

PAMPERING 405

### Chapter 405: Hiding the sun (3) \_1

Su lanxu and Qin Siyu wanted to say "yes", but when they met the man's deep and sharp eyes, they silently swallowed their words.

"If your best man wants to, that's fine too!"

Mo shenbai turned to look at his two best men.

Xie tingxi leaned against the wall and pushed up his glasses with his bony fingers. He smiled and said, "After all, even dogs are more handsome than me. I'll let the dogs do this."

He couldn't do anything to the little rascal at home, but it didn't mean that he couldn't do anything to mo shenbai and the others.

Bo Qi immediately shook his head. I can't, I really can't do this!

Mo shenbai looked at Xu Jialu again.

Today, he was wearing a white suit with an embroidered crane on his chest. His hair was carefully styled, and he looked very handsome.

"What are you looking at! I'm from my family today, not your best man Group!"

Compared to helping mo shenbai, he was more looking forward to seeing mo shenbai embarrass himself.

Mo shenbai frowned. These two were useless. They dropped the ball at the critical moment. Plastic brothers!

Xu Youyou raised her fan and looked at him with a pair of bright eyes. She had no intention of helping him out. Instead, she seemed to be gloating.

Mo shenbai had already prepared a backup plan. He opened his thin lips slightly. PEI Chuan, cangming.

PEI Chuan and Cang Ming, who had come with the group, braced themselves and walked in hesitantly. President mo, we're both straight men. To do this kind of thing ...

Mo shenbai interrupted her before she could finish. triple your salary this month.

Without hesitation, cangming took the lipstick from su lanxu's hand and put it in his mouth.

PEI Chuan was speechless.

F\*ck, didn't you learn "wealth can't be lewd" when you were young?!

He couldn't be greedy for wealth, but he could earn three times his salary!

Cang Ming pressed down on PEI Chuan's shoulders to stop him from moving. He closed his eyes and bit on his lipstick to draw on PEI Chuan's face.

Everyone burst into laughter, especially when they saw PEI Chuan's despondent look.

Indeed, happiness was built on the pain of others!

When Cang Ming passed the lipstick to su lanxu, she didn't even want to look at it and just waved her hand to signal him to throw it away.

PEI Chuan, on the other hand, went to wash his face in despair and swore that he would never attend any wedding ever again!

It was a nightmare, an absolute nightmare!

Mo shenbai saw that they were all laughing so hard that they were shaking like flowers. He thought that he was satisfied, and his thin lips curled up slightly. can we do it now? ”

“Still not enough!” Qin Siyu's smile disappeared. there's still one last task. Find your wedding shoes. You can only let the bride go with you after you've found your wedding shoes.

Impatience flashed across mo shenbai's handsome features, but because this was a wedding procedure, he could not directly threaten them. He turned his head and looked at the two best men.

It's time to put in some effort.

This time, Bo Qi and Xie tingxi gave him some face and started to search Xu Youyou's room.

The first shoe was found on top of Xu Youyou's closet, but the second shoe was nowhere to be found.

Seeing that there wasn't much time left, mo shenbai directly took out the red packets he had prepared in advance and gave them to the two bridesmaids. However, after the bridesmaids accepted the red packets, they spread out their hands to express their awkwardness.

“The bride hid it herself. We don't know anything.”

Mo shenbai's Black eyes looked at Xu Youyou helplessly. Play with your husband?

Xu Youyou's bright eyes were full of smiles. It was rare for her to get married, so she could tease him a little. If she missed this opportunity, she would not have it again.

Mo shenbai took a deep breath. No matter how anxious he was, he still had to find the wedding shoes that his wife had hidden!

The boudoir wasn't big, and she had searched everywhere she could just now. However, her wedding shoes wouldn't be hidden elsewhere, so there was only one possibility ...

Mo shenbai turned around and walked towards the door.

Everyone was stunned, what was going on?

Mo shenbai walked to the door but did not go out. Instead, he asked Xu Jialu, who was leaning against the door, to move aside.

Xu Jialu leaned back and didn't move. what are you doing? ”

Mo shenbai was too lazy to talk nonsense and pushed him away directly.

Xu Jialu was annoyed. mo shenbai, you better be careful. I'm your brother-in-law today. If you offend your brother-in-law, do you still want to ...

Before he could finish, mo shenbai opened the door. A rose gold wedding shoe hung on the hook behind the door.

Not only were the others shocked, but even Xu Youyou's eyes were full of surprise. She didn't expect him to guess where she had hidden her shoes.

Mo shenbai came back with the wedding shoes, knelt on one knee at the end of the bed, and reached out his palm to her.

Xu Youyou's eyes were filled with shyness. She slowly pulled her fair feet out from under her skirt and stretched them out in front of him.

Mo shenbai held her beautiful ankle and gently put the wedding shoes on her. He lowered his head and kissed her on the back of her foot.

Under everyone's watchful eyes, he didn't mind letting people know that he was her official and follower.

Xu Youyou's heart trembled, and she felt numb all over like static electricity. Her face had long turned pink.

Mo shenbai got up, bent down, and picked her up like a princess.

Xu Jialu couldn't take it anymore. what are you doing? This is my business, do you f \* cking think that your brother-in-law is dead!"

When a daughter went out, her brother must carry her out. This was the rule!

Mo shenbai did not care about his feelings at all. He looked at the beautiful bride in his arms with his hot eyes and said, "It'll be troublesome if brother-in-law's lumbar muscles are damaged."

Xu Jialu was speechless.

You're the one who's injured your lumbar muscles, your whole family's lumbar muscles are injured!

Mo shenbai carried Xu Youyou downstairs, and the Xu family's relatives were all embarrassed when they saw him.

Although it was against the rules, rules were dead, and people were alive. No one said that rules were not rules.

After all, he was the most noble man in Mo City.

Mo shenbai carried Xu Youyou downstairs and sat in the wedding car parked at the entrance. The photographer did not follow.

Xu Youyou heaved a long sigh of relief and put down her fan. She could finally move her body and leaned back lazily.

Mo shenbai turned his head and looked at her with a smile, his infatuation almost undisguisable.

Xu Youyou was a little embarrassed by his gaze. why do you keep looking at me? ”

She then picked up the fan to cover her face.

Mo shenbai took her fan away and lowered his head to whisper in her ear, ” you look good like this. I like it.

Xu Youyou’s fair skin was flushed red as she deliberately said, ” “So you’re saying that I’m not usually good-looking?”

You’re usually pretty, but you look even better today. You’re so good-looking ... he paused for a moment, his lips almost touching her ear as he said word by word, ” “I want to die on you!”

Xu Youyou bashfully punched him with her fists. you’re talking nonsense when you’re married.

Mo shenbai held her little hand, and his thin lips couldn’t help but curve up. do you want some water? ”

Xu Youyou had to maintain her image in front of the camera and had not drunk any water. She was really thirsty at this moment.

Mo shenbai opened a bottle of water and handed it to her. She gulped down more than half of the bottle.

Looking at the lipstick stain on the mouth of the bottle, she said, ” “Is my lipstick smudged? You can ask the makeup artist to help me fix it!”

Mo shenbai’s hot eyes stared at her lips. His Adam’s apple rolled as he murmured in an extremely low voice, ”

“No need,”
