

PAMPERING 420

### Chapter 420: Casually (1)

"As you wish." The man didn't even lift his eyelids and answered perfunctorily.

Xu Youyou pouted. Oh, that one's called mo sui, and the other's called mo Bian ... Their nickname is sui sui, and Pi ... Pi ... Seems like a name with a flavor ...

Mo Shen's long fingers pinched her waist. what kind of name is that!

Xu Youyou was angry. you were the one who said I could do whatever I wanted. Now you're scolding me for giving you random names.

Mo shenbai glanced at her and did not say anything.

Xu Youyou was silent for a while. why don't you call one Xiaobai and the other Xiao-Xiaobai.

Mo shenbai placed her dress down and covered her with the air-conditioning quilt next to him. go to sleep. This matter of getting a name has nothing to do with you.

"Oh." Xu Youyou really went to sleep obediently.

After a long day, she was indeed exhausted. It didn't take long before she fell asleep.

Mo shenbai sat by the bed, his deep eyes full of tenderness, and his fingertips fell on her flat stomach through the quilt.

"If they make me lose you, I'll never love them," he mumbled.

They would only hate their existence for taking away your ability to survive.

Xu Youyou wanted to go back to the countryside, but mo shenbai wanted to stay in lanyue for a few days.

Previously, it was just the two of them, but now that Xu Youyou was pregnant with two children, he had to prepare more things and buy more things.

Mo Zhiyun was very happy to know that they had returned. He came to the moon-Canvas House to have a free meal after school.

Lu He Yun was still busy at the company, so she was alone. When they got out of the car, cangyun helped her into the wheelchair.

After Xu Youyou left for the countryside, cangming was assigned to pick up mo Zhiyun.

"Aiyo ..."

Mo Zhiyun quickly pushed his wheelchair towards Xu Youyou, but before he could get close to her, mo shenbai grabbed his wheelchair with one hand.

“Stay away from her,” There was a warning in his cold voice.

Mo Zhiyun snorted. big brother is so stingy!

Mo shenbai didn't explain. He let go of her hand and went to the kitchen to help Xu Youyou prepare dinner.

There was a chef in the moon-embracing house, but Xu Youyou was not used to the food made by the chef. She would only eat more of the food made by mo shenbai.

Xu Youyou chuckled. it's not that da Bai is petty. It's because I'm pregnant.

Mo Zhiyun's almond-shaped eyes widened in surprise. “Really?”

Xu Youyou nodded.

“I'm going to be your aunt!” Mo Zhiyun was overjoyed, and his eyes fell on her belly. I'm going shopping this weekend to prepare a meeting gift for my future nephew.

“Then you'll have to prepare two sets.” Xu Youyou said.

Mo Zhiyun was stunned for a moment before he covered his mouth with his hands and said in disbelief, “twins?!!”

Xu Youyou's eyes curved into a bridge as she nodded.

“My big brother is so powerful! They're twins!”

Xu Youyou blushed and echoed softly, “he's quite powerful.”

Mo Zhiyun was in high spirits the entire night, even more excited than when she was a mother. She was looking forward to taking care of the two little fellows after Youyou had given birth and doing her part as an aunt.

Lu He Yun had come to pick mo Zhiyun up after a social event. His face was a little red after drinking some wine, and besides the smell of smoke and alcohol, there was also a bit of perfume on him.

He entered and greeted Mo Shen, Bai, and Xu Youyou. His eyes fell on mo Zhiyun. I'm late. Are you tired?”

He squatted down and spoke in a gentle voice, completely like a good husband.

Mo Zhiyun shook his head. I'm not tired. But you must be tired after a busy day, right?”

“It's alright.” Lu Heyun held her hand and said, “it's getting late. Let's not disturb big brother and Youyou's rest. Let's go home.”

Mo Zhiyun agreed.

Lu Heyun stood up and bid farewell to mo shenbai and the others before pushing mo Zhiyun away.

The chauffeur opened the car door, and Lu He Yun carried mo Zhiyun into the car. The two of them were so close that mo Zhiyun could smell the perfume on his body, and the curve of his mouth sank.

Lu Heyun unbuttoned his suit and saw her sullen expression from the corner of his eye. He asked softly, "Weren't you happy just now? why are you unhappy now?"

Mo Zhiyun raised his head and looked at him. He wanted to say something, but he hesitated.

Lu He Yun reached out to touch her head, but mo Zhiyun turned his head to the side to avoid it.

The large palm hung in the air for a few seconds before it finally retracted without a trace. With a faint smile on the corner of his mouth, he said patiently, "Zhizhi, what happened? How did I make you angry? can you tell me?"

"You smell like perfume," mo Zhiyun said with a muffled voice, his head lowered.

Lu Heyun was stunned for a few seconds. He took off his coat and threw it on the passenger seat. He reached out to hold her slender fingers and coaxed her softly, "It's my fault. They called a few people to accompany them to drink at night, and I didn't notice. I promise I won't do it again!"

Mo Zhiyun bit her lip and looked up at him. must I call for a drinking partner just because I'm entertaining? "My big brother has never dealt with any messy people before."

Lu He Yun's eyes flickered slightly. He took a deep breath and said with a heavy heart, "Zhizhi, I'm different from my brother. He's the head of the mo Corporation, while I'm just an Executive President who can be replaced at any time.

Even if those people smile at me, it's only for big brother's sake, do you understand?"

Even though he was now the president of the mo Corporation and could be considered to be second only to one person, the mo Corporation was ultimately mo and not Lu. It did not belong to Lu Heyun.

Mo Zhiyun pursed his lips and remained silent.

Lu He Yun gently put his arm around her shoulders and coaxed her gently, "alright, Zhizhi, don't be angry anymore. I promise you that I will never let those women get close to me next time. Don't be unhappy, smile a little, okay?"

His lips gently touched her face.

Mo Zhiyun forced out a smile. then don't let them stay close to you in the future. I don't like it!

alright," Lu He Yun agreed immediately.

He pressed his lips against her forehead and said in a low and muffled voice, "Zhizhi is the best.

Xu Youyou didn't hide her pregnancy from su lanxu and Qin Siyu. Both of them were happy for her. Su lanxu directly announced in the WeChat group that she had reserved the position of godmother and that no one was to fight with her for it.

Qin Siyu didn't bother to snatch it, and Mo Zhiyun was going to be her little aunt, so he naturally wouldn't snatch it either.

Xu Jialu had learned from his parents that he was going to be an uncle. At the same time, he also knew that Xu Youyou had to bear the risks of being pregnant.

If it was in the past, he would definitely rush to the moon-Canvas House to stop Xu Youyou and order her to terminate the pregnancy while she was still fine. But this time, he was so angry.

Xu Jialu was unusually calm and only called Xu Youyou.

"You've decided to keep these two bean sprouts?"

Xu Youyou retorted, "two babies, not bean sprouts.

"What else can it be if it's not a bean sprout that has only been planted for a month?" don't change the subject," Xu Jialu said in a cool voice. get to the point.
