

Chapter 414: The heavens are biased _1

Mo qinghuan sneered. you're already so old. Don't tell me you can train a pile of fat into abdominal muscles? "

Kang Mingcheng subconsciously lowered his voice and whispered into her ear, " seeing is believing. Hearing is not believing.

If it was a younger girl, she would definitely be scared away by his words. However, she was mo qinghuan. What kind of man had she not seen and played with all these years? how could she be scared away by a man who had betrayed her in the past?

Her fair fingers hooked the belt of his bathrobe without much effort. With a light hook, the belt loosened, and the bathrobe unfolded ...

The man's well-built chest had almost no fat, and his firm muscles were well-defined. Under the orange light, he looked healthy and sexy.

Mo qinghuan was stunned and did not speak for a moment.

Kang Mingcheng wrapped his hand around her neck and muttered, " Xiao Huan 'er, no one told you that the more experienced a man is, the more he'll please a woman. Those hotheaded young men don't understand women at all.

Mo qinghuan's Red lips parted slightly, her smile cold and charming. you mean you're better at pleasing me than those people? "

The smile in Kang Mingcheng's eyes deepened. do you want me to prove it to you? "

Mo qinghuan was not intimidated by his words. Instead, she raised her delicate chin and ordered like a queen, " "Then prove to me how good you are at pleasing me!"

Kang Mingcheng was the most loyal general at the moment. He was waiting for his King's order to charge into the enemy lines for her, to fight for her, to live and to die for her.

Mo qinghuan's lips were captured by him, and the oxygen in her chest was being sucked out bit by bit. Her already dizzy mind was now completely blank.

Perhaps it was the influence of alcohol, or perhaps this man still held the key to opening her after so many years. For a moment, she felt like she had returned to that afternoon many years ago.

The two young and vigorous people hid behind the curtains of the studio and kissed passionately, wishing they could suck each other's souls into their stomachs.

The deeper their love at that time, the more tearing and pain they felt when they were separated. However, all the pain, resentment, and unwillingness were gradually washed away by time, and even the love that was full of them had become ashes in time.

Now, all that was left was the instinct of an adult to pursue happiness.

When Kang Mingcheng woke up the next day, the seat beside him was empty. He saw mo qinghuan, who was slowly getting dressed with her back to him.

Her snow-white skin was covered with different degrees of bruises, all involuntarily caused by the intense love last night.

Mo qinghuan sensed that he had woken up and her cold eyes swept over him indifferently. She did not panic, nor did she feel embarrassed or ashamed.

It was just sleeping with her first love from many years ago. They were all adults, and it was something that both of them were willing to do. There was nothing to be embarrassed about.

“Last night ...” She said.

Kang Mingcheng had just opened his mouth when mo qinghuan tilted her head and flicked her hair out of her skirt. She interrupted him with a cold voice, “ we had a lot of fun last night, but I don’t plan to wear the same clothes a second time, so there won’t be a next time.

In other words, he was just playing last night and was happy. There was no follow-up.

After mo qinghuan finished speaking, she turned around and left the room.

Kang Mingcheng’s gaze retracted as the door opened. He lowered his head and saw the long scratch marks on his body. He could not help but smile.

This habit of arresting people had not changed after so many years.

.....

Xu Youyou was dumbfounded when she saw the hot search in the morning. She stole a glance at the man beside her and her eyes became more and more guilty.

Mo shenbai took her phone away and said calmly, “ director Jiang and the others are going back in the morning, so we have to send them off. We’ll go back in the afternoon to pack our things, and then we’ll leave for our honeymoon in the afternoon.

“Oh.” Seeing that he did not seem to know anything, Xu Youyou silently swallowed her words.

If he didn’t know, then so be it. He didn’t want to prove that he really did it thirteen times a night ...

He can take it, but I can’t!

After breakfast, Xu Youyou and Mo shenbai sent President Jiang and the rest to the airport.

Lin Qingqian really liked the cute-looking Mrs. Mo. She asked her to visit LAN city when she was free so that she could treat them to a meal.

Xu Youyou had never been to LAN city before, so she agreed immediately.

Ye weilan was not happy. little Youyou, you can't be biased. If you're going to LAN city to play with her, you have to come to Beijing to play with me. Let me know in advance and I'll get my baby to fly a plane to pick you up!

Xu Youyou looked at Jin yangzhi with admiration. you can fly a plane too? you're amazing!

flying a plane is nothing. My baby can even fly a tank and a fighter ... ye weilan was showing off.

Huo qingsi, who had slept from the hotel to the airport, yawned and said nonchalantly, " I have an Island. You can come and play later. I'll get someone to pick you up on a yacht. I can even bring you to play with the Sharks.

Xu Youyou: "!!!"

What kind of fairy sisters were these!

Mo shenbai's hand on Xu Youyou's waist tightened involuntarily, and his dark eyes glanced at the three men in warning. Keep your wives in check.

Why did all of them want to snatch his triplets?

Jin yangzhi was the first to speak. alright, Lanlan, we should get going. If we're late, Fangfang will nag us again.

Most importantly, he was afraid that lan lan would brag about him again.

Ye weilan said goodbye to Xu Youyou reluctantly. She mumbled as she walked, " you've spoiled that little b * stard Fangfang ... Now you're taking care of me.

Jin yangzhi smiled and did not refute.

Jiang yanshen also brought Lin Qingqian to take the plane back to LAN city.

In the end, only Wen Sinian and Huo qingsi were left.

Wen Sinian held Huo qingsi's thin waist and whispered, " "We'll be leaving too."

okay, " Huo qingsi replied. As she turned around, she seemed to have thought of something. She turned to look at Xu Youyou and said with a smile, " just keep what the heavens have given you. Don't think too much about it. If you have any problems in the future, you can come to Tong city to find me.

Xu Youyou's clear eyes were filled with confusion. Before she could react, Huo qingsi glanced sideways at Wen Sinian and said, " "Brother, let's go home. I'm so sleepy."

Her soft and tender voice made one's heart soften.

Wen Sinian picked her up in his arms and said, " go to sleep.

With Wen Sinian by her side, Huo qingsi did not have any qualms about sleeping soundly in his arms.

Xu Youyou came back to her senses and asked mo shenbai in confusion, " what does she mean? "

Mo Shen's long white eyelashes moved slightly, and his thin lips opened slightly, " "I heard that Wen Sinian's wife is different from the rest, she can control everything."

Xu Youyou's clear eyes widened. then, doesn't that mean she ...

Mo shenbai smiled and nodded. she's the same as you. They're both children favored by God.

Xu Youyou had always felt that her dream of the future was strange. She had always felt a sense of loneliness that could not be tolerated by the world. Today, she realized that she was not the only special person in this world. There were also people who were just like her.

Most importantly, what seemed strange and abnormal to outsiders was described by da Bai as a child favored by the heavens.

This statement was really special and gentle.
