

**Chapter 367: Do you want to make a bet?**

Xie Yumu climbed onto the bed and hugged her. Her eyes were red as she said, "Godmother, you're finally awake."

Xu Youyou hugged him and patted his back. I'm fine. Mumu, don't worry.

Xie Yumu sniffled and whispered in her ear, "I'm afraid that you'll end up like mom and never wake up again."

Xu Youyou's heart tightened. Thinking of Yun Youwei's death, she couldn't help but feel sorry for Xie Yumu. She touched his head and said in a gentle voice, "I won't. I'm just a Sleepyhead, so I slept for a few more days."

Xie Yumu pouted. Godma is a big lazy worm!

Xu Youyou smiled and did not refute.

Mo shenbai was afraid that he would crush Xu Youyou, so he grabbed him by the collar with one hand and lifted him off the bed.

Xie tingxi was wearing a dark blue suit today. He had changed into a pair of round, golden-rimmed glasses. He put them on the bridge of his nose to hide the coldness in his eyes. He looked even more abstinent and refined.

it's good that you're awake. You've scared Shen Bai so much these few days. His thin and red lips opened slightly, and there was a faint smile on his face. I stayed by your side for a week without eating, drinking, or sleeping, and I fainted right away. I've never seen Hanhan before.

Mo shenbai turned his head and shot him a cold look, indicating for him to shut up.

Xie tingxi smiled and didn't continue.

Xu Youyou was startled. She looked up at moshen Bai, her heart aching and feeling guilty. Great White ...

Mo shenbai didn't want her to be sad, so he comforted her. he's just a little dizzy. He didn't faint. Don't listen to his nonsense!

Xie tingxi smiled helplessly and shook his head. Who was talking nonsense?

With Xie Yumu in the ward, it wasn't so cold. He had been repulsed by Xu Youyou at the beginning, but now he was almost clingy.

Xie tingxi and Mo shenbai went out for a chat.

your brother-in-law has been doing a lot of small things recently. You should be careful. Xie tingxi had naturally heard some rumors, so he gave him a friendly reminder as a friend.

Mo shenbai had been staying in the hospital for the past few days. Even when PEI Chuan came to the hospital to report about the company, he was not in the mood to listen. Naturally, he did not know what had happened to the company.

“He can’t even keep his cool. It seems like I’ve overestimated him.” Mo shenbai’s tone was calm, without a trace of surprise. He had obviously expected this.

Xie tingxi laughed, “a person who has climbed out of the swamp will naturally seize every opportunity to climb up!” He’s the mo family’s son-in-law in name, how can he be more practical than the money in his pocket?”

Xie tingxi and Mo shenbai both looked down on people like Lu Heyun, who climbed up by unscrupulous means.

“It’s fine if he can stuff the money into his pocket with his own ability.” Mo shenbai’s thin lips curled up slightly and he said sarcastically, “I’m just afraid that my heart is higher than the sky, but my life is thinner than paper.”

Seeing that he had plans for Lu Heyun, Xie tingxi didn’t say much and changed the topic. I heard that you agreed to let her go abroad? ”

Mo Shen’s Bai hou knot moved slightly and he replied with a low “ mm.

“Willing to?”

“So what if I can’t bear to?” Mo shenbai raised his head and glanced at him. are you still going to let her risk her life by my side? ”

Although the White Sakura had entered, it was hard to guarantee that there would not be another white Sakura.

He had been living too comfortably for the past two years, so much so that people had forgotten what kind of person mo shenbai was!

Xie tingxi thought for a moment. it’s time to clean up the garbage in this city.

The two merchants, who would not get up early if there was no profit, looked at each other and seemed to have reached a tacit understanding in silence.

Da, da, da. The crisp sound of high heels stepping on the floor tiles interrupted the two people’s idle chat. When they looked up, they saw Qin Siyu, who was wearing a black short skirt, walking over like a meteor.

She was swaying, beautiful and charming.

Qin Siyu greeted them. I heard that Youyou has woken up, so I’m here to see her.

“Let’s go in.” Mo shenbai nodded.

Qin Siyu pushed open the door to the ward. Xu Youyou was pleasantly surprised to see her. sister Siyu ...

“You’re finally awake.” Qin Siyu placed the fruit basket she was carrying on the table. I was really shocked when I saw the news.

Xu Youyou smiled in embarrassment. I’ve made you worry ...

Qin Siyu pulled out a chair and sat down. I’m glad you’re fine.

Mo shenbai wasn’t interested in the girls’ conversation. He thoughtfully closed the half-closed ward and turned his head to see who Xie tingxi was texting on his phone.

“When did you become such a gossip?”

The name of his chat was ‘bashful Bo ERHA’.

After Xie tingxi sent the message, he put away his phone and smiled. the Bo family is very interested in that piece of land in Xi Cheng. Coincidentally, I’m very interested in it too.

Mo shenbai raised his eyebrows. you’re even targeting the Bo family. Be careful. He might fall out with you.

a piece of land for a wife. You might think it’s a loss, but some people think it’s worth it.

“He can’t control Qin Siyu.” In his opinion, this deal was not worth it, and it was very likely that it would be a waste.

The smile on Xie tingxi’s face deepened. do you want to make a bet? ”

“What are we betting on?”

if Bo Qi can bring the beauty home, sister-in-law will give birth to a daughter who will be my daughter-in-law in the future. I’ll also give you 10% of the mo corporation’s shares as dowry.

Mo shenbai’s eyes darkened, and his face turned cold. His thin lips parted slightly. you’re dreaming!

He wanted both a daughter-in-law and 10% of the mo corporation’s shares. How dare he ask for such an exorbitant price!

Xie tingxi took a step back. alright, I don’t want the dowry. I’ll just send my daughter over.

Mo shenbai’s face was expressionless as he replied, ” “Get lost,” he said.

Xie tingxi shrugged his shoulders helplessly. It was really difficult to take advantage of him.

\*\*\*

Not long after Xie tingxi left with Xie Yumu, Bo Qi rushed over with a bouquet of flowers in his hand. The moment he pushed open the door, his gaze fell on Qin Siyu.

Qin Siyu saw him frowning slightly, and suspected that mo shenbai had leaked the information. Otherwise, how could they have run into each other so coincidentally?

Bo Qi shifted his gaze away from her and pretended not to see her. He walked towards Xu Youyou and said with a smile, “Little loli, you’re finally awake! I thought you didn’t lack fruits, so I bought you a bouquet of flowers.”

When he handed the flowers over, Xu Youyou blinked and did not take them. Mo shenbai's Black eyes shot him a cold look.

"What's wrong?" Bo Qi did not react immediately.

Xu Youyou touched the tip of her nose and asked doubtfully, "Are you sure these flowers are for me and not for sister Siyu?"

Bo Qi lowered his head and saw that there were 11 fresh flowers in his hands. His expression froze.

"....."

The atmosphere in the ward instantly became dead silent and awkward.

Qin Siyu's bad habit of not being able to help but feel embarrassed for others just by looking at them.

Was there something wrong with his brain? why would he give her roses when he was sick?

Mo shenbai also looked at him coldly.

Bo Qi was so embarrassed that he wanted to die on the spot. After receiving Xie tingxi's message, he didn't want to come, but he couldn't hold back in the end.

On the way, she remembered that it wasn't good to visit a patient empty-handed, so she found a florist and asked the shop owner to wrap a bouquet for her!

He didn't even look at it after he paid and left with it. Who would have thought that it was a rose!
