

Chapter 355: Let's find a deer (1)

"How would I know who was the one who went up?" Mo Teng brushed her hand away. He was angry and helpless. Bai Ying, can you not be so suspicious? Why can't you just trust me?"

"I don't believe you?" Tears welled up in Bai Ying's eyes. I just trusted you too much. I believed that you could protect me and marry you.

But Where were you when I gave birth to little white and qianyue? Where were you when your dad carried Xiao Bai away? Did you protect me?"

"I've said it many times, I had a very important contract to sign at that time, and I rushed to your side after signing it! My dad took Xiao Bai away because he wanted to groom Xiao Bai as his successor. He was afraid that you would spoil the child too much and would not return him to you in the end."

Bai Ying shook her head, tears streaming down her face. it's not like that. Your father values boys over girls. When qianyue was born, he didn't even hug her. No one in the mo family thinks highly of me. Everyone thinks that I'm too far ahead of you ...

But you were the one who pursued me and begged me to marry you ..."

Mo Teng helplessly raised his hand to rub his temples. why do you always keep harping on this past? Have I not done enough for you? What do you want me to do?"

Bai Ying looked at his impatience and her heart was filled with disappointment and coldness. She wiped her tears and said, " let's get a divorce! I don't want anything, I only want qianyue ..."

Mo Teng's movements froze. He lowered his arm and looked at her in disbelief. He could not believe what he had heard.

Mo shenbai and Mo qianyue, who were walking down the stairs, were also stunned in place.

Mo qianyue's tears fell down.

Mo shenbai's expression was very calm, as if he had known that such a day would come.

Mo Teng saw the children from the corner of his eye and suddenly looked a little panicked. Xiaobai, qianyue ...

Bai Ying's expression also changed. She turned around and looked at mo qianyue, who was crying like rain. Her eyes were filled with panic, " qianyue ...

Mo qianyue's face was full of tears. Without saying anything, she turned and ran upstairs.

"Qianyue." Bai Ying hurriedly chased after him upstairs.

Mo shenbai watched her walk past him without stopping, his eyes dim.

Mo Teng took a deep breath and stepped forward to comfort him. mommy only said that because she was angry at daddy for quarreling with her. Daddy and Mommy will not divorce.

Mo shenbai raised his head. His eyes were calm and cold, and even his voice was much colder.

it's up to you. I don't really care if you two are together or divorced.

Mo Teng's hand, which was about to touch his head, froze in mid-air. He had not expected him to say such words.

if you really get a divorce, qianyue will leave with mom and I will move to live with Grandpa.

With that, he turned around and went upstairs.

Mo Teng was still stunned on the spot.

Most likely due to their quarrel, mo shenbai and Mo qianyue did not do well in their final exams. They did not even make it into the top ten in class.

Mo qianyue even sprained her ankle in a Ballet Competition and couldn't go out for half a month, and the low pressure in the mo family continued.

Elder mo flew into a rage when he saw mo shenbai's report card. He could not help but scold Bai Ying for being an incompetent mother. She could not even take care of her child's studies. A loving mother would spoil her child.

Bai Ying listened to the old man's reprimand and without retorting, but her heart was filled with dissatisfaction.

Mo qianyue and Mo shenbai were hiding upstairs and did not come down.

Mo qianyue looked at the blue sky and white clouds outside the window, and said gloomily, "Do you think they'll really get a divorce?"

Mo shenbai looked up from his book and turned to look at her. if they really got a divorce, would you leave with mom? "

if they really get divorced ... mo qianyue's eyes dimmed and her voice sounded like she was about to cry, "I won't go with mother, I won't go with anyone, I want to live on my own ... I will never talk to them again.

"Do they include me?" Mo shenbai asked.

Mo qianyue resisted the urge to cry and turned to look at him. we'll see. If you don't make me angry, I'll play with you.

Mo shenbai was amused by her. He reached out and pinched her cheek. silly.

Mo qianyue slapped his hand away. you're the fool ...

Mo shenbai listened to the chirping of cicadas outside and was silent for a long time. He then said in a low voice, "If they really get a divorce, you'll have to endure it for a few years! When I grow up and take over the company, you'll live with me. I'll raise you and help you prepare for your wedding! I'll find you another good man!"

Mo qianyue smiled through her tears, " are you serious? You're not lying to me, right?"

Mo shenbai flicked her forehead. I won't lie to you if you call me brother!

Mo qianyue pursed her lips. then who are you looking for to be my husband? " I don't want Xie tingxi, I'm terrified when he smiles. I don't want Bo Qi either, he's too noisy, my head is buzzing ..."

The corner of mo shenbai's mouth twitched slightly, and he knocked on her head. I'll find you a dwarf deer!

what? " mo qianyue was puzzled. why a deer? "

"Dwarf deer is the scientific name, also known as Pixiu silly Pizi," said moshen Bai.

Mo qianyue was so angry that she punched him again.

In the end, Bai Ying, who was originally in a bad mood, became even angrier and reprimanded mo shenbai again.

Mo shenbai was already used to it and did not make any excuses.

That night, Bai Ying scolded another servant. The reason was that the servant brought her the bird's nest that she had stewed and did not remind her when it was too hot.

After Bai Ying was scalded, she vented all her emotions on the servant and even threw the bird's nest on the ground.

The servant apologized and squatted down to clean up the bird's nest on the ground.

When Bai Ying left, she accidentally stepped on the other party's hand. She only paused for a moment and left without an apology.

The servant walked out of the room with a tray. When she passed by mo shenbai's room, mo shenbai was standing at the door.

"Young master." She lowered her eyes and called out.

Mo shenbai took out a white envelope and handed it to her. my condolences.

The servant was stunned. She looked up at him in disbelief.

Only then did Xu Youyou remember that she was not the servant who had her monthly salary deducted by Bai Ying.

The helper came back to her senses. She lowered her head and said in a bitter voice, " thank you, but it's okay.

all my pocket money is here. I'll pay you back as much as I can. Mo shenbai had also heard from others that her child was sick. He had borrowed a lot of money to see the child's illness, but the child had not been saved.

He still owed a lot of money.

The servant's grip on the plate tightened. She wasn't grateful, but said coldly, "I don't need the charity of you rich people,"

He went downstairs after he finished speaking.

Mo shenbai lowered his arms and lowered his head.

Xu Youyou felt that he was not worth it. what kind of person is he? Little white is helping you out of good intentions. If you don't appreciate it, then forget it. Why are you so fierce!"

Mo shenbai did not get angry. He even found a servant to pass the envelope to her, just as if she had given it to that person.

Xu Youyou felt a surge of warmth in her heart. my Great White has always been kind since he was young!

However, something that no one expected happened that night.
