

**Chapter 356: Did he go crazy?**

Before she went to bed that night, the servant brought a glass of milk and apologized to Mo Shenbai.

Mo Shenbai accepted her apology and went to sleep after drinking the milk.

Xu Youyou didn't want to lie beside him. It felt weird, as she would feel like a dead ghost. So, she usually sat on the floor or lay on the edge of the bed. She could look at him all the time and sleep when she was tired.

Late at night, the moon was bright and the stars were sparse. The surroundings were silent, and the originally closed door was slowly pushed open.

Xu Youyou woke up inexplicably. She opened her eyes and saw a person walking in sneakily.

The lights were not turned on in the room. Xu Youyou waited for the man to come in. With the help of the cold moonlight outside the window, she saw the man's face clearly and felt a sense of uneasiness.

"What are you doing?"

"Hey! What do you want to do to little white?"

The servant stood by the bed and stared at the sleeping Mo Shenbai for a long time. Finally, she lifted the blanket and carried Mo Shenbai.

When Xu Youyou saw her carrying Mo Shenbai, she was burning with anxiety and shouted desperately, "Little white, wake up! Xiao Bai, stop sleeping, wake up!"

The servant carried Mo Shenbai down the stairs and turned to the kitchen.

She placed the sleeping Mo Shenbai on the ground and leaned against the sink next to her. Then, she opened the bag next to her and took out a hen that had not been slaughtered.

Xu Youyou was standing at the kitchen door. She was stunned when she saw this.

Bai Ying's words flashed through his mind.

When he was eight years old, he went to the kitchen and bit off a chicken's neck. He drank the raw blood.

Realizing something, Xu Youyou rushed to her side and shouted hysterically, "You can't do this. He's still a child. He's never done anything to let you down!

Even if you want to take revenge, you shouldn't take revenge on him!"

Unfortunately, the servants could not hear her at all.

She carried the hen to Mo Shenbai and squatted down next to him. Her expression was numb, and her eyes were almost twisted. "My son is the same age as you, but he will never have the chance to grow up. You're different, you were born with everything you need, you have too much ... This isn't fair!"

"It's not his fault. Don't hurt him. Don't be so cruel to him, okay?" Xu Youyou was so anxious that her tears fell like rain. She almost begged humbly, " don't hurt my da Bai, don't hurt him, I'm begging you ...

The servant grabbed the chicken's head and bit down on its neck, breaking the blood vessel. The chicken's blood spurting out and splashed on her face and moshen's white face.

From then on, her pure white face seemed to be covered in dirt that could no longer be washed away.

Xu Youyou knelt at the side and watched everything happen helplessly.

He watched as she smeared the chicken blood on mo shenbai's mouth, body, and stuffed the chicken that had struggled for a long time before it stopped breathing into mo shenbai's arms ...

Bright red blood stained his clothes and dripped to the ground. The air was filled with the thick smell of blood.

It was the aura of evil that surged up from the abyss.

The servant left the kitchen after she was done.

Xu Youyou stayed by mo shenbai's side. She wanted to wipe the blood off his face, but she couldn't touch him.

No matter how hard she tried, she could still touch the face of the person she loved the most.

It was dawn, and the night seemed to have finally passed, but the dark and white Night had just begun.

There was a scream at the kitchen door, then two, three ...

Bai Ying and Mo Teng, who had been woken up, went downstairs unhappily. it's so early in the morning. What are you two making a big fuss about? "

Sir, Madam, young master, he ... the servant was flustered and stopped talking.

Bai Ying and Mo Teng walked towards the kitchen door. Mo shenbai happened to open his eyes and rubbed his eyes when he saw them. He smiled and said, "Morning ..."

There was dried blood around his mouth, his palm, and his body were all covered in blood ...

Bai Ying drew in a breath of cold air and could not help but cover her mouth. Her face was filled with fear and uneasiness.

Mo Teng was also stunned.

Mo qianyue, who had been woken up, went downstairs and saw everyone crowded at the kitchen door. She curiously squeezed over, but when she saw mo shenbai's appearance, she was so scared that she stepped back.

Mo shenbai's muddled mind gradually cleared up, and he realized that something was wrong. This was not his room.

He lowered his head and looked at his hands. They were all covered in blood. His palms, fingers, and even the gaps between his fingernails were covered in blood. He could even taste the rust on his pants.

Beside him was a stiff chicken with feathers all over the ground ...

He was completely dumbfounded, not knowing what had happened.

brother ... the first thing mo qianyue wanted to do when she realized what was going on was to walk towards him.

She had only taken one step when Bai Ying stopped her. qianyue, don't go over ...

Mo shenbai raised his head to look at them. Everyone was looking at him with a complicated and fearful expression.

He was completely flustered. At his most helpless moment, he instinctively asked for help from the person he relied on the most in the depths of his heart."Mom ..."

Bai Ying hugged mo qianyue and refused to let her go. She looked at mo shenbai with fear and ... Disgust.

Yes, it was disgusting.

With just one glance, mo shenbai was stunned. His eyes suddenly turned red and mist filled his eyes as tears rolled down from the corners of his eyes ...

Bai Ying turned a blind eye to his bewilderment and even fear. She only forcefully brought mo qianyue out of the kitchen.

Mo Teng also reacted and stepped forward to pick him up. He asked the servants to clean up the kitchen and ordered everyone not to spread what had happened today, or they would bear the consequences.

Xu Youyou could no longer cry. She looked at them coldly as they hurt mo shenbai in the most hurtful way, and her heart felt like it was being cut by a knife.

Mo Teng brought mo shenbai to the bathroom to wash the blood off his body and change into a clean set of clothes.

He tried to ask Mo shenbai what had happened.

Mo shenbai was silent from beginning to end, not saying a word.

Mo Teng let them rest for a while, and when he went out, he met Bai Ying. She said anxiously and irritatedly, " "Did he go crazy? He won't hurt qianyue, right?"

Although she had lowered her voice, mo shenbai could still hear every single hurtful word in the dead-silent morning.

He sat on the sofa without saying a word. He just looked down at his hands. The blood between his fingers had not been washed clean. It was as if he was silently saying that he was a madman.

He was not a normal person.

Mo Teng frowned and said, " don't say that. Xiaobai might be sleepwalking.

who sleepwalks and bites a living chicken to death? his teeth are full of blood. He must have drunk the blood.

“No, we can’t let him stay here anymore. We have to send him away immediately,” Bai Ying said with a strong attitude.

Mo Teng did not agree. let’s take Xiao Bai to the doctor first before we talk about it.

if the doctor is certain that there’s something wrong with him, he must be sent away, ” Bai Ying said. this time, he only killed a chicken. What if he kills a person in the middle of the night? ”
