

**Chapter 401: Don't meddle in this matter (1)**

Xie tingxi got up, picked up his coat, and put it on. He tidied his sleeves and said, "A girl's friendship is very wonderful. Sometimes it's as solid as gold, and sometimes it's as fragile as paper, and can be destroyed by a drop of water. She's your sister's best friend. You've destroyed their trust in front of everyone. You've not only hurt su Lan Xu, but also your sister and this friendship."

After saying what he needed to say, Xie tingxi left.

Bo Qi was deep in thought. what he said seems to make sense.

Xu Jialu looked a little annoyed. get lost, " he said and got up to leave.

Bo Qi finally reacted. f \* ck! You've ruined my plan again, Xu Jialu, you silly roe deer!"

.....

When Xu Youyou chased after her, su lanxu was already gone. She searched the streets for a long time but could not find her.

His phone was always turned off.

"Lan lan drank so much wine, will she be alright?"

Mo shenbai stared at her without saying anything.

Xu Youyou sensed something. what's wrong, da Bai? "

"She lied to you, aren't you angry?"

"I'm angry." Xu Youyou dialed su lanxu's number again. but this has nothing to do with me worrying about her!

Mo shenbai's cold features were filled with confusion.

Xu Youyou took a deep breath and gave up on the phone. She looked at the empty street and said angrily, " she lied to me, but I've known her for so many years and she has never done anything to hurt me! I can feel whether she treats me as a good friend or not."

"Besides, the one who hurt me was her cousin, not her! At first, she misunderstood me because she was lied to, but when she got to know me, she changed her opinion of me. This also shows that she is different from her cousin!"

In the past, she might have suspected that lan lan had ulterior motives and might have been angry at lan lan for lying to her, but now she wouldn't think of lan lan that way.

Mo shenbai reached out and touched her cheek. you always seem to think from other people's point of view.

Xu Youyou held his hand. now's not the time to talk about this. Let's find lan lan first. I'm afraid something might happen to her!

Even if he was angry, he had to wait until he found the person.

this area is Bo Qi's territory, no one would dare to do anything to her. I'll get the bodyguards to look for her, let's go back.

"But ..."

Xu Youyou was still worried, but Mo Shenbai interrupted her before she could finish. Be good and wait for news at home. I'll ask Cangming to look for her.

When Xu Youyou met his eyes, she could only swallow the words she was about to say.

\*\*\*

Su Lanxu didn't leave immediately after she walked out of the bar. Instead, she turned around and walked into an alley beside the bar. She vomited.

He searched his guts and almost vomited out his internal organs.

The phone was turned off the first time it rang. Finally, she couldn't vomit anymore and squatted on the ground. Her tears couldn't stop falling, and she cried so hard that she couldn't speak.

He only felt as if a knife was stirring in his body, his liver and intestines were cut, and blood was dripping.

Her head was also very dizzy, and the scene in front of her seemed to be constantly shaking and spinning. She felt that she was almost unable to breathe. She held her heart and choked in pain a few times, and her whole body fell to the side uncontrollably.

The gloomy and cold air in the long and dark alley was wrapped in an uncomfortable smell. A man's slender figure walked in and squatted down beside Su Lan Xu. He lowered his head and looked at her face that was paler than the moonlight. He was silent for a long time.

In the end, he reached out and picked her up from the dirty ground. He walked out of the alley and stood in the light.

Cang Ming saw him and the person in his arms. He was stunned. Mr. Xu, Madam asked me to find Miss Su and send her back to the hotel.

mm," Xu Jialu replied with a faint "mm". He didn't intend to hand the person over to him.

"Go back and tell her that she's been sent back to the hotel."

After saying that, he walked towards the car by the roadside.

Cang Ming stood still, as if he was digesting what he had said.

Xu Jialu stuffed Su Lanxu into the car, turned around and glanced at him, then said, "Don't mention me, with anyone."

"Yes, Mr. Xu." Cang Yun understood.

Xu Jialu did not know which hotel she was staying at, but luckily, su lanxu had the hotel room card in her bag, so the rest was easy.

The star-rated hotels in Mo City were either owned by the mo Corporation or Bo Qi's family. He could find su lanxu's room number just by giving her name.

Xu Jialu put the unconscious su lanxu on the bed and turned to leave, but his wrist seemed to be grabbed by something.

He turned around and saw su Lan Xu's pale face. She looked like a ghost and was still mumbling in her sleep.

"I'm sorry, I'm sorry ..."

Tears slowly fell from the corners of her eyes.

Xu Jialu pried her hand away and opened his thin lips. if you knew this would happen, you wouldn't have done it!

He bent over and wiped the tears from the corner of her eyes with his fingertips.

Su lanxu cried like a Pear Blossom bathed in the rain and mumbled another name, Xuxu.

"Fang Yi ..."

Xu Jialu's fingers froze, and his heartless lips curled into a sneer. He got up, slammed the door, and left.

—

When Xu Youyou received Cang Ming's call, her suspended heart finally settled down.

Mo shenbai walked out of the bathroom, naked with a black bath towel around his waist. He was still damp when he walked over.

He could figure out who made the call from her face.

"I found it." A statement was not a question.

Xu Youyou nodded. cangming has sent her back to the hotel.

Mo shenbai walked to her side and sat down. He wrapped his long arms around her and pressed his lips to her ear. are you very sad? "

Xu Youyou seemed to know what he was worried about. She tilted her head and smiled. that happened a long time ago. I've let it go a long time ago. Don't be so paranoid.

Mo shenbai lowered his head and kissed her on the cheek. He said in a rewarding tone, "Awesome!"

Xu Youyou rolled her eyes and said, I can get angry with Lanlan for lying to me. I can beat her or scold her. These are things between us. Don't interfere.

"I didn't plan to touch her, but you were so eager to protect her ..."

“Da Bai!” Xu Youyou turned around and wrapped her arms around his neck. She raised her head and kissed him on the cheek several times.

“Lan lan is my best friend, so don’t be jealous of her.”

Mo shenbai enjoyed her throwing herself into his arms and deliberately said with a straight face, “That will depend on your sincerity.”

Xu Youyou was so angry that she bit his shoulder and wanted to complain first.

“You’re bullying me again.”

“Is it ... Bullying?”

His low and hoarse voice dragged on as his lips ravaged the corners of her lips. Xu Youyou could not stop trembling.

This man ... Had long been evil to the core.

—

The next time su lanxu saw Xu Youyou was three days later. Xu Youyou took the initiative to call her.

She wasn’t angry, but a certain someone was really clingy and had been pestering her for three days. If she hadn’t been called away by the company, Xu Youyou wouldn’t have been able to go out today.

That night, su lanxu had locked herself in her room and refused to eat or drink ever since she returned to the hotel. She looked Haggard and had obvious dark circles around her eyes. When she looked at Xu Youyou, she could not hide the guilt in her eyes ...
