

Chapter 397: Fallen out of favor (1)

At night, Xu Youyou and Mo shenbai took a shower and lay in bed in a set of silver and yellow couple pajamas.

It wasn't like su lanxu had expected. They just slept in each other's arms quietly.

There was only an orange French window left in the room, and the atmosphere was peaceful and warm.

Xu Youyou lay in his arms and listened to his strong heartbeat. da Bai, " she called out in a soft voice.

"What?" Mo shenbai gently stroked her back.

da Bai ... Xu Youyou called out again.

Mo shenbai looked down at her in confusion.

Xu Youyou's eyes narrowed and the corners of her mouth curved up. nothing. I just wanted to call you.

Mo shenbai smiled and lowered his head to kiss her forehead. I'm here.

She had always been there.

Xu Youyou leaned into his arms, feeling an unprecedented sense of security. She sighed in satisfaction.

da Bai, I suddenly feel very blessed.

She was so happy that it felt unreal.

"You will always be happy."

Xu Youyou opened her eyes and met his affectionate gaze. She nodded. I'll make you happy too.

Mo shenbai reached out and swept the hair on her face behind her ears. His thin lips opened slightly. you seem to have changed.

"What has changed?" Xu Youyou blinked.

Mo shenbai did not explain and added, " it doesn't seem to have changed.

Xu Youyou pouted. it's really like listening to a King's words.

Mo shenbai's thin lips parted slightly. go to sleep. I still have to visit my in-laws tomorrow.

Xu Youyou nodded. good night, da Bai.

Mo Shen's white eyes were filled with a smile. good night, Mrs. Mo.

Xu Youyou's heart softened and she changed her words. Mr. Mo, good night.

The next morning, Xu Youyou got up. Mo shenbai got up earlier than her and had already returned from a run.

When Xu Youyou went downstairs, she saw Lu He Yun pushing mo Zhi Yun in.

Mo Zhiyun was so excited that he wanted to jump out of his wheelchair. Oh, you're finally back! The Butler called me last night and I couldn't believe it. "

If Lu Heyun had not stopped her, she would have come over last night.

Xu Youyou stepped forward to give her a hug. long time no see, Zhiyun!

Mo Zhiyun was overjoyed, but he worriedly asked, "Did you come back to get married, or are you not leaving anymore?"

Xu Youyou looked up at mo shenbai, who was drinking water, and said softly, "I've already graduated. I don't plan to leave this time. Fu jianchen will help me deal with The House in Paris."

Mo shenbai retracted his gaze, and his thin lips curled up imperceptibly.

"That's great." Mo Zhiyun was happy for her big brother. Oh, you're finally back. You don't know how much of a workaholic big brother has become ever since you left. Not only does he have to work overtime every day, but he also has to enslave He Yun on the weekends ...

Before he could finish, mo shenbai shot him a cold glance with a warning. mo. Zhi. Yun.

Mo Zhiyun stuck out her pink tongue.

Lu Heyun was afraid that mo shenbai would hold a grudge against her, so he explained on his behalf, "big brother did this for the good of the company. Previously, the company had already developed to a bottleneck period. If we maintained the same pace, it would have gone downhill. Fortunately, big brother made timely adjustments.

Although he was not well-liked in mo shenbai's eyes, he had to admit that mo shenbai's experience and vision in doing business far exceeded his.

Xu Youyou didn't know much about the company's Affairs and didn't want to interfere with mo shenbai's work. She chuckled and changed the topic, asking them to come over for breakfast. She also asked the Butler to bring the gifts she had prepared for Zhi Yun and Lu Heyun.

Lu He Yun and Mo Zhi Yun stayed at the moon-Canvas House for breakfast. Mo Zhi Yun was usually alone at home. Lu He Yun was working and had no time to accompany her. It was rare for Xu Youyou to come back, so mo Zhi Yun kept talking to her.

Mo shenbai couldn't help but frown, but she didn't seem to see it.

In the end, it was Lu He Yun who gently rubbed the back of her head and coaxed her in a gentle voice, "Zhizhi, eat first. There's plenty of time in the future.

Mo Zhiyun was very obedient and obediently ate his meal.

After breakfast, Lu Heyun had to go to the office, so he asked the driver to send mo Zhiyun back to the mo residence.

Xu Youyou and Mo shenbai were preparing to go back to the Xu family, and Cangming was driving.

Xu Youyou took out a red packet from her pocket and handed it to him before she got into the car.

"I wanted to buy you a Switzerland Army Knife or something, but I can't bring it back, so I'll just convert it into cash for you. You can go buy what you like."

Cang Ming was overjoyed, but his face was as calm as an old dog's. He took the red packet and tried hard to suppress his smile. thank you, Madam!

What kind of present was that? was cash not nice?

"You're welcome. Please take care of me in the future." Xu Youyou followed mo shenbai into the car after saying that.

Cang Ming's heart, which had been lost for the whole night, warmed up again!

In an instant, her waist and legs were no longer sore. She was like a noble consort who had regained her favor. She wanted to raise her head and walk around the palace, telling the world, "I, Niu Hulu Cangming, have returned.

In the car, Xu Youyou asked moshen and Bai Zhiyun about his leg condition.

Although mo Zhiyun had been actively recuperating for the past two years, the results had not been very good. Now, he could barely stand up, but it was still very difficult for him to walk.

Xu Youyou felt a little sorry for her. She was clearly a girl in her Prime, but she had to be accompanied by a wheelchair every day.

Mo shenbai patted her head. she's already luckier than many people.

Although he couldn't stand up, he didn't have to worry about food and clothing. Compared to those who were still suffering, he was already very lucky.

Xu Youyou nodded. I hope Zhiyun can recover soon.

**

The Xu family had not heard anything about Xu Youyou's return, so when Cheng Ying saw Xu Youyou, she thought her eyes were playing tricks on her and pinched her husband's arm hard.

Xu Jianshu gritted his teeth in pain, but he didn't dare to speak.

Cheng Ying's eyes turned red. Oh, you're really back.

These two years felt like centuries to mo shenbai, and it was the same for parents who missed their children.

Xu Youyou stepped forward and hugged her. mom, I'm back! I'm sorry, my stubbornness has made you and dad sad."

"It's good that you're back, it's good that you're back." Cheng Ying's heart ached for her daughter, so how could she bear to be angry with the child?

Xu Jiushu couldn't help but step forward and hug his daughter. You must have suffered a lot outside. Don't run around again.

Xu Youyou did not refute her father's words. She nodded obediently. I won't leave again.

Xu Jialu was not as happy as he had imagined. Instead, he cursed in a low voice, "f * ck! You didn't even tell us that you came back. You've become more capable."

Xu Youyou smiled obediently. I'm just trying to give you a surprise.

Xu Jialu didn't believe her nonsense and said, "It's to give someone a surprise."

Xu Youyou did not deny it. She guiltily changed the topic. Mom, I haven't eaten your cooking in a long time.

Cheng Ying patted her hand and said in a pampering tone, "I'll cook lunch for you, so you should eat more! You probably didn't eat well overseas, you look so thin."

Xu Youyou nodded immediately. Home is still the best.

She took Cheng Ying's arm and walked in, leaving her husband, who was still so intimate with her last night, behind.

Seeing his daughter sticking to his wife, Xu Jiusheng felt sad, but he didn't dare to say anything.

Xu Jialu hit her when she was down. tsk tsk, you've fallen out of favor on the second day after she came back!
