

Chapter 404: Hiding the sun (2) _1

A tall and slender figure walked past su Lan Xu. It was as if a bone-chilling cold wind had blown past her, causing her to freeze on the spot.

Cheng Ying went into the kitchen and didn't see this scene, otherwise she would have twisted off Xu Jialu's ear.

Su lanxu stood on the spot for a long time. Her cold fingertips slowly felt a trace of warmth. She took a deep breath and went upstairs.

It was as if nothing had happened.

Xu Youyou had already washed up and changed into a red bathrobe. When she saw su lanxu, she happily took out the bathrobes of the same style and different colors that she had prepared in advance. They could take a few photos when sister Siyu came.

Qin Siyu had arrived ten minutes earlier than the makeup artist and the camera crew. Cheng Ying called everyone to eat, or they would be tired for the whole day.

After breakfast, the makeup artist pulled Xu Youyou to the makeup mirror and sat her down to do her makeup.

Meanwhile, Qin Siyu and su lanxu were not idle either. They took out the Xiuhe clothes that Xu Youyou was going to wear later and ironed them.

The Xiuhe dress was personally designed by Lin Qingqian for Xu Youyou. In order to set off her temperament, it did not use the traditional red color. Instead, it was embroidered with gold and red. The embroidery was personally done by Huo qingsi, the lady of the Wen family in Tong city.

Huo qingsi was not willing to do so at first. She loved sleeping and did not lack money. It was only when mo shenbai went to Tong city to meet Wen Sinian that Huo qingsi gave her husband some face.

Xu Xuxu finished her makeup and took a photo with her bridesmaid before she changed into Xiuhe's clothes.

Su lanxu and Qin Siyu gasped in surprise at the same time. this is too beautiful!

"I never knew that a golden Xiu he dress could be so beautiful!" Su lanxu took out her phone and snapped a picture. I want to wear gold in the future too.

The makeup artist chuckled. gold is more selective than red. The bride's skin is as white as snow. She looks good in gold.

Su lanxu immediately dispelled that thought. She had to admit that she was not as good as Xu Yu!

Qin Siyu also took a few photos and sent them to someone.

The makeup artist helped Xu Youyou put on the Phoenix Coronet. The Golden Phoenix Coronet was made of real gold by someone hired by mo shenbai, which was much heavier than the usual gilded one.

Xu Youyou's neck soon ached. don't tell me I'll have to wear this for the whole day!

"I won't," Qin Siyu stepped forward to help her fix the tassels on her Phoenix Coronet. I'll change into the wedding dress at the hotel.

Xu Youyou heaved a sigh of relief. that's good.

Xu Youyou went down to take photos with her parents and family first. Qin Siyu and su lanxu then changed into their pink bridesmaid dresses. The makeup artist helped them with their simple outfits and hair.

At the mo family's old residence, mo shenbai had not slept the entire night. When Bo Qi and the rest came over, he had already changed into his groom's clothes.

In order to match Xu Youyou's Xiuhe suit, he wore a dark red Xiuhe suit, which made him look impressive.

Bo Qi couldn't help but exclaim when he saw him. shenbai is so f * cking handsome. If I were a woman, I'd go crazy and marry him too!

Mo shenbai glanced at him in disgust.

Xie tingxi covered Xie Yumu's ears. don't say dirty words.

Xie Yumu pulled his hand away in frustration and said angrily, "I want to sleep!"

He was carried by Xie tingxi to change his clothes in his sleep, and he was still in a bad mood after waking up.

Xie tingxi squatted down and helped him adjust his clothes. His voice was gentle as he said, "you can sleep if you want, but you won't be able to see Godma as a bride the first time.

Xie Yumu immediately looked up at mo shenbai, as if he was expecting something.

"We'll pick godmother up later," mo shenbai said calmly.

Xie Yumu held back the yawn that he was about to yawn.

Bo Qi's phone was vibrating. He was happy when he saw it and a plan came to him.

"Shenbai, do you want to see the bride? I have an exclusive photo of the bride here. I'll show it to you if you call me big brother!"

Mo shenbai refused without thinking. I'm not looking.

Bo Qi was speechless.

"You're not looking?" Bo Qi could not believe his ears. it's Xu Qianqian! Don't you want to see your wife's photo?"

Mo shenbai did not even bother to give him a glance.

Xie tingxi fed his son snacks and said, " "You said it yourself that she's his wife. We'll see her in person in a while. Why would he care about your photo? Besides, he's trying to preserve a sense of mystery."

Bo Qi was speechless.

He had miscalculated!

Mo shenbai wanted to maintain a sense of mystery, but Xie Yumu didn't want to. I want to see her. Let me see godmother!

Bo Qi could not make fun of mo shenbai, but he dared to make fun of a child.

"Then, who do you think is more handsome? me or your dad?"

"You're handsome!" Xie Yumu answered without thinking.

Bo Qi was in a good mood and bragged to Xie tingxi,"Did you see that? your son said that I'm more handsome than you!"

Xie tingxi pushed his glasses up his nose and didn't say anything.

Mo shenbai's cold voice rang out. even if you ask him or the dog who is more handsome, he will answer the dog without hesitation.

Bo Qi didn't believe her. Mumu, between the dog and your dad, which one is more handsome?!

Xie Yumu,"dog, dog!" Are you done asking? show me your godmother after you're done!"

Bo Qi was speechless.

Xie tingxi was speechless.

It was good.

At 9:09 A. M., 29 red Maserati stopped in Xu Youyou's community.

It attracted countless people to watch, take pictures, and marvel at which rich man got married and rented so many luxury cars!

What? The president of the mo Corporation, mo shenbai?

Oh, that's fine then.

Xu Youyou sat cross-legged on the bed, holding a red embroidered fan to cover her face, revealing only a pair of big, watery eyes. She smiled when she saw the man who bribed all the children in the room with thick red packets and came in.

The moment mo shenbai saw her, he could not help but be stunned.

Even though her appearance had been deeply engraved in his mind, every time he looked into her eyes, he would still be stunned by her eyes.

Mo shenbai was about to step forward, but he was stopped by su lanxu and Qin Siyu.

Mo shenbai knew that there would be a procedure for the bridesmaid to make things difficult for the groom, so he went straight to the point. "What are you playing? just say it."

Su lanxu did not beat around the bush. the first test will start with 50 push-ups to warm up.

Mo shenbai didn't say anything. He put his hands on the ground and finished 50 push-ups in less than two minutes.

Su lanxu and Qin Siyu looked at each other. This move was useless!

Qin Siyu rolled her eyes. the second stage, quickly say the ten love names for the bride. Five seconds, five, one ...

She didn't count to four, three, two, but jumped to one directly. She was obviously making things difficult for mo shenbai.

Mo shenbai blurted out without any hesitation, " little kids, little kids, little girls, little triplets, little fools, little hearts, little suns ...

Just as he was about to forget about it, Bo Qi reminded him, " little baby, little cutie, Oh Baby ...

Mo shenbai barely passed the test with his reminder.

Qin Siyu shot him a cold look. You're very experienced.

Bo Qi immediately lowered his head and pretended to be dead.

Xu Youyou, who was holding her fan, was already laughing hysterically.

the third stage, the groom's eyes will be covered, and he will have to put lipstick on his best man. Su lanxu especially took out her new favorite, the new gold bar.

Mo shenbai furrowed his brows. must I do it? "
