

**Chapter 377: Not divorced (1)**

Mo shenbai didn't answer. He picked up his cup and drank some water, as if he was hiding something.

Xu Youyou opened the file out of curiosity. The smile on her face suddenly froze, and her black and white eyes were filled with surprise.

"You ... What do you mean by this?" She put down the file and did not want to look at the things inside.

Her passport and plane ticket were placed on top.

"It's your dream to go to the Paris Academy of Fine Arts," Mo shenbai put down his cup and spoke in a low voice. He even had a little smile on his face, pretending to be relaxed.

"But I've already said that I'm not going." Xu Youyou's soft voice was firm.

Mo shenbai took a deep breath and did not speak. Instead, he gave PEI Chuan a look, asking him to speak.

PEI Chuan felt that this was a thankless task, but he could not reject it. He could only bite the bullet.

Madam, this is all the information that President mo has arranged for you to enter the Paris Academy of Fine Arts. You don't have to squeeze in the dormitory, and it's a ten-minute walk to the school. We'll arrange a servant to take care of your daily life in the early stage, but you can decide whether to stay or leave the servant after you're familiar with the environment and life there."

Xu Youyou acted like a child throwing a tantrum and pushed the file toward him. I'm not going. You didn't let me go when I wanted to. Now that I don't want to go, why are you forcing me to go? you're really strange!

PEI Chuan looked at mo shenbai helplessly and shrugged his shoulders.

He had said what he needed to say. It was none of his business if Madam didn't want to go.

Mo shenbai raised his hand and motioned for him to leave first.

PEI Chuan bowed slightly and left.

Mo shenbai placed the document bag in front of her and opened his thin lips. this is your dream. Why are you angry with me when I asked you to pursue your dream? "

I don't want to pursue my dream now. I just want to stay by your side. Xu Youyou looked up at him, her bright eyes full of joy.

Mo Shen's Bai hou knot moved slightly, and his long eyelashes drooped down to cover the deep darkness that flashed in his eyes. He took a deep breath and said in a low voice, "Triplets, I'm not as good as you think. I'm not worth it for you to sacrifice your dream to stay by my side."

Xu Youyou frowned slightly. whether it's worth it or not is up to me. You don't have the final say.

Mo shenbai raised his hand and rubbed the space between his eyebrows, as if he could not do anything to her.

Xu Youyou raised her chin and said stubbornly, "I won't go no matter what you say. I want to stay in Mo City."

because you saw what happened to me when I was young in your dreams?" Mo shenbai suddenly changed the topic and asked.

Something flickered in Xu Youyou's eyes, but she didn't deny it. so what if I did?"

that's why you took pity on me. You felt that I was unloved since I was young, so you wanted to stay by my side.

Xu Youyou asked,"What do you mean I pity you?" I love you even more now, and because I love you, I want to stay by your side and accompany you. Isn't that good?"

"Not good." Mo shenbai answered concisely.

Xu Youyou's innocent and tender face was filled with puzzlement.

"Xu Youyou, you don't know me at all. You don't know what kind of person I am."

Mo shenbai's thin lips opened slightly and he said in a low voice, " when you proposed to marry me, you thought I did it for mo Zhiyun. In fact, I did it for the heart in her body. It's qianyue's heart. I just didn't want qianyue to lie there forever.

Xu Youyou's eyes widened as if she could not believe what she had just heard.

Mo shenbai lowered his eyelashes and did not look at her. He gently turned the glass and continued to speak.

when our photos were posted online, I was the one who got people to manipulate the negative news.

Xu Youyou's mouth was wide open in surprise. She did not understand why he did that.

"W-why?"

His thin lips curled up as he looked up with a passionate gaze. of course, it's to make you agree to register our marriage.

Xu Youyou shook her head gently. I, I still don't understand ... Why are you doing this? "

Why did you trick me into registering our marriage?

Mo shenbai lowered his head, and a faint mocking smile appeared at the corner of his mouth. you still don't understand? At that time, I had already fallen in love with you, and I wanted to tie you up in this way. This way, even if you don't like me and your family objects to it, you will always belong to me. "

Xu Youyou took a deep breath and gently stroked her beating heart with her little hand. She had a strange feeling that she could not describe.

She was shocked, shocked, and a little angry.

This person had fallen for her a long time ago, but he did not follow the logic of a normal person to pursue her, propose to her, and then register for marriage. Instead, he tricked her into registering for marriage!

Thinking back to how she had stupidly chased after him, did he think that she was particularly stupid and ridiculous at that time?

“Aren’t you afraid that I’ll get angry and divorce you if you tell me everything?” The crisp voice was mixed with anger.

This man had really gone too far!

“I’m not afraid.” Mo shenbai replied in a calm tone, “ because we can’t get a divorce.

“You’re lacking in confidence.” Xu Youyou retorted, “ I don’t eat anything, I’m not divorced, and I just lose my spouse. If I want a divorce, even if I have to go bankrupt, my parents and my brother will help me!”

“We registered our marriage in Ireland.” Mo shenbai reminded her.

“So what!” Xu Youyou was ignorant and fearless. She had not realized the seriousness of the matter. at most, it’ll be a little troublesome to fight a lawsuit abroad!

there’s no divorce in Ireland. There’s only a duration of the marriage, from one year to a hundred years. Mo shenbai patiently explained to her, “ we chose a hundred years. Unless the engagement expires after a hundred years, or you can get Ireland to change the relevant regulations, we will never get a divorce in this life!

Xu Youyou was so surprised that she completely lost control of her expression. Her eyes were about to fall to the ground. She was angry and found it ridiculous.

This was because he had not mentioned this at all during the registration. He had said that the longer the time, the lower the handling fee. In order to help him save money, she had foolishly chosen a hundred years!

It was a typical case of helping people count money after being sold!

“Mo shenbai, don’t you think you’re very despicable?” Xu Youyou questioned him angrily, “ at that time, I thought that I had implicated you and wanted to help you solve the crisis. I wanted to help you save money, but you had been scheming against me from the beginning! Does your conscience not hurt?”

Oh my God, my heart hurts so much. How did I get tricked by him?

Mo shenbai did not feel guilty at all in the face of her accusations and questions.

“I’ve always been such a selfish and despicable person. I didn’t become better because I was with you. And Yingluo.”

everything I’ve done for you is to gain your sympathy so that you won’t leave me. I’ve done it so that you’ll feel sorry for me and love me more.
