

**Chapter 403: Hiding the sun (1) \_1**

Usually, people who were getting married would be so nervous that they couldn't sleep or were anxious before marriage.

"I'm not nervous." Xu Youyou liked her newly manicured nails. She had to paint on a daily basis, so it was not convenient for her to do her nails beautifully. It was not easy for her to get a few days off after getting married, so she wanted to do her best for a few days.

she's been married for years," Qin Siyu laughed. it's just a wedding and a formality!

Su lanxu thought about it and agreed. She sighed,"I wonder what I'll be like when I get married! Who asked you to get married so early? you can't even be my bridesmaid."

She paused for a moment, then glanced at Qin Siyu. sister Siyu, if you're not married by then, can you be my bridesmaid? "

Qin Siyu raised her eyebrows. why do I feel like you're cursing me? "

Su lanxu stuck out her tongue. you're still single. I have a higher chance of getting married before you!

alright, I know you're all in love. Don't torture a single dog like me.

Xu Youyou was silent for a moment. sister Siyu," she asked," is it really impossible between you and Bo Qi? "

Su lanxu had also heard about Qin Siyu and Bo Qi, and looked over curiously.

Qin Siyu's eyes flickered, and she avoided her gaze, answering in a vague manner," "What possibility can there be between me and him?"

Xu Youyou did not ask any further.

After finishing her manicure, Qin Siyu gave Xu Youyou a bottle of perfume. She had specially prepared it for her as a wedding gift.

Not only did Xu Youyou like it, su lanxu liked it too. She kept calling her sister Siyu, wanting her to make a bottle for herself.

Xu Youyou even suggested changing the perfume in the gifts to Qin Siyu's.

Qin Siyu quickly waved her hands. no, I don't want to die of exhaustion.

Xu Youyou and Mo shenbai's wedding was a gathering of stars. There were more than a hundred people. Even if she was a donkey in the production team, she wouldn't be able to rush out so many bottles of perfume.

Xu Youyou let it go regretfully and picked two more bottles from her store, planning to give them to Zhiyun and her little aunt.

When he wanted to pay, Qin Siyu rejected him. She didn't even accept the money su lanxu had picked.

She didn't open the store for money, but purely for love. She was happier that someone really liked her perfume than making money.

On the day of the wedding.

Before dawn, Xu Youyou was pulled up from the bed by Cheng Ying. She put the warm milk in her hand and said in a gentle voice, "My Youyou is really getting married today."

Although Xu Youyou and Mo shenbai had already gotten their marriage certificate and had a wedding before, the wedding back then was too rushed and perfunctory, unlike today.

Today, Xu Youyou was really going to be a bride and marry the person he liked. The two of them were going to spend the rest of their lives together.

Xu Youyou was still in a daze. When she heard her words, she buried her head in her arms and said, "I'm still your daughter even after I'm married. Don't think of me as water that has been splashed out."

Cheng Ying couldn't help but hit her arm, "what nonsense are you talking about? no matter whose wife you are, or whose mother you will be in the future, you are still my daughter. This will always be your home.

"Yes." Xu Youyou nodded and wrapped her arms around her mother's neck. She rubbed her head against her mother's neck and said, "Mom, I love you so much.

Cheng Ying smiled with relief. okay, don't act coquettishly. Drink the milk and get ready. The makeup artist will be here soon.

Xu Youyou nodded obediently.

Cheng Ying got up and went downstairs.

The sky was still full of stars outside the window, but the Xu family's house was brightly lit, and everyone was busy.

Xu Jialu did not sleep well the whole night. He squatted at the stairs in a daze with dark circles under his eyes.

Cheng Ying poked his head in disgust. go away. Don't be a hindrance here.

Xu Jialu came back to his senses and looked at her. Then, he looked behind her. yo, you're up? "

Cheng Ying nodded. what are you doing up so early? "

Xu Jialu didn't answer. He leaned against the handrail of the stairs, looked up at the crystal lamp on the ceiling, and took a long breath.

"Mom, why do I feel like everything is so unreal?"

Cheng Ying reached out to touch his forehead. you don't have a fever.

Xu Jialu let her palm rest on his forehead and muttered to himself, " Oh, she's really getting better. She's going to marry the person she likes now, and soon, she'll be a mother and have her own children ... She has a perfect life.

Cheng Ying's hand froze in mid-air for a moment before she retracted it and said with a smile, " "That's right, our little girl has finally grown up."

Xu Jialu turned his head to look at her with a hesitant expression, but in the end, he still asked.

"Mom, have you ever blamed me?"

If it wasn't for his bastard back then, Youyou might not have gone through all that. Perhaps she would have been a normal little girl, growing up healthily and living a carefree life.

"Silly child." Cheng Ying patted his head.

"Mom!" Xu Jialu protested. He was already so old, yet she still hit his head!

"You were young and insensible back then. If you want to blame someone, blame us for spoiling you too much and raising you into such a dog-like temper!"

Cheng Ying glared at him and changed the topic. but mom didn't blame you, and neither did your dad! There's no family that doesn't have some quarrels and minor conflicts. The most important thing is that our hearts have always been together."

The stone in Xu Jialu's heart was finally lifted, and his fickle lips curved up. Thank you, Mom!

"Pa!" Cheng Ying gave him another stir-fried chestnut.

"Why did you hit me again!" Xu Jialu immediately exploded.

"If you have the time to think about this, why don't you quickly pack up and help me with my work!" Cheng Ying's expression changed to one of disgust. you don't let me rest easy every day.

Xu Jialu was speechless.

Cheng Ying went downstairs and su lanxu came in. She greeted her with a bright smile, " Good Morning, Auntie!

"Lan lan, you came so early. Why didn't you sleep a little more?" Cheng Ying stepped forward and took her hand to greet her warmly.

If it wasn't for his disappointing son, this child would be calling him 'mother' by now!

"Today is Youyou's big day. Of course, I have to come early to accompany her." Su lanxu replied obediently, " aunty, if there's anything, remember to call me. I'm here to work today. You can order me around.

Cheng Ying was overjoyed by her words. She patted her hand and said, there's nothing to be busy about. Everything has been prepared in advance. You haven't eaten yet, have you? quickly go up and accompany Youyou. I'll get someone to send food up later.

Su lanxu agreed, but her eyes were on her hand.

Cheng Ying let go of her hand after a while.

Su lanxu bumped into Xu Jialu as she walked down the stairs. Their eyes met across the air, and there was a hint of awkwardness and coldness in the busy atmosphere.

Su lanxu calmed down and greeted him with a smile.

Xu Jialu's Phoenix eyes were slightly raised and cold. As if he didn't see her, he walked straight past her.
