Bai back to raise him. Look at what he's become now. You don't even know how to take care of qianyue!"

"Alright, little white didn't do it on purpose." Mo Teng said in a coaxing tone, "I don't think the wound is deep. It will be fine after a few days of rest. It won't affect qianyue's dance practice.

Mo qianyue quickly nodded. mom, I'll be fine after a few days of rest.

Bai Ying sighed helplessly. we can only do this now ...

When mo shenbai reached the top of the stairs, he couldn't help but stop. He turned his head to look in the direction of the dining room, then lowered his head and went upstairs alone.

"Hey!" Xu Youyou, who had seen everything, was furious. how can you do this? It wasn't da Bai's doing at all. Why don't you guys listen to his explanation?"

No one could hear her. Xu Youyou stomped her feet angrily, but she still chased after mo shenbai upstairs and followed him into his room.

He climbed up to the desk and sat by the window. He picked up the model plane and flew in the air.

It was as if he was free and unrestrained.

Xu Youyou walked over to the table, her eyes misty. da Bai, don't be sad! You didn't do anything wrong. It's their fault ..."

She stepped forward and wanted to hug mo shenbai, but she couldn't touch him no matter what.

No matter how hard she tried, she just couldn't hug him.

Her tears fell uncontrollably.

After an unknown period of time, there was a knock on the door.

Mo shenbai got down from the table and went to open the door.

Mo Teng walked in with a plate of food. you must be hungry. Dad asked the kitchen to make this. Hurry up and eat.

Mo shenbai looked at the plate on the table and shook his head. I'm not hungry.

silly child, you'll be starving if you don't eat. Mo Teng lowered his head to look at him and said softly, "How can I not eat?"

Mo shenbai lowered his head in silence and no longer spoke.

"Hurry up and eat. Rest early after eating." Mo Teng patted his head and said, "dad is busy with a big project and is not at home. You are the only man in the family. You have to take good care of mom and sister, understand?"

Mo shenbai raised his head and glanced at him. His lips moved slightly, but in the end, he did not say anything and nodded.

Mo Teng smiled and went out.

Mo shenbai looked at the food on the table and had no appetite. He was ready to take a shower.

The door was pushed open again.

Mo qianyue jumped in on one foot, carrying a bag in her hand. mo shenbai ...

Mo shenbai saw that it was her, and a trace of impatience flashed past his eyes. what do you want now?"

Mo qianyue handed the bag to him. I know you didn't eat tonight, so I brought all the snacks I had hidden.

"I'm not eating." Mo shenbai refused coldly and was about to go to the bathroom with his pajamas.

Mo qianyue hurriedly grabbed his arm.

Mo shenbai was about to shake off her hand when mo qianyue hurriedly said, "It hurts. My feet still hurt."

Mo shenbai paused, and his gaze fell on her tiptoe. you scratched it in the afternoon?"

Mo qianyue nodded, her round eyes looking at him, full of grievances.

Mo shenbai sighed helplessly. He took the bag from her hand and helped her to the table.

"Hey, dad brought you food." Mo qianyue noticed the food on the table. since dad has brought you food, can you return the snacks to me?"

He reached out to take back his snacks, but moshen Bai quickly hid the bag behind him. No.

Mo qianyue immediately pouted.

"Who asked you to wrong me again?" Mo shenbai glanced at her, walked to the side, and sat cross-legged on the ground. He opened the bag to see what was delicious.

Mo qianyue got up and hopped to sit beside him. who told you to want mom and dad to get a divorce!

Mo shenbai's action of taking the snacks paused, and he swallowed the words that were on the tip of his tongue.

She lowered her head and ate her snacks.

Mo qianyue also took a pack and started eating with him.

look, mom and dad haven't quarreled for the past two days. This means that my method is still very effective.

When mo shenbai heard this, he frowned. you still plan to continue? "

"Yeah!" Mo qianyue nodded. as long as we don't get along, they won't quarrel! If we didn't quarrel, we wouldn't have divorced!"

Mo shenbai looked at her pure smile and didn't attack her naive thoughts.

Mo qianyue finished eating her snacks and lay down on the floor, her uninjured feet moving around. mo shenbai, what do you think we'll look like when we grow up? "

"You'll know when you grow up." Mo shenbai didn't have much expectation for the future.

Since he could remember, his grandfather had told him that he was going to inherit the company in the future, and his future had been planned long ago.

Even if the thing he yearned for the most was to go to the sky.

Mo qianyue pursed her lips. I really want to grow up quickly and tell them that I don't like ballet, and I don't like to be a lady! I want to be a police officer, I want to catch bad guys! I still want to marry you!"

"You're shameless!" Moshen rolled his eyes. you're already thinking about marriage at this time? if you want to get married, you can get married. I'm not getting married.

Mo qianyue turned to look at him. are you not going to get married in the future? "

"I'm not marrying." Mo shenbai replied without thinking, " women are troublesome.

Mo qianyue hit his arm angrily, " don't say girls. We are very cute. Maybe you'll get a very cute wife in the future! We can play together then!"

"....."

Mo shenbai was too lazy to pay attention to her. She was too childish.

Besides, he really felt that women were troublesome.

Xu Youyou laughed as she cried. stinky da Bai, I'm not troublesome! I'm very cute, the cutest in the world."

In the days that followed, Xu Youyou followed mo shenbai like a ghost, accompanying him to and from school.

It was just that mo Teng hadn't come back much recently, or he came back very late, and they had already fallen asleep, so mo qianyue didn't have to deliberately find fault with mo shenbai and quarrel with him.

Bai Ying accompanied mo qianyue to dance practice every day, taking care of her food and studies. She was meticulous.

She was only concerned about mo shenbai's studies and nothing more.

Such peaceful days continued until the day before mo shenbai and Mo qianyue's final exams.

Mo Teng returned late at night, reeking of alcohol and perfume.

Bai Ying exploded once again. you say that you're busy with work every day. Are you busy with work or are you busy with some Little Vixen? "

Mo Teng had finally won the project that he had been busy with for half a month. After signing the contract with his partner that night, he went to celebrate. When he came back, he was criticized and humiliated by her before he could share it with her.

Perhaps because of the alcohol, he couldn't help but yell at her, " can you not make a mountain out of a molehill? I did go out to socialize, but I've never done anything to let you down!

"I'm making a mountain out of a molehill?" Bai Ying was so angry that she sneered. She went up to him, grabbed his collar, and asked, " then where did the perfume on you come from? And whose lipstick is that on your collar?"
