

Chapter 388: Don't ignore me (1)

"I'll clean up ..."

Fu Jianchen placed the bowl on the table, but it was not placed properly ...

"Bang!"

Xu Youyou wanted to warn him when she heard the cracking sound, but it was too late. She stared at him with a resentful look.

I only had two bowls in total, and you smashed them all!!!

Was she going to eat with a pot tonight?

"If you fell, then so be it. I'll pay you double!" Fu Jianchen said disdainfully. He picked up the broom next to him and was about to sweep away the broken pieces on the ground.

the fu family is bankrupt. Do you still have money?" Xu Youyou muttered softly.

Fu Jianchen paused and raised his head, his eyes gloomy. you also think that I can't live if I leave the fu family? Do you think I'm a good-for-nothing?"

Xu Youyou reacted and shook her head quickly. I didn't mean that. I ...

"Pa!" Fu Jianchen threw the broom to the ground, stepped over the debris, and walked out.

Xu Youyou saw that his foot was bleeding and asked with concern, " Fu Jianchen, your foot ...

Fu Jianchen didn't seem to hear her. He walked past her and slammed the door behind him without any hesitation.

Xu Youyou clutched her heart in shock and seriously suspected that he had some kind of manic disorder!

After cleaning up the mess in the kitchen, he had wanted to rest for a while, but if he did not go buy tableware now, he would really have to hold the pot for dinner tonight.

She picked up her wallet and cell phone, intending to open the door. The moment she opened the door, she saw Fu Jianchen carrying a bag in his hand.

Fu Jianchen was also surprised to see her. He put the bag on the shoe cabinet and turned to leave.

"Wait," Xu Youyou called out to him. She couldn't be bothered to argue with him. Her gaze fell on his foot. have you treated your injury? "

Fu Jianchen turned his back to her and said coldly, " "You don't need to care!"

After that, he strode away.

Although he tried his best to hide it, Xu Youyou could still see that he walked a little differently than usual.

However, this person had a bad temper and would kick people without saying a word, so Xu Youyou did not dare to call him. Besides, he was an adult, so he should know the principle of bandaging an injury!

She closed the door and took the bag to the dining table to open it.

There were two bowls, three plates, and a soup bowl. The style and color were similar to the ones he had used before.

“Since you’ve compensated me for my utensils, I won’t argue with you.”

Xu Youyou put down her things and went back to her room to rest for a while. In the evening, she video-called Mo Shenbai.

He seemed to be in a car.

“You’re working overtime again tonight?”

“No, Bo Qi had a meeting at night and sat at Blue Charm for a while.”

Without waiting for Xu Youyou to ask again, he added, “I didn’t drink alcohol. I only drank fruit juice.

Xu Youyou chuckled. It’s fine even if you drink. You’re in Blue Charm anyway. With my brother, Bo Qi, and the others around, I’m not worried.

Mo Shenbai was silent for a moment, then asked, “don’t you think that we should be more worried if they’re here?”

Xu Youyou was stunned for a moment. When she recovered, she could not help but laugh. If you say that about them, I might tell on you.

Mo Shenbai’s thin lips curled up slightly. You think I’ll be afraid?”

Xu Youyou was just joking. She would not really complain. After a moment of silence, she said coquettishly, “Da Bai, I missed you so much.”

“I missed you too.” Mo Shenbai’s deep voice was full of longing, and the hot light in his eyes could be seen through the screen.

Xu Youyou pursed her lips and was about to give him a kiss when her phone suddenly rang ...

“I’ll take this call.”

Mo Shenbai nodded.

Xu Youyou saw that it was an unknown number. After picking up the call, she heard a question in fluent English, “Are you miss Xu Youyou?”

“I am, you are Yingluo.”

She did not know what the other party said, but Xu Youyou frowned slightly and her little face tensed up.

“Okay, I know. I’ll go over now.”

Mo shenbai had been looking at her phone the whole time, and he had heard every word she said.

“You’re going out?”

Xu Youyou nodded. Fu jianchen fainted on the side of the road and was sent to the hospital. The hospital can only find my contact number in his phone. I have to go there.

Mo shenbai’s brows were tightly locked, and he pursed his lips without saying a word.

“Go back and rest early. Don’t wait for my call. I’ll call you tomorrow.” Xu Youyou stood up and packed her things. She said to the man on the other end of the video call, “Don’t let your thoughts run wild, I only love you.”

When mo shenbai heard the last sentence, his tightly furrowed brows slowly relaxed, and he replied with a faint “hmm. ” be careful on the road.

“Alright,” he said. Xu Youyou lowered her head and kissed the screen. love you, bye!

She turned off the iPad, changed her shoes, and went out.

The hospital was not far from where Xu Youyou lived. It was only five stops away by subway.

Xu Youyou asked the nurses at the nurse’s desk and communicated in French, which she was not very familiar with. Finally, she saw Fu jianchen in the emergency room.

Fu jianchen was still on an IV drip. His face was red, and his exposed feet were wrapped in bandages.

The doctor came over and spoke to her in English. She had lost too much blood from the injury on her foot and it was inflamed because it was not treated in time, which caused her to have a high fever.

Fortunately, he was sent to the hospital in time. Otherwise, the consequences would have been very serious.

Xu Youyou quickly thanked the doctor and went to help him with the admission procedures.

His foot injury needed to be cleaned every day, and he had to be hospitalized.

The first thing Fu jianchen wanted to do when he woke up was to get discharged.

Xu Youyou had just returned from buying dinner. the doctor said you’re going to be hospitalized.

Fu jianchen’s expression was gloomy. He gritted his teeth and said, “I want to be discharged.”

Xu Youyou took a deep breath and explained to him patiently, “you’ll need to stay in the hospital for a few days. You can be discharged after your fever subsides and you’re sure that it won’t get infected.

“I said I want to be discharged!” Fu jianchen acted as if he had not heard her. it’s none of your business!

She lifted the blanket and wanted to get out of bed.

Xu Youyou stepped forward to hold him, but Fu jianchen reached out and hit her hand. The dinner in her hand fell to the ground.

Even a rabbit would bite when it was anxious, not to mention that Xu Youyou was not a rabbit. She could not bear it anymore.

“Alright, you can be discharged if you want to, and you can do whatever you want! I won’t care about you anymore! I’ll pretend I don’t know you if we meet on the streets in the future. Even if you die on the streets, I won’t take a second look!”

After saying that, he turned around and was about to leave!

He didn’t know what was good for him. If he still cared about him, he would be a pig!

However, she had just taken a step when someone grabbed her wrist.

She didn’t look back and only shook her hand, but she didn’t shake off the hand on her arm.

“Didn’t you want me to stay out of this? Why are you still dragging me?” Xu Youyou turned around to look at him, her clear voice mixed with anger.

Fu Jianchen held her arm tightly and didn’t let go. He slowly raised his head, and his gloomy eyes were bloodshot. His throat tightened again and again ...

“You. Don’t. care. about. me.” She said word by word.

His voice was low, with a hint of humbleness and pleading.

Xu Youyou held her breath and pursed her lips without saying a word.

Fu Jianchen thought she was still angry and repeated, “ I will be obedient in the future. Don’t leave me alone.
